INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustee of
Hospitality Group, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hospitality Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hospitality Group, LLC 401(k) Plan's financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hospitality Group, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hospitality Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hospitality Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hospitality Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at year end) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees, to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOSPITALITY GROUP, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan

The following description of the Hospitality Group, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, established January 1, 1997, is a defined contribution plan covering all employees of Hospitality Group, LLC (the "Employer"). Employees who have reached 21 years of age and have completed one year of service, as defined by the Plan document, are eligible to participate in the Plan. Participants may enroll in the Plan on January 1 or July 1 after satisfying eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Restatement

Effective January 1, 2022, the Plan was restated in order to incorporate recent Plan amendments and to bring the Plan up to date with changes in applicable laws in order to comply with the rules and regulations of the Internal Revenue Service. The restated Plan document obtained an updated opinion letter dated June 30, 2020, in which the Internal Revenue service stated that the Plan is in compliance with the applicable requirements of the Internal Revenue Code. There were no significant changes to Plan provisions with the restatement.

Contributions

Participants may contribute up to 100% of their annual compensation not to exceed the limit set by the Internal Revenue Code, which was \$22,500 in 2023 and \$20,500 in 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to an additional \$7,500 in 2023 and \$6,500 in 2022. Participants may also contribute amounts representing distributions from other qualified retirement plans. Compensation is defined as total compensation subject to income tax, excluding reimbursements and other expense allowances, fringe benefits (cash and non-cash), moving expenses, deferred compensation, and welfare benefits, and including any salary reduction contributions.

The Plan provides for discretionary Employer matching contributions. For the years ended December 31, 2023 and 2022, the Employer matched 25% of deferrals up to 6% of a participant's compensation. In addition to the Employer matching contributions, the Employer may provide an additional discretionary profit sharing contribution. Unless termination is due to death, disability, or retirement, participants must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year to receive an allocation of the Employer profit sharing contribution. Allocation of the profit sharing contribution is based on the ratio that participants' compensation bears to the total compensation of all eligible participants. The Employer did not make any additional discretionary profit-sharing contributions during 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer's matching contributions, as well as the Employer's additional profit-sharing contributions and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant account balances as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HOSPITALITY GROUP, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Vesting

Participants are immediately vested in their contributions, and any earnings thereon. Vesting in the portion of their account attributable to the Employer's matching contributions and discretionary profit-sharing contributions is based on each participant's years of service. A participant is 100% vested after six years of service based on a graduated vesting schedule. A participant will also become fully vested upon death, disability, or retirement at age 65 or older.

<u>Years of Service</u>	<u>Percentage</u>
Less than 2 years	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts at a minimum of \$1,000 and a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance during the preceding 12-month period, or 50 percent of the participant's vested account balance. All notes are required to be repaid within five years of the note's origination or up to ten years if the note is used for the purchase of a principal residence. The full amount of any note must be secured by the participant's vested account balance. The interest rate on any loan will be prime rate plus 1% on the date of origination and shall continue for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

Investment Options

Upon enrollment in the Plan, a participant may elect to have any portion of their account allocated to the investment options under the Plan. Investments may be among funds established by the Plan administrator or participants may have a segregated account. Participants may change their investment selections at any time. The Plan currently offers 7 John Hancock investment fund models which are comprised of 60 pooled separate accounts as investment options for participants, or participants may have a self-directed brokerage account.

Forfeitures

The non-vested portion of a participant's account to which they are not entitled upon termination is deemed a forfeiture. Forfeitures are first used to restore participant balances previously forfeited and any remaining amounts may be used to pay Plan administrative expenses, and lastly to reduce Employer contributions. Forfeited non-vested accounts totaled \$1,548 and \$10 at December 31, 2023 and 2022, respectively. Forfeitures of \$1,124 and \$2,169, were utilized to pay Plan administrative expenses during 2023 and 2022, respectively.

HOSPITALITY GROUP, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Payment of Benefits

Upon termination of service, death, disability, or retirement a participant may elect to receive payments of his or her vested account balance in a lump-sum distribution. The Plan may elect to make a mandatory distribution of account balances that are \$1,000 or less. If the account balance exceeds \$1,000 on the date of termination, a participant may leave the account under the Plan until the participant reaches normal retirement age or dies. In-service distributions after a participant's attainment of age 59 ½ are permitted. The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan administrators to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of additions and deductions during the reporting period, and disclosure of contingent assets and liabilities. The Plan's most significant estimate relates to the valuation of investments and it is reasonably possible that a change could occur in the near-term. Actual results could differ from those estimates.

Notes Receivable From Participants

Note receivable from participants are measured at their unpaid principle balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

HOSPITALITY GROUP, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Payments of Benefits

Benefits are recorded when paid.

Reclassifications

Certain reclassifications have been made to the 2022 financial statements in order to confirm with the 2023 presentation.

Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through July 8, 2024, the date these financial statements were available to be issued.

Note 3: Plan Termination

Although it has not expressed any intent to do so, except as noted below, the Employer has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in the Employer matching and profit sharing contributions portion of their account. Employee contributions and their related earnings are always fully vested.

Note 4: Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2023:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>Assets:</u>				
Participant-Directed Brokerage Account	\$ 780,000	\$ -	\$ -	\$ 780,000

Investments at fair value	<u>\$ 3,270,996</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 780,000</u>

HOSPITALITY GROUP, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Participant-Directed Brokerage Account	\$ 1,033,868	\$ -	\$ -	\$ 1,033,868
Investments Measured at Net Asset Value	<u>2,015,113</u>	<u>-</u>	<u>-</u>	<u>-</u>
Investments at fair value	<u>\$ 3,048,981</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,033,868</u>

The following section describes the valuation methodologies the Plan uses to measure financial instruments at fair value:

Pooled Separate Accounts (PSAs) – Valued based on the underlying investments, (i.e. money market funds, common stock, mutual funds, short term securities). While the majority of the underlying assets values are based on quoted prices, the net asset value (NAV) of the pooled separate account is not publicly quoted. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices. The PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

Participant-Directed Brokerage Account – Account is comprised of cash and private equity common stock. The fair value of the private equity common stock held by the Plan is valued at fair value based upon an independent appraisal. This appraisal was based upon a combination of the market and income valuation techniques consistent with prior years. The appraiser took into account unobservable inputs such as historical and projected cash flow and net income, return on assets, return on equity, market comparables, and fair value of the company's assets and liabilities. Plan management has concluded that a market participant would also recognize a discount for lack of marketability.

The valuation process involves the selection of an independent appraiser. The appraiser accumulates data from the audited financial statements and projected financial information of the private equity company. The appraiser prepares a preliminary report which the Employer's management and Board of Directors, reviews in detail, discusses and approves. The results of this process are documented in an annual valuation report provided by the appraiser. There were no level 3 purchases, issuances, and transfers in/out during 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net change in fair value of investments in the statements of changes in net assets available for benefits. The Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation (depreciation) of the investments held at the end of the year) appreciated in value by \$32,831 in 2023, and depreciated in value by (\$140,179) in 2022.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 5: Income Tax Status

The Plan adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by Friday, Eldredge & Clark, LLP. The volume submitter plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes that the Plan and the related Trust are currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 6: Party-in-Interest

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such person.

Frost, PLLC is the third-party administrator. John Hancock Life Insurance Company and Charles Schwab processes and maintains the records of the participant data and holds the Plan assets. Millennium Capital Advisors, LLC serves as an advisor to the Plan. They are by definition parties-in-interest and, as a result, these transactions qualify as party-in-interest transactions. The Plan paid \$21,161 and \$22,270 for investment management, administrative and other fees during the years ended December 31, 2023 and 2022, respectively. These transactions are exempt from being prohibited transactions under ERISA.

Note 7: Information Prepared and Certified by the Custodian

Certain investments are held by John Hancock Life Insurance Company, the custodian. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the following information was certified by the custodian as complete and accurate and was not subjected to any audit procedures except for comparing the information with the related information included in the financial statements and supplementary schedules.

- Pooled separate accounts as shown in the accompanying statements of net assets available for benefits of \$2,490,996 and \$2,015,113 for the years ended December 31, 2023 and 2022, respectively.
- Net change in fair value of the pooled separate accounts which is included in the accompanying statements of changes in net assets available for benefits of \$286,331 and (\$335,180) for the years ended December 31, 2023 and 2022, respectively.
- All investment transactions, excluding transactions that originated from participant-directed brokerage accounts held outside of the Plan's custodian, during the years ended December 31, 2023 and 2022.

HOSPITALITY GROUP, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

- Notes receivable from participants as shown in the accompanying statements of net assets available for benefits of \$30,716 and \$31,530 and interest income from notes receivable from participants in the accompanying statements of changes in net assets available for benefits of \$2,201 and \$2,385 for the years ended December 31, 2023 and 2022, respectively.
- The information included in the supplementary schedules, excluding participant-directed brokerage accounts held outside of the Plan's custodian, in the amount of \$2,523,260 and \$2,046,653 as of December 31, 2023 and 2022, respectively.

Note 8: Corrective Distributions Payable

The Plan failed the discrimination test for the year ended December 31, 2023 and 2022. Excess contributions amounting to \$12,615 and \$5,061 were recorded as a liability in the accompanying statements of net assets available for benefits and as corrective distributions in the statements of changes in net assets available for benefits as of and for the year ended December 31, 2023 and 2022. The Plan reimbursed the excess contributions to its participants subsequent to the Plan years then ending and prior to the IRS deadline.

Note 9: Reconciliation of Financial Statements to Form 5500

Certain amounts reported in the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements. These differences are due to different presentation of Plan contributions and investment income but have no effect on the net assets of the Plan.
