## INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor  
RACI 401(k) Plan  
Beachwood, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of RACI 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan, qualified institutions, as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a trust company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The information in the financial statements referred to above related to benefits provided by and certified to by an insurance company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule as listed in the table of contents as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a trust company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The information in the supplemental schedule related to benefits provided by and certified to by an insurance company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

### NOTE A - DESCRIPTION OF PLAN

The following description of the RACI 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution profit sharing plan with a 401(k) feature covering all eligible employees of Retina Associates of Cleveland, Inc. (the Company and Plan Sponsor) who are at least 21 years old and are not covered by a collective bargaining agreement. Employees of the Company are eligible to contribute to the Plan on the first day following the completion of three months of service. Employees of the Company are eligible to receive an employer profit sharing contribution as of the first day of the Plan year during which they complete 1,000 hours during twelve consecutive months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Contributions

Each year, participants may elect to defer 100% of pre-tax compensation as defined by the Plan. The Plan provides for a discretionary employer profit sharing contribution, which was \$1,086,390 for the year ended December 31, 2024. During 2025, forfeitures of \$46,932 were applied to the 2024 profit sharing contribution. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of the Company's discretionary profit sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution plus actual earnings thereon is based on years of continuous service after two years at a rate of 20% per year. A participant is 100% vested after six years of credited service.

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE A - DESCRIPTION OF PLAN (CONTINUED)**

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to certain Department of Labor and IRS requirements. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Notes receivable are secured by the balances in the participants' accounts and bear interest at rates that range from 7.25% to 9.50% at December 31, 2024. Principal and interest are paid ratably through bi-weekly payroll deductions.

#### **Payment of Benefits**

Benefits are payable to participants or their beneficiaries upon attaining age 59½ or upon the termination, retirement, disability, or death of the participant. Additionally, a participant who has attained age forty-eight and has completed seven years of service may request a distribution from their profit sharing contribution account provided it is 100% vested. The participant will receive a lump-sum distribution based on the participant's account valuation on the date of distribution. If the value of the vested benefits credited to the participant's account is \$5,000 or less at the time of termination, the entire amount will be automatically distributed to the participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Sponsor.

Active participants may request hardship withdrawals from their elective deferral account balances, subject to Plan provisions.

#### **Forfeited Accounts**

Forfeitures may be used to reduce the Company's discretionary profit sharing contributions to the Plan or pay Plan administrative expenses. Unallocated forfeiture balances as of December 31, 2024 and 2023 were \$36,793 and \$32,869, respectively. Forfeitures used to reduce 2023 employer contributions during the year ended December 31, 2024 were \$29,625.

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

#### **Investment Valuation**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodians. See Note D for discussion of fair value measurements.

# **RACI 401(K) PLAN**

---

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make payments on a note receivable and the Plan Sponsor deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

#### **Investment Income Recognition**

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Contributions and Contributions Receivable**

Contributions from Plan participants are recorded in the year in which the employee's participant contributions are withheld from compensation. Company profit sharing contributions are recorded in the year the Plan Sponsor approves the profit sharing contribution. Any contributions attributable to the Plan year but not received by the trust by the last day of the Plan year are recorded as a receivable.

The carrying amount of contributions receivable are assessed for the need to record a valuation allowance. The valuation allowance is an estimate derived from the Plan's historical losses of contributions receivable, adjusted for the Plan Sponsor's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Based on the Plan Sponsor's assessment as of December 31, 2024 and 2023, no allowances for contributions receivable were recorded as of December 31, 2024 and 2023.

#### **Revenue Sharing**

Revenue sharing income represents the portion of investment management fees provided to the Plan from the investment fund manager to offset the cost of services provided to the Plan. Revenue sharing, which is included as a component of investment income on the statement of changes in net assets available for benefits, was \$50,426 for the year ended December 31, 2024.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Participant accounts are charged a fee ratably based on their account balances for expenses incurred to maintain the Plan. These expenses are included in administrative expenses. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

# **RACI 401(K) PLAN**

---

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **Income Taxes**

The Company adopted a non-standardized pre-approved profit sharing plan with a cash or deferral arrangement which received an opinion letter from the IRS dated January 25, 2021, stating that the Plan and related trust was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Subsequent Event**

The Plan has evaluated subsequent events through October 8, 2025, the date which the financial statements were available to be issued.

### **NOTE C - CERTIFICATION**

Investment information and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in the fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024 was obtained by management and agreed to or derived from information certified as completed and accurate by the custodians.

## Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

### NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2024 and 2023 are summarized below:

	Level 1	
	2024	2023
Mutual funds	\$ 16,642,109	\$ 14,093,838

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE E - GUARANTEED INVESTMENT CONTRACT**

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower) totaling \$556,909 and \$2,286,044 at December 31, 2024 and 2023, respectively. Contributions from the Plan are maintained in Empower's general account. Under the contract, the Plan owns a promise by the issuer to pay interest at crediting rates, which are set based on the earnings of certain underlying assets of Empower and market conditions. Participant principal and interest are fully guaranteed by the entire general account assets of Empower. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. Interest crediting rates are reset quarterly.

This contract meets the fully benefit-responsive investment criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract; plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value.

The repayment of principal and interest credited to participants in the Plan is a financial obligation of Empower. The Plan's ability to receive amounts due is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of Empower or otherwise.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of contract by the Plan, layoffs, Plan termination, bankruptcy, mergers, or early retirement incentives. In these instances, if the contract is terminated prior to the issuer's recovery of any and all start-up costs incurred by the issuer, such amounts, as well as any and all other outstanding charges and fees, shall be recouped as a contract termination charge.

The contract may be terminated by either the Plan Sponsor or Empower with 60 days written notice. If the Plan Sponsor terminates the contract, all benefits, rights, and privileges provided by the contract would terminate. Management believes a Plan-initiated termination of the contract is not probable of occurring.

### **NOTE F - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

---

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **NOTE H - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include an investment contract of a custodian, and the related interest income, receipt of revenue sharing (see Note B), and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

Empower Trust Company, LLC provides certain administrative services to the Plan. Empower received revenue for these services at crediting rates per investment ranging from 0.03% to 0.83% of the funds' balances as of December 31, 2024. These fees reduce the rate of return to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

## INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor  
RACI 401(k) Plan  
Beachwood, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of RACI 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan, qualified institutions, as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a trust company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The information in the financial statements referred to above related to benefits provided by and certified to by an insurance company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule as listed in the table of contents as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a trust company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The information in the supplemental schedule related to benefits provided by and certified to by an insurance company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

### NOTE A - DESCRIPTION OF PLAN

The following description of the RACI 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution profit sharing plan with a 401(k) feature covering all eligible employees of Retina Associates of Cleveland, Inc. (the Company and Plan Sponsor) who are at least 21 years old and are not covered by a collective bargaining agreement. Employees of the Company are eligible to contribute to the Plan on the first day following the completion of three months of service. Employees of the Company are eligible to receive an employer profit sharing contribution as of the first day of the Plan year during which they complete 1,000 hours during twelve consecutive months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Contributions

Each year, participants may elect to defer 100% of pre-tax compensation as defined by the Plan. The Plan provides for a discretionary employer profit sharing contribution, which was \$1,086,390 for the year ended December 31, 2024. During 2025, forfeitures of \$46,932 were applied to the 2024 profit sharing contribution. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of the Company's discretionary profit sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution plus actual earnings thereon is based on years of continuous service after two years at a rate of 20% per year. A participant is 100% vested after six years of credited service.

## Notes to Financial Statements December 31, 2024 and 2023 and Year Ended December 31, 2024

### NOTE A - DESCRIPTION OF PLAN (CONTINUED)

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to certain Department of Labor and IRS requirements. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Notes receivable are secured by the balances in the participants' accounts and bear interest at rates that range from 7.25% to 9.50% at December 31, 2024. Principal and interest are paid ratably through bi-weekly payroll deductions.

#### Payment of Benefits

Benefits are payable to participants or their beneficiaries upon attaining age 59½ or upon the termination, retirement, disability, or death of the participant. Additionally, a participant who has attained age forty-eight and has completed seven years of service may request a distribution from their profit sharing contribution account provided it is 100% vested. The participant will receive a lump-sum distribution based on the participant's account valuation on the date of distribution. If the value of the vested benefits credited to the participant's account is \$5,000 or less at the time of termination, the entire amount will be automatically distributed to the participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Sponsor.

Active participants may request hardship withdrawals from their elective deferral account balances, subject to Plan provisions.

#### Forfeited Accounts

Forfeitures may be used to reduce the Company's discretionary profit sharing contributions to the Plan or pay Plan administrative expenses. Unallocated forfeiture balances as of December 31, 2024 and 2023 were \$36,793 and \$32,869, respectively. Forfeitures used to reduce 2023 employer contributions during the year ended December 31, 2024 were \$29,625.

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

#### Investment Valuation

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodians. See Note D for discussion of fair value measurements.

# **RACI 401(K) PLAN**

---

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make payments on a note receivable and the Plan Sponsor deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

#### **Investment Income Recognition**

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Contributions and Contributions Receivable**

Contributions from Plan participants are recorded in the year in which the employee's participant contributions are withheld from compensation. Company profit sharing contributions are recorded in the year the Plan Sponsor approves the profit sharing contribution. Any contributions attributable to the Plan year but not received by the trust by the last day of the Plan year are recorded as a receivable.

The carrying amount of contributions receivable are assessed for the need to record a valuation allowance. The valuation allowance is an estimate derived from the Plan's historical losses of contributions receivable, adjusted for the Plan Sponsor's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Based on the Plan Sponsor's assessment as of December 31, 2024 and 2023, no allowances for contributions receivable were recorded as of December 31, 2024 and 2023.

#### **Revenue Sharing**

Revenue sharing income represents the portion of investment management fees provided to the Plan from the investment fund manager to offset the cost of services provided to the Plan. Revenue sharing, which is included as a component of investment income on the statement of changes in net assets available for benefits, was \$50,426 for the year ended December 31, 2024.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Participant accounts are charged a fee ratably based on their account balances for expenses incurred to maintain the Plan. These expenses are included in administrative expenses. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

# **RACI 401(K) PLAN**

---

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **Income Taxes**

The Company adopted a non-standardized pre-approved profit sharing plan with a cash or deferral arrangement which received an opinion letter from the IRS dated January 25, 2021, stating that the Plan and related trust was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Subsequent Event**

The Plan has evaluated subsequent events through October 8, 2025, the date which the financial statements were available to be issued.

### **NOTE C - CERTIFICATION**

Investment information and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in the fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024 was obtained by management and agreed to or derived from information certified as completed and accurate by the custodians.

## Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

### NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2024 and 2023 are summarized below:

	Level 1	
	2024	2023
Mutual funds	\$ 16,642,109	\$ 14,093,838

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE E - GUARANTEED INVESTMENT CONTRACT**

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower) totaling \$556,909 and \$2,286,044 at December 31, 2024 and 2023, respectively. Contributions from the Plan are maintained in Empower's general account. Under the contract, the Plan owns a promise by the issuer to pay interest at crediting rates, which are set based on the earnings of certain underlying assets of Empower and market conditions. Participant principal and interest are fully guaranteed by the entire general account assets of Empower. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. Interest crediting rates are reset quarterly.

This contract meets the fully benefit-responsive investment criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract; plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value.

The repayment of principal and interest credited to participants in the Plan is a financial obligation of Empower. The Plan's ability to receive amounts due is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of Empower or otherwise.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of contract by the Plan, layoffs, Plan termination, bankruptcy, mergers, or early retirement incentives. In these instances, if the contract is terminated prior to the issuer's recovery of any and all start-up costs incurred by the issuer, such amounts, as well as any and all other outstanding charges and fees, shall be recouped as a contract termination charge.

The contract may be terminated by either the Plan Sponsor or Empower with 60 days written notice. If the Plan Sponsor terminates the contract, all benefits, rights, and privileges provided by the contract would terminate. Management believes a Plan-initiated termination of the contract is not probable of occurring.

### **NOTE F - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

---

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **NOTE H - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include an investment contract of a custodian, and the related interest income, receipt of revenue sharing (see Note B), and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

Empower Trust Company, LLC provides certain administrative services to the Plan. Empower received revenue for these services at crediting rates per investment ranging from 0.03% to 0.83% of the funds' balances as of December 31, 2024. These fees reduce the rate of return to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.
