INDEPENDENT AUDITOR'S REPORT

To Siouxland Mental Health Services, Inc.,
Plan Administrator of Siouxland Mental
Health Services, Inc. 403(b) Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Siouxland Mental Health Services, Inc. 403(b) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(c) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Siouxland Mental Health Services, Inc. 403(b) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Siouxland Mental Health Services, Inc. 403(b) Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Siouxland Mental Health Services, Inc. 403(b) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Siouxland Mental Health Services, Inc. 403(b) Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Siouxland Mental Health Services, Inc. 403(b) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

2024 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2023 Financial Statements

Management is responsible for the accompanying 2023 financial statements of Siouxland Mental Health Services, Inc. 403(b) Thrift Plan, which comprises the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2023 financial statements.

NOTE 1 - DESCRIPTION OF PLAN:

The following description of Siouxland Mental Health Services, Inc. ("Organization") 403(b) Thrift Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the Organization, excluding leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan.

Contributions - Each year, participants may contribute up to the maximum percentage allowable under the Internal Revenue Code. The maximum was \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution was \$7,500 for the years ended December 31, 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into investment options offered by the Plan. The Plan currently has a group annuity contract with Mutual of America Life Insurance Company. The group annuity contract makes available a general account and a pooled separate account. Employees are eligible upon hire to contribute salary deferrals however, employees must be age 21 or older and complete six months of service before they are eligible to receive employer contributions. Effective July 1, 2019, the Organization replaced the employer discretionary match with a fixed and discretionary match. The fixed match is 100 percent of the participant's deferral limited to 1 percent of the participant's compensation. The discretionary match is 100 percent of the participant's deferral in excess of the 1 percent fixed match, limited to 5 percent of the participant's compensation.

Participant Accounts - Each active participant's account is credited with the participant's contribution and Organization's contributions, as well as allocations of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SIouxLAND MENTAL HEALTH SERVICES, INC. 403(B) THRIFT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED):

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts is based on years of service. The Organization's contributions vest according to the following schedule:

<u>Completed Years of Service</u>	<u>Percentage of Employer Contribution Vested</u>
Less than 2	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Forfeited Accounts - At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$0 and \$23,438, respectively. Forfeited accounts are used to reduce future employer contributions. Also, in 2024 and 2023, employer contributions were reduced by \$43,891 and \$26,225, respectively, from forfeited nonvested accounts.

Benefit Payments - On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, annual installments, or purchase of annuities. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. Insurance contracts should be presented in the same manner as specified in the annual report filed by the Plan with certain governmental agencies in accordance with ERISA; that is, either fair value or at amounts determined by the insurance entity (contract value).

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

SIouxLAND MENTAL HEALTH SERVICES, INC. 403(B) THRIFT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Investment Valuation and Income Recognition - Investments are reported at fair value (except for insurance contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 3 for discussion of fair value measurements.

Purchases and sales of shares of the funds are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Participant contributions and any related employer contributions are recognized in the period during which the Organization makes the respective payroll deduction from the participant's compensation. The contributions receivable are reduced by management's estimate of expected credit losses. This estimate considers historical experience, current conditions and, when applicable, reasonable supportive forecasts. No allowance for expected credit losses was recorded at December 31, 2024 and 2023.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses paid by the Plan are included in net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated for subsequent events through October 6, 2025, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SIouxLAND MENTAL HEALTH SERVICES, INC. 403(B) THRIFT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED):

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Annuity Contract - Pooled Separate Account: The Plan invests in a pooled separate account. The pooled separate account consists solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value (NAV) at which the mutual fund shares are actively traded. The Plan's investment is valued at the NAV of the pooled separate account. The NAV is considered a practical expedient for fair value and is based on the fair value of the underlying investments held by the pooled separate account.

SIouxLAND MENTAL HEALTH SERVICES, INC. 403(B) THRIFT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED):

The following table sets forth the Plan's assets at fair value as of December 31, 2024 and 2023:

	2024	Unaudited 2023
	Fair Value	Fair Value
Investments measured at net asset value (a):		
Annuity Contract - Pooled Separate Account	\$ 4,974,666	\$ 4,253,656
Total investments at fair value	\$ 4,974,666	\$ 4,253,656

- (a) In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE 4 - INVESTMENTS MEASURED USING NAV PER SHARE PRACTICAL EXPEDIENT:

The following tables summarize investments for which fair value is measured using NAV per share as a practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments and the redemption notice period is applicable only to the Plan.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 6 - GROUP ANNUITY CONTRACT WITH MUTUAL OF AMERICA LIFE
INSURANCE COMPANY (CONTINUED):

Amounts placed in the Mutual of America Interest Accumulation Account are credited with interest at a rate determined by Mutual of America Life Insurance Co. (Mutual of America). Mutual of America guarantees to credit interest for the life of the contract to amounts in the Interest Accumulation Account of their general account at a rate at least equal to the greater of (1) any contractual minimum guarantee provided by the contract or (2) the minimum rate required by applicable state law, or, if no state law minimum rate is applicable to the contract, the guaranteed minimum credited interest rate will be set pursuant to National Association of Insurance Commissioners (NAIC) standard nonforfeiture law. The NAIC minimum rate is determined in accordance with a formula and cannot be less than 0.15 percent or more than 3.00 percent in any event. Mutual of America determines whether the application of the formula will change the minimum guaranteed rate each November, and any change is effective the following January 1 for the calendar year. The minimum rate for 2024 has been set at 2.85 percent or 3.00 percent, depending on contract as indicated above, in accordance with this formula. In addition, Mutual of America may credit interest to the contract amounts in the Interest Accumulation Account at a higher rate that is declared from time to time, and which may increase or decrease at Mutual of America's discretion, although Mutual of America is not obligated to credit interest in excess of the minimum guaranteed rate. Mutual of America compounds interest daily on the contract amounts in the Interest Accumulation Account to provide an effective annual yield that is equal to the stated interest rate.

The principal and previously credited interest are guaranteed by Mutual of America. This guarantee is subject to Mutual of America's financial strength and claim's paying ability. The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best has affirmed the Financial Strength Rating of A as of February 2024 and Fitch's rating of Mutual of America Life Insurance Company was A- as of March 2024.

NOTE 7 - PLAN TERMINATION:

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

NOTE 8 - TAX STATUS:

The Plan has adopted a prototype plan document. 403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, in Rev. Proc. 2013-22, the IRS established approval procedures for issuing opinion and advisory letters for certain pre-approved 403(b) plans (i.e., 403(b) prototype plans and 403(b) volume submitter plans). The prototype plan was submitted to the IRS for an opinion on the acceptability of the form of the plan and was approved. Plans adopting this prototype plan can rely on the IRS letter with respect to the satisfaction of its plan under Code Section 403(b), as provided for in Rev. Proc. 2013-22, 2013-18 I.R.B. 985.

SIouxLAND MENTAL HEALTH SERVICES, INC. 403(B) THRIFT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 8 - TAX STATUS (CONTINUED):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES:

The Plan's Annuity Contract holdings include various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS:

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. The plan sponsor pays certain fees for the administration of the Plan.

Certain Plan assets are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the custodian and record keeper for the Plan; and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are deducted from the value of the investment, rather than direct payment.

All of these transactions are exempt from the prohibited transaction rules.

NOTE 11 - PARTICIPANT CONTRIBUTION NONCOMPLIANCE:

During the Plan years ended December 31, 2024 and 2023, contributions were credited to incorrect participant accounts. Management is working with the custodian of the Plan, Mutual of America Life Insurance Company to correct these errors.
