## Independent Auditors' Report

To the Investment Committee of the  
PlayCore 401(k) Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the PlayCore 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

*Other Matter - Supplemental Schedules Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2024, and the schedule of delinquent participant contributions for the year then ended, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**In our opinion**

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

# PLAYCORE 401(k) PLAN

## Notes to the Financial Statements

December 31, 2024 and 2023

### (1) Description of plan

The following description of the PlayCore 401(k) Plan (the "Plan"), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan is a defined contribution plan which was adopted on April 1, 1991, to provide retirement benefits for employees of PlayCore, Inc. ("PlayCore") and participating employers (collectively, the "Plan Sponsor"). The Plan covers substantially all employees of participating employers who are age eighteen or older and have completed two months of service (participants). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2023, PlayCore acquired Victor Stanley, LLC; UniSite Design, LLC; and ITS-Sprinturf Holdings, LLC. In connection therewith, the plans were merged and all assets and liabilities of the Victor Stanley, LLC Employee Retirement Plan, the UniSite Design, LLC Employee Retirement Plan, and the Its-Sprinturf Holdings, LLC 401(k) were transferred into the Plan in 2024.

#### (b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code (IRC). Participants may elect to make their contributions on an after-tax basis in the form of Roth contributions, as well as contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions are permitted up to 100% of participant compensation. Newly eligible employees are automatically enrolled into the Plan at a 2% deferral rate, with the ability to opt out or modify their contribution rate.

The Plan Sponsor makes a safe-harbor matching contribution equal to 100% of each participant's contributions up to 4% of eligible compensation. Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

Participants direct the investment of their contribution into various investment options offered by the Plan. The Plan currently offers mutual funds, a selection of pooled separate accounts, and a guaranteed interest contract with Empower Annuity Insurance Company of America (EAICA), as options.

#### (c) Participant accounts

Each participant's account is credited (charged) with the participant's contributions and allocations of Plan Sponsor contributions, investment earnings (losses), and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

### Notes to the Financial Statements

December 31, 2024 and 2023

(d) Vesting

Participants are immediately vested in their elective salary deferral contributions and Plan Sponsor safe harbor matching contributions, plus actual earnings (losses) thereon.

(e) Participant notes receivable

Each participant may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The participant notes receivable are secured by the balances in the respective participants' accounts and bear interest at fixed rates ranging from 3.25% to 10.50%, which was the prime rate as of the first day of the month the loan originated. Principal and interest are collected ratably through payroll deductions.

(f) Payment of benefits

On termination of service due to death, permanent disability, retirement, upon attainment of age 59½, or other reasons a participant may elect to receive a lump-sum payment, a partial lump sum payment, or annual installments over a specified period equal to his or her entire account.

(g) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance, excluding Roth deferrals.

(h) Revenue sharing

The Plan has a revenue sharing agreement whereby Empower Trust Company returns certain revenue sharing amounts to offset the Plan's administrative expenses. If the revenue received by Empower Trust Company from such mutual fund service providers exceeds the amounts owed under the service agreement, Empower Trust Company remits the excess to the Plan. Such amounts are allocated to the accounts of eligible plan participants. Revenue sharing is included as other income in the statements of changes in net assets available for benefits.

(i) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of participant notes receivable and benefit payments are charged directly to those participants' accounts. Investment advisory and recordkeeping fees are included in administrative expenses.

(j) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## Notes to the Financial Statements

December 31, 2024 and 2023

### (2) Summary of significant accounting policies

#### (a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### (b) Investment valuation and income recognition

Investments are stated at fair value, except for the fully benefit-responsive guaranteed interest contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator and investment committee determines the Plan's valuation policies utilizing information provided by EAICA and Empower Trust Company ("Empower"). See Notes 4 and 5 for discussion of fair value and the valuation of the guaranteed interest contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

#### (c) Participant notes receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

#### (d) Payment of benefits

Benefits are recorded when paid.

#### (e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### (f) Reclassifications

Certain items in the 2023 financial statements have been reclassified to conform to the presentation of the 2024 financial statements. These reclassifications had no effect on net assets available for benefits as previously reported.

## Notes to the Financial Statements

December 31, 2024 and 2023

(g) Events occurring after reporting date

The Plan has evaluated events and transactions that occurred between December 31, 2024, and October 13, 2025, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments and participant notes receivable reported and disclosed in the accompanying financial statements and schedule of assets (held at end of year), including the fair value and contract value of investments and participant notes receivable held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, and interest on participant notes receivable for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by EAICA and Empower.

(4) Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for asset measurement at fair value. There have been no changes in the methodology used at December 31, 2024 or 2023.

**PLAYCORE 401(k) PLAN**

**Notes to the Financial Statements**

**December 31, 2024 and 2023**

- (i) *Mutual funds*: Valued based on the fund's reported closing net asset value (NAV) of shares held by the Plan as of the last business day of the plan year. The mutual funds are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

**Fair Value Measurements as of  
December 31, 2024 Using the Following Inputs**

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>7,854,278</u>	\$ _____ -	\$ _____ -	\$ 7,854,278
Investments measured at NAV as a practical expedient (a)				<u>119,736,846</u>
Investments, at fair value				\$ <u>127,591,124</u>

**Fair Value Measurements as of  
December 31, 2023 Using the Following Inputs**

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ <u>5,847,155</u>	\$ _____ -	\$ _____ -	\$ 5,847,155
Investments measured at NAV as a practical expedient (a)				<u>93,779,585</u>
Investments, at fair value				\$ <u>99,626,740</u>

- (a) These investments are measured at NAV as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

The following table details the investments measured at fair value based on NAV as a practical expedient as of December 31, 2024 and 2023.

# PLAYCORE 401(k) PLAN

## Notes to the Financial Statements

December 31, 2024 and 2023

The Plan holds various pooled separate accounts that are not direct filing entities. A majority of these pooled separate accounts seek to mirror the investment objectives and strategies of the underlying mutual fund for which the pooled separate account is named. Certain other pooled separate accounts are target date funds which seek capital appreciation and current income consistent with asset allocation that become more conservative over time to the specified retirement date.

### (5) Guaranteed interest contract

The Plan is party to an investment contract with an insurance company, EAICA, which is considered a fully benefit-responsive investment contract. The insurance company maintains the Plan's contributions in a separate account, with a general investment contract ("SAGIC") guarantee, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by the insurance company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value was \$15,925,867 and \$17,013,037 as of December 31, 2024 and 2023, respectively. The crediting interest rate guaranteed is based on a formula agreed upon with the issuer, but may not be less than zero, and is reviewed periodically for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

### (6) Income tax status

The Plan Sponsor adopted a non-standardized pre-approved profit sharing plan which received a favorable opinion letter from the Internal Revenue Service (IRS) on November 14, 2022, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the Plan, as amended, is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## Notes to the Financial Statements

December 31, 2024 and 2023

(7) Untimely remittance of participant contributions

The Plan Sponsor is required by Department of Labor regulations to remit participant contributions as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For certain contributions withheld in 2024 and 2023, the funds were not remitted timely and are summarized in the accompanying supplemental schedule. Imputed lost earnings applicable to 2023 contributions has been calculated and contributed to the Plan in 2024.

(8) Related party and party-in-interest transactions

Certain plan investments are shares of pooled separate accounts and a guaranteed interest contract managed by EAICA, and therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers and holds participant notes receivable which also qualify as party-in-interest transactions. The revenue sharing transactions described in Note 1, also qualify as party-in-interest transactions.

(9) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 146,524,580	\$ 119,021,169

Net assets available for benefits per the Form 5500	<u>\$ 146,094,178</u>	<u>\$ 118,648,253</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Change in net assets available for benefits per the financial statements	\$ 27,503,411	\$ 19,749,749
Change in deemed distributed loans	<u>(57,486)</u>	<u>(170,226)</u>

### Notes to the Financial Statements

December 31, 2024 and 2023

#### (10) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
