**PORTLAND AIR FREIGHT EMPLOYEE STOCK  
OWNERSHIP PLAN**

MANAGEMENT LETTER

DECEMBER 31, 2024

To the Administrative Committee  
Portland Air Freight Employee Stock Ownership Plan:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Portland Air Freight Employee Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2024, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Spinnaker Trust that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We did not identify any deficiencies in internal control that we consider to be significant deficiencies.

In planning and performing the audit we noted the following situations that are not control deficiencies but are opportunities for strengthening internal controls.

PAY RATE AUTHORIZATION

During our audit, we noted one instance where a participant's rate of pay was not supported by authorization or other documentation. A similar situation was previously noted in our management letter for the 2023 plan financial statements. We continue to recommend management maintain documentation of all pay rate changes to support payroll controls and allow for proper verification of a participant's eligible compensation.

\*\*\*\*\*

This communication is intended solely for the information and use of management, the Plan Administrator, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

These conditions were considered in determining the nature, timing, and extent of the audit tests to be applied in our audit of the 2024 financial statements, and this report does not affect our report on those financial statements dated September 29, 2025.

We have discussed these comments and suggestions with the Plan's personnel, and we will be pleased to discuss them in further detail, at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

We wish to take this opportunity to express our appreciation for the courtesy and cooperation extended to us by the management and employees of the Plan throughout our examination.

Yours truly,

*Albin, Randall & Bennett*
