INDEPENDENT AUDITORS' REPORT

To the plan administrator of
All City Management Services, Inc. 401k Plan
Santa Fe Springs, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of All City Management Services, Inc. 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4(a) - Schedule of delinquent participant contributions for the year ended December 31, 2024 and Schedule H, Part IV, Line 4(i) - Schedule of assets (held at end of year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALL CITY MANAGEMENT SERVICES, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of All City Management Services, Inc. 401k Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan, established on January 1, 2014, covering the employees of All City Management Services, Inc. (the “Company” or “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments. The Company serves as the plan administrator and is responsible for oversight of the Plan as well as determining the appropriateness of the Plan’s investment offerings and monitoring of investment performance. The Plan’s record-keeper and custodian is Principal Life Insurance Company (the “Custodian”). An executive of the Plan Sponsor serves as the trustee to the Plan.

Eligibility

Employees of the Company are eligible to participate in the Plan after the attainment of age 21 and completion of either one year of service with 1,000 hours of service (“normal eligibility”) or three consecutive years of service each with 500 hours of service (“long-term part-time eligibility”). The Plan entry dates are January 1 or July 1 following attainment of the age and service requirements. Participants meeting the normal eligibility requirements are eligible for employer safe harbor matching contributions. To become eligible for employer profit-sharing contributions employees must complete at least 600 hours of service during the Plan year and be employed on the last day of the Plan year.

Contributions

Each year, participants may contribute up to 100% of their pre-tax eligible compensation, as defined by the Plan agreement, in an amount not in excess of the maximum allowed by the Internal Revenue Code (“IRC”). A participant may designate all or part of their elective contribution as a Roth, after tax basis, contribution. Participants who have reached age 50 as of the end of the Plan year are eligible to make catch-up contributions as defined by the IRC. Participants may also contribute amounts representing distributions (“rollovers”) from other qualified plans.

The Company makes safe harbor matching contributions equal to 100% of the participant’s contributions up to 4% of a participant’s eligible compensation. The Company may also make a discretionary profit-sharing contribution. The Company’s discretionary contributions to the Plan are allocated to each participant based on classification and a separate classification is identified on a per participant basis. The Company did not elect to make a discretionary profit-sharing contribution for the year ended December 31, 2024. Employer discretionary profit-sharing contributions for the year December 31, 2023 amounted to \$1,004,022, which is included in employer profit-sharing contributions receivable at December 31, 2023, and was remitted to the Plan during 2024.

In addition, the Company may make qualified non-elective contributions (“QNEC”). A QNEC is a discretionary, fully vested contribution. The Company may direct that QNECs be allocated specifically to designated non-highly compensated employees in varying percentages of compensation as permitted by law. Employer QNEC contributions receivable of \$47,064 and \$33,022 as of December 31, 2024 and 2023, respectively, represent corrective contributions for Plan administration errors in addition to lost earnings for delinquent participant contributions to the Plan.

ALL CITY MANAGEMENT SERVICES, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (continued)

Employer QNEC contributions amounting to \$20,162 for the year ended December 31, 2024 represent corrective contributions for Plan administration errors in addition to lost earnings for delinquent participant contributions to the Plan (Note 10).

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, the Company's safe harbor matching contributions, an allocation of the Company's QNEC, if any, an allocation of the Company's discretionary profit-sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to any of the investment options available under the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum number of outstanding loans during any point in time is one. The loans are secured by the balance in the participant's account. The interest rates on loans are determined by the prevailing interest rate charged by persons in the business of lending money for loans under similar circumstances, as defined. Loan terms shall not exceed five years, except for loans used for the purchase of a primary residence, in which case the terms may be for a period of up to fifteen years. Principal and interest is paid ratably through bi-weekly payroll deductions. Loans outstanding as of December 31, 2024 bore interest at rates between 8.25% and 10.50% per annum and loans outstanding as of December 31, 2023 bore interest at rates between 5.25% and 10.50% per annum. Loans outstanding as of December 31, 2024 mature through November 2029.

Vesting

Participants are vested immediately in their elective contributions, rollover contributions, employer safe harbor and QNEC contributions, plus actual earnings thereon. Vesting in the Company's profit-sharing contributions is based on continuous years of service. A year of service is defined as 1,000 hours within a Plan year. The vesting schedule is as follows:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 2 years | 0% |
| 2 years | 20% |
| 3 years | 40% |
| 4 years | 60% |
| 5 years | 80% |
| 6 years | 100% |

A participant is entitled to 100% of their balance upon retirement, death or disability.

ALL CITY MANAGEMENT SERVICES, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of benefits

On termination of service due to death, disability, retirement, or for other reasons specified by the Plan document, a participant (or beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or a direct transfer into another qualified plan that accepts transfers. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. In-service distributions are also permitted upon meeting certain requirements, as defined by the Plan.

Hardship withdrawals

A participant may be permitted to withdraw a portion or all of the balances of their individual account that is attributable to the participant's tax-deferred compensation (without earnings) for the reasons specified by and to the extent permitted under regulations issued by the Internal Revenue Service ("IRS").

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer contributions or to pay administrative expenses. During the year ended December 31, 2024, \$45,105 of forfeitures were applied to offset employer safe harbor matching contributions and \$1,668 of forfeitures were applied to offset administrative expenses. Unallocated forfeitures as of December 31, 2024 and 2023 amounted to \$5,860 and \$57, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments includes the Plan's gains and losses in investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess contributions payable

Excess contributions payable represents amounts payable to employees of the Plan Sponsor for contributions on ineligible compensation and contributions from ineligible participants due to Plan administration errors.

Payment of benefits

Benefits are recorded when paid.

Plan expenses

The majority of costs and expenses of administering the Plan are allocated and charged to participant accounts. The Plan permits the payment of plan expenses to be made from the Plan's assets. Certain administrative expenses of maintaining the Plan may be paid directly by the Company, which is a party-in-interest. These expenses would not be reflected in the financial statements and constitute exempt party-in-interest transactions under ERISA.

NOTE 3 - INVESTMENTS

The Plan assets were held by the Custodian, pursuant to the agreement which provides that all funds received by the Custodian shall be held, administered, invested and distributed by the Custodian, and that no part of the corpus or income shall be used for, or directed to, purposes other than for the exclusive benefit of participants or their beneficiaries.

In the statement of changes in net assets available for benefits, the Plan presents the net appreciation in the fair value of investments of \$298,048 which consists of realized gains or losses and unrealized market value changes of investments.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Collective investment trusts ("CIT"): Valued using the net asset value ("NAV"), which is based on the quoted market prices of the underlying securities of the funds. The unit price is based on the value of the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The CITs provide for daily redemptions by the Plan at reported NAV, with no advance notice requirements.

Pooled separate accounts: Valued at the NAV of units held by the Plan at year end. Participant transactions (purchases and sales) may occur daily. The investment option limits transfer activity. Once the number of allowed transfers is met, participants are not allowed to transfer back into an investment option which they have transferred out of until the holding period of 30 days lapses.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investment reflected on the schedule of assets (held at end of year).

NOTE 6 - PLAN TERMINATION

Although it is currently the intent of the Company to continue the Plan, the Company has the right under the Plan agreement to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan document is a non-standardized pre-approved profit sharing plan that received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan was in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The administrative fees paid by the Plan to parties-in-interest include account fees, third party fees for Plan administration and professional fees. Transactions with parties-in-interest qualify as exempt transactions. Fees incurred by the Plan for investment management services and certain Custodian fees were included in net appreciation in fair value of investments. The Plan Sponsor pays directly any other fees related to the Plan's operations. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Notes receivable from participants also reflect exempt party-in-interest transactions.

NOTE 10 - PROHIBITED TRANSACTIONS

During the years ended December 31, 2021 to 2024, the Plan failed to comply with the regulations concerning the timely remittance of participants' contributions to the trust containing assets for the Plan. Accordingly, participants' contributions, including loan repayments, totaling \$183,459 were remitted to the Plan late as described in the supplemental schedule (Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions). The principal amount of the contributions has been remitted to the Plan, however, in order to complete the correction, lost earnings must also be remitted by the Plan Sponsor. The Plan Sponsor remitted the lost earnings to the Plan related to the years ended December 31, 2021 and 2022 during 2024 and lost earnings to the Plan related to the years ended December 31, 2023 during 2025. The Company intends to remit lost earnings to the Plan related to the year ended December 31, 2024 during 2025.

NOTE 11 - SUBSEQUENT EVENTS

Effective January 1, 2025, the Plan Sponsor amended the provisions Plan to remove the hours of service vesting requirement for employer profit-sharing contributions.

Effective April 14, 2025, the Plan's assets were transferred from Principal Life Insurance Company to Ascensus Trust in connection with a change in plan recordkeeper and custodian. The transfer of approximately \$3,626,000 was treated as a transfer of Plan assets.

Subsequent events have been evaluated by the Plan through October 13, 2025, which is the date the financial statements were available to be issued.
