Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Automotive Racing Products, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Automotive Racing Products, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Automotive Racing Products, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Automotive Racing Products, Inc. Profit Sharing Plan’s ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Automotive Racing Products, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Automotive Racing Products, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AUTOMOTIVE RACING PRODUCTS, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE A. DESCRIPTION OF THE PLAN

The following description of the Automotive Racing Products, Inc. Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General

On January 1, 1994, Automotive Racing Products, Inc. (the “Employer”) established the Automotive Racing Products, Inc. Profit Sharing Plan, which was subsequently amended and restated. The Plan is a defined-contribution plan covering all eligible employees who are at least 21 years of age and who have a minimum of 12 months (and, generally, 1,000 hours) of service as defined in the Plan. Semi-annual entry dates apply – January 1 and July 1. As a contributory profit-sharing plan under Sections 401(a) of the Internal Revenue Code, the Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan does not permit employee contributions and the Plan is solely funded by the Employer.

Effective April 30, 2024, the Employer terminated its contract with John Hancock Life Insurance Company (U.S.A.) (“John Hancock”) as custodian and recordkeeper and entered into a trust and record-keeping agreement with Fidelity Management Trust Company (“Fidelity”). As a result, on April 30, 2024, all Plan assets were transferred from John Hancock to Fidelity. In addition, effective May 1, 2024, the Employer adopted a Fidelity non-standardized pre-approved profit sharing plan (“pre-approved plan”).

2. Contributions

Each plan year, the Employer will contribute to the Plan such amounts, as it may in its sole discretion determine, on behalf of each of its eligible participants. Each eligible participant is considered a separate allocation group, although such allocation groups have been effectively categorized as follows: Group 1 – consisting of the Secretary of the Corporation, Group 2 – consisting of the President of the Corporation, Group 3 – consisting of the Vice President of the Corporation, Group 4 – consisting of all eligible participants not included in Group 1, 2, or 3 who have completed 1,000 hours of service during the Plan year and are employed on the last day of the plan year, Group 5 - consisting of all eligible participants not included in Group 1, 2, 3, or 4 who are employed on the last day of the Plan year, and Group 6 – consisting of all eligible participants not included in Group 1, 2, 3, 4, or 5 who have completed 501 hours of service during the Plan year and are not employed on the last day of the Plan year. The amount contributed for each allocation group will be allocated to the participant’s account of each eligible participant who is a member of that group in the ratio that each eligible participant’s compensation bears to the total compensation of all eligible participants who are members of that group.

NOTE A. DESCRIPTION OF PLAN (Continued)

2. Contributions (Continued)

The Employer contributions are subject to the limitations set forth under Internal Revenue Code (“IRC”) sections 404 and 415 and are adjusted annually for inflation. For 2024, this means that the maximum deduction for contributions is 25% of the aggregate compensation of all participants in the Plan, and the maximum annual contribution and other additions to a participant’s account may not exceed the lesser of 100% of the participant’s compensation (not exceeding \$345,000) or \$69,000. Employer contributions must also meet certain nondiscrimination tests under IRC sections 401 and 410.

3. Investment Options

Effective May 1, 2024, participants can direct Employer contributions, as desired, in any of a variety of investment options offered by Fidelity. Prior to May 1, 2024, investments were offered by John Hancock, see Note A.1. Participants can change their investment options daily.

4. Participant Accounts

Participant accounts are credited with their allocated share of Employer contributions. Plan earnings and administrative expenses are allocated based on participant account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

5. Vesting

A participant’s vested interest in his or her participant account will be determined according to the following schedule, except that a participant will have a 100% vested interest in his or her participant account upon reaching normal retirement age (the later of the date a participant reaches age 65 or the 5th anniversary of the date the participant commences participation in the Plan) prior to termination of employment, or upon death or disability prior to that date:

NOTE A. DESCRIPTION OF PLAN (Continued)

6. Funding Policy

The Employer funds its contribution annually by the due date of the corporate income tax return.

7. Notes Receivable from Participants

Participant loans are not permitted.

8. Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the total value of the participant's interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

9. Forfeited Accounts

Participants who terminate employment before becoming fully vested in their Employer contributions and receive a distribution of the vested portion of their accounts will forfeit the non-vested portion of their accounts. Forfeitures of contributions shall be used to reduce future Employer contributions or pay reasonable administrative expenses. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$88,373 and \$15,661, respectively.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. Plan Administration

The Employer is the plan sponsor and the plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America necessarily requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian and trustee. See Note D for discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

5. Benefit Payments

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C. CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, and interest and dividends, for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the following:

John Hancock, custodian (as of December 31, 2023 and for the period January 1, 2024 to April 30, 2024) and Fidelity, trustee (as of December 31, 2024 and for the period May 1, 2024 to December 31, 2024).

NOTE D. FAIR VALUE MEASUREMENTS

The fair value framework provides a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standard Codification (“ASC”) 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled separate accounts: Valued on a net unit value basis as determined by John Hancock. The net unit value is based on the quoted market price of the underlying investments held in the accounts, adjusted for any plan or participant expense. The net unit value is not a publicly quoted price in an active market. The pool separate accounts do not have unfunded commitments relating to their investments, or any significant restrictions on participant-directed transactions except for transfers to certain investment options.

Mutual funds: Valued at quoted net asset value (NAV) of shares held by the Plan at year end. These funds are required to publish their daily net asset value and transact at that price. The NAV for mutual funds is a publicly available quoted price in an active market.

Money market fund: Valued at cost plus earned interest.

AUTOMOTIVE RACING PRODUCTS, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE D. FAIR VALUE MEASUREMENTS (Continued)

Collective trust fund: Valued at the NAV of units of the collective trust fund. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE E. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Effective May 1, 2024, Fidelity became the trustee and recordkeeper for the Plan. Previously, John Hancock was the custodian and recordkeeper. Transaction with these entities qualify as party-in-interest transactions. All investments are held with the trustee. As described in Note B, the Plan made direct payments to the third party administrator totaling \$65,625. The Employer pays directly any other fees related to the Plan's operations.

AUTOMOTIVE RACING PRODUCTS, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE F. TAX STATUS

Effective May 1, 2024, the Employer adopted a Fidelity pre-approved plan (as noted in Note A.1.), which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. Prior to May 1, 2024, the Employer had adopted another pre-approved plan, which also received a favorable opinion letter from the IRS dated June 30, 2020. Each plan's respective letter stated the pre-approved plan, as then designed, was in compliance with applicable sections of the IRC. The plan administrator and the Plan's advisors believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with the applicable IRS corrections policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G. PLAN TERMINATION

Although it has not expressed such intent, the Employer reserves the right, at any time, to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and the assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan.

NOTE H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan invests through various funds in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Automotive Racing Products, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Automotive Racing Products, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Automotive Racing Products, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Automotive Racing Products, Inc. Profit Sharing Plan’s ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Automotive Racing Products, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Automotive Racing Products, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE A. DESCRIPTION OF THE PLAN

The following description of the Automotive Racing Products, Inc. Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General

On January 1, 1994, Automotive Racing Products, Inc. (the “Employer”) established the Automotive Racing Products, Inc. Profit Sharing Plan, which was subsequently amended and restated. The Plan is a defined-contribution plan covering all eligible employees who are at least 21 years of age and who have a minimum of 12 months (and, generally, 1,000 hours) of service as defined in the Plan. Semi-annual entry dates apply – January 1 and July 1. As a contributory profit-sharing plan under Sections 401(a) of the Internal Revenue Code, the Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan does not permit employee contributions and the Plan is solely funded by the Employer.

Effective April 30, 2024, the Employer terminated its contract with John Hancock Life Insurance Company (U.S.A.) (“John Hancock”) as custodian and recordkeeper and entered into a trust and record-keeping agreement with Fidelity Management Trust Company (“Fidelity”). As a result, on April 30, 2024, all Plan assets were transferred from John Hancock to Fidelity. In addition, effective May 1, 2024, the Employer adopted a Fidelity non-standardized pre-approved profit sharing plan (“pre-approved plan”).

2. Contributions

Each plan year, the Employer will contribute to the Plan such amounts, as it may in its sole discretion determine, on behalf of each of its eligible participants. Each eligible participant is considered a separate allocation group, although such allocation groups have been effectively categorized as follows: Group 1 – consisting of the Secretary of the Corporation, Group 2 – consisting of the President of the Corporation, Group 3 – consisting of the Vice President of the Corporation, Group 4 – consisting of all eligible participants not included in Group 1, 2, or 3 who have completed 1,000 hours of service during the Plan year and are employed on the last day of the plan year, Group 5 - consisting of all eligible participants not included in Group 1, 2, 3, or 4 who are employed on the last day of the Plan year, and Group 6 – consisting of all eligible participants not included in Group 1, 2, 3, 4, or 5 who have completed 501 hours of service during the Plan year and are not employed on the last day of the Plan year. The amount contributed for each allocation group will be allocated to the participant’s account of each eligible participant who is a member of that group in the ratio that each eligible participant’s compensation bears to the total compensation of all eligible participants who are members of that group.

2. Contributions (Continued)

The Employer contributions are subject to the limitations set forth under Internal Revenue Code (“IRC”) sections 404 and 415 and are adjusted annually for inflation. For 2024, this means that the maximum deduction for contributions is 25% of the aggregate compensation of all participants in the Plan, and the maximum annual contribution and other additions to a participant’s account may not exceed the lesser of 100% of the participant’s compensation (not exceeding \$345,000) or \$69,000. Employer contributions must also meet certain nondiscrimination tests under IRC sections 401 and 410.

3. Investment Options

Effective May 1, 2024, participants can direct Employer contributions, as desired, in any of a variety of investment options offered by Fidelity. Prior to May 1, 2024, investments were offered by John Hancock, see Note A.1. Participants can change their investment options daily.

4. Participant Accounts

Participant accounts are credited with their allocated share of Employer contributions. Plan earnings and administrative expenses are allocated based on participant account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

5. Vesting

A participant’s vested interest in his or her participant account will be determined according to the following schedule, except that a participant will have a 100% vested interest in his or her participant account upon reaching normal retirement age (the later of the date a participant reaches age 65 or the 5th anniversary of the date the participant commences participation in the Plan) prior to termination of employment, or upon death or disability prior to that date:

NOTE A. DESCRIPTION OF PLAN (Continued)

6. Funding Policy

The Employer funds its contribution annually by the due date of the corporate income tax return.

7. Notes Receivable from Participants

Participant loans are not permitted.

8. Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the total value of the participant's interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

9. Forfeited Accounts

Participants who terminate employment before becoming fully vested in their Employer contributions and receive a distribution of the vested portion of their accounts will forfeit the non-vested portion of their accounts. Forfeitures of contributions shall be used to reduce future Employer contributions or pay reasonable administrative expenses. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$88,373 and \$15,661, respectively.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. Plan Administration

The Employer is the plan sponsor and the plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America necessarily requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

4. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian and trustee. See Note D for discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

5. Benefit Payments

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C. CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, and interest and dividends, for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the following:

John Hancock, custodian (as of December 31, 2023 and for the period January 1, 2024 to April 30, 2024) and Fidelity, trustee (as of December 31, 2024 and for the period May 1, 2024 to December 31, 2024).

NOTE D. FAIR VALUE MEASUREMENTS

The fair value framework provides a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standard Codification (“ASC”) 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled separate accounts: Valued on a net unit value basis as determined by John Hancock. The net unit value is based on the quoted market price of the underlying investments held in the accounts, adjusted for any plan or participant expense. The net unit value is not a publicly quoted price in an active market. The pool separate accounts do not have unfunded commitments relating to their investments, or any significant restrictions on participant-directed transactions except for transfers to certain investment options.

Mutual funds: Valued at quoted net asset value (NAV) of shares held by the Plan at year end. These funds are required to publish their daily net asset value and transact at that price. The NAV for mutual funds is a publicly available quoted price in an active market.

Money market fund: Valued at cost plus earned interest.

NOTE D. FAIR VALUE MEASUREMENTS (Continued)

Collective trust fund: Valued at the NAV of units of the collective trust fund. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE E. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Effective May 1, 2024, Fidelity became the trustee and recordkeeper for the Plan. Previously, John Hancock was the custodian and recordkeeper. Transaction with these entities qualify as party-in-interest transactions. All investments are held with the trustee. As described in Note B, the Plan made direct payments to the third party administrator totaling \$65,625. The Employer pays directly any other fees related to the Plan's operations.

NOTE F. TAX STATUS

Effective May 1, 2024, the Employer adopted a Fidelity pre-approved plan (as noted in Note A.1.), which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. Prior to May 1, 2024, the Employer had adopted another pre-approved plan, which also received a favorable opinion letter from the IRS dated June 30, 2020. Each plan's respective letter stated the pre-approved plan, as then designed, was in compliance with applicable sections of the IRC. The plan administrator and the Plan's advisors believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with the applicable IRS corrections policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G. PLAN TERMINATION

Although it has not expressed such intent, the Employer reserves the right, at any time, to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and the assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan.

NOTE H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan invests through various funds in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.
