## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators  
Human Active Technology, LLC  
401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Human Active Technology, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Human Active Technology, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Human Active Technology, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Active Technology, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Human Active Technology, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Active Technology, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

---

**1. Description of Plan**

The following description of the Human Active Technology, LLC 401(k) Profit Sharing Plan, formerly Innovative Office Products, LLC 401(k) Profit Sharing Plan, (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution plan covering substantially all employees of Human Active Technology, LLC, Ergotech Group, LLC, HAT Contract, LLC, Compucaddy LLC, and SIS Ergo, LLC (the "Company" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

Effective March 1, 2017, an eligible employee becomes a participant in the Plan on the first day of the calendar month following employment and with no minimum age requirement. Formerly, an eligible employee became a participant in the Plan on the first day of the calendar month after completion of 60 consecutive days of employment. If the employee does not make an affirmative or negative election to participate, they will be automatically enrolled in the Plan at an initial period elective deferral of 3% of compensation, with their contributions invested in a designated fund until changed by the participant. Participant elective deferrals automatically increase 1% annually up to a maximum of 15% of compensation. Participants must opt out of the increase yearly if they are contributing less than the 15%.

Contributions

There are several types of contributions that can be added to a participant's account: an employee salary deferral contribution, an employee Roth elective deferral, an employer safe harbor matching contribution, an employer discretionary matching contribution, and an employer profit sharing contribution.

Each year, participants may contribute up to 90% of pretax annual compensation as defined by the Plan up to the maximum limits of the Internal Revenue Code ("IRC"). Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions to the Plan are recorded in the period that payroll deductions are made from participants.

Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain limitations. Participants may change their deferral election at times (per pay period) throughout the year as defined in the plan document.

**1. Description of Plan (Continued)**

Contributions (Continued)

During 2023 the Employer elected to make a safe harbor matching contribution of 100% of employee contributions up to 2% of participants' eligible compensation plus 50% of the amount employees contribute exceeding 2% of eligible compensation but that does not exceed 5% of eligible compensation. As of August 1, 2023, the Plan was amended to suspend the employer safe harbor matching contribution and the Employer adopted an employer discretionary matching contribution determined on a semi-annual basis. The Company did not make any discretionary matching contributions in 2023. During the plan year 2024, the Company made discretionary matching contributions equal to 100% of the amount of eligible participants' elective deferrals, up to 2% of the participants' compensation in both semi-annual periods. The Employer may also make, at the sole discretion of its Board of Directors, additional discretionary profit sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, any rollover contributions, and allocations of (a) the Company's safe harbor contribution (b) the Company's discretionary profit-sharing contribution (c) the Company's discretionary matching contribution and (d) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately and fully in their salary deferral account, qualified non-elective contribution account, and rollover account regardless of the number of years of service.

Employees are credited with a year of service for each plan year during which they have at least 1,000 hours of service. The vested interest in participant accounts upon termination from employment, other than by retirement, disability, or death, vest as disclosed below.

The vested interest in the safe harbor matching contribution account and the employer discretionary matching contribution is dependent upon the years of credited service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 Years	0%
2 Years or more	100%

**1. Description of Plan (Continued)**

*Vesting (Continued)*

The profit sharing contribution account is dependent upon the years of credited service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 Year	0%
2 Years	25%
3 Years	50%
4 Years	75%
5 Years or more	100%

*Notes Receivable from Participants*

Participants may borrow, from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at fixed rates. Principal and interest is paid ratably through payroll deductions over a period of up to five years. A participant may only have one loan outstanding at any time.

*Payment of Benefits*

On termination of service due to death, disability, retirement, or other reasons, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in their account. In addition, the Plan did not allow for hardship distributions in 2024 or 2023.

*Forfeiture Accounts*

Forfeited non-vested accounts totaled \$3,949 and \$19,606 at December 31, 2024 and 2023, respectively. These accounts may be used to reduce future employer safe harbor contributions and employer discretionary matching contributions or to pay Plan expenses. During the years ended December 31, 2024 and 2023, forfeitures applied to employer discretionary match contributions were \$35,000 and \$-0-, respectively. During the years ended December 31, 2024 and 2023, forfeitures applied to administrative expenses were \$17,417 and \$20,075 respectively.

*Plan Amendments*

Effective August 1, 2023, the Plan was amended to remove the existing QACA safe harbor matching contribution and alternatively, established a discretionary matching contribution whereby the employer may make a discretionary matching contribution for eligible participants, determined on a semi-annual basis at the sole discretion of its Board of Directors.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**2. Summary of Significant Accounting Policies**

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold, as well as held during the year.

*Investment Fees*

Net investment returns reflect certain fees paid by the investment funds to their affiliated investment advisors, transfer agents, and others as further described in each fund prospectus or other published documents. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus are not separately identifiable as an expense.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

**2. Summary of Accounting Policies (Continued)**

*Benefit Payments*

Benefit payments to participants are recorded when paid.

*Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment-related expenses are included in net appreciation in fair value of investments.

**3. Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosure*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- |         |  |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.  |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• Quoted prices for similar assets or liabilities in active markets;</li><li>• Quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• Inputs other than quoted prices that are observable for the asset or liability;</li><li>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.  |

NOTES TO FINANCIAL STATEMENTS

**3. Fair Value Measurements (Continued)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Investments classified within Level 3 whose fair value measurements consider several inputs may include Level 1 and/or Level 2 inputs as components of the overall fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31,			
<b><u>2024</u></b>	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 14,904,973	\$ -	\$ -	\$ 14,904,973
Total Assets at Fair Value	\$ 14,904,973	\$ -	\$ -	\$ 14,904,973
	<b><u>2023</u></b>			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 12,791,563	\$ -	\$ -	\$ 12,791,563

**4. Investment Contract with Insurance Company**

The Plan has a fully benefit-responsive investment contract for MetLife Stable Value Series 25053 (formerly Series 25157) with Reliance Trust Company. The value of the contract at December 31, 2024 and 2023 was \$646,197 and \$695,264, respectively. Reliance Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate to the Plan. The crediting interest rate is reviewed on a quarterly basis.

Because the guaranteed investment contracts were fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by Reliance Trust Company, represent contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options, (3) the agreement with the issuer is breached, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

**5. Information Certified by Custodian**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023 and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the plan administrator who has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and certified as complete and accurate by Ascensus Trust Company, the custodian of the Plan.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental Schedule of Assets (Held at End of Year).

**6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

**7. Tax Status**

The Company adopted a Prototype Non-standardized Profit-Sharing Plan with CODA which received favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020. Although the Plan has been amended since receiving the determination letter, the Company believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. Transactions with Parties in Interest**

Certain routine plan administrative expenses are incurred and/or paid by the plan sponsor. Notes receivable from participants also qualify as exempt transactions with parties-in-interest. Other than the aforementioned, the Plan has no agreements or transactions with parties in interest.

**9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

**10. Subsequent Events**

Management has evaluated subsequent events through October 3, 2025, the date the financial statements were available to be issued and has determined that, with the exception of the items noted below, no material subsequent events exist that require recognition or disclosure.

Effective April 30, 2025 – HAT Agent LLC assumed sponsorship of the Human Active Technology LLC 401(k) Plan, with a new sponsor EIN number.

Effective June 2, 2025, the Plan sponsor changed back to Human Active Technology, LLC retaining the HAT Agent LLC EIN.

Effective July 1, 2025, the Plan now allows in-Plan Roth transfers and in-service withdrawals to be taken, upon the attainment of age 59 ½, from all accounts. Additionally, the employer discretionary matching contribution no longer has the requirement for a participant to be employed on the last day of the year and is now determined based upon each pay period instead of semi-annually.
