## INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees and Plan Administrator of  
Prestige Services, Inc. Profit Sharing and Savings Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Prestige Services, Inc. Profit Sharing and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Prestige Services, Inc. Profit Sharing and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Prestige Services, Inc. Profit Sharing and Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule of assets (held at the end of the year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**1. DESCRIPTION OF PLAN**

***General***

The Prestige Services, Inc. Profit Sharing and Savings Plan (the Plan) was originally established on April 26, 1996. The Plan is sponsored by Prestige Services, Inc. (the Company). The following brief description of the Plan is provided for general informational purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering substantially all of the employees of the Company. Effective January 1, 2020 and July 1, 2023, Twin Bridges Waste & Recycling, LLC and Scott Earl Holdings, LLC, respectively, were added to the Plan as participating employers (see below regarding Twin Bridges Waste & Recycling, LLC). The Plan currently does not have any age or service requirements that must be met in order for an employee to become eligible to participate in the Plan and make elective deferrals or to receive Company matching contributions. An employee is eligible to enter the Plan and begin making deferral contributions and receiving the Company's matching contribution on the date of his or her employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

***Partial Plan Termination***

In August 2023, Twin Bridges Waste & Recycling, LLC (TBWR), a participating employer in the Plan, was sold along with its parent company to an unrelated party. As a result of the sale of TBWR, there was a significant decrease in the number of participants in the Plan, and the Plan experienced a partial plan termination as defined by ERISA. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. If a partial plan termination occurs, full vesting in the employer's contribution is required for all of the affected participants, but the remaining participants' vesting continues to be determined per the Plan's provisions.

All affected employees who were participants in the Plan became fully vested in their account balances at the date of the partial plan termination. Affected participants were given the option of leaving their account with the Plan or having it distributed out to either themselves or to another qualified retirement plan.

***Contributions***

Each year, participants may contribute pre-tax or post-tax annual compensation as defined in the plan document, subject to certain limitations. The maximum participant deferral for the years ended December 31, 2024 and 2023, was \$23,000 and \$22,500, respectively. Participants age 50 and over are also permitted to make additional "catch-up" contributions of \$7,500 for both 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions, and the Company's matching contributions, if any, into various investment options offered by the Plan.

The Company may, at its discretion, match a portion of a participant's contributions. For the years ended December 31, 2024 and 2023, the Company matched the lesser of 50% of an eligible participant's elective deferrals or 1.5% of their eligible compensation. The Company's matching contribution is remitted to the Plan in the subsequent year and therefore is accrued at the end of December 31, 2024 and 2023 in the accompanying statements of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**1. DESCRIPTION OF PLAN**

***Participant Accounts***

The Plan allows each participant to select the investments in their individual account. Each participant's account is credited with the participant's contribution, the Company's matching contribution, if any, and allocations of (a) investment earnings and losses, and (b) administrative expenses. Allocations are based on (a) participant's individual investment selections or (b) account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Forfeited Accounts***

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$21,987 and \$7,598, respectively. These accounts must be used first to reduce any non-elective Company contribution, then future Company matching contributions, and lastly, reduce administrative expenses of the Plan.

For the years ended December 31, 2024 and 2023, \$7,919 and \$15,403, respectively, of forfeitures were used to reduce Company matching contributions. For both 2024 and 2023, no forfeitures were used to pay administrative expenses of the Plan.

***Vesting***

Participants are vested immediately in their contributions plus actual earnings (losses) thereon. Vesting in the Company's matching contribution portion of their accounts is based on years of continuous service and is the earlier of the vesting schedule below or plan termination, the occurrence of normal retirement age (65), death, or disability.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

***Payment of Benefits***

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in their account, either in a lump sum amount or a series of payments, subject to limitations. If the vested portion of a participant's account balance is \$1,000 or less, this amount will be paid as a lump sum distribution as soon as possible following termination, retirement, disability, or to the beneficiary following death. Normal retirement under the Plan is 65 years of age. There are no provisions for early retirement. Hardship withdrawals of elective deferrals and the participant's vested portion of the Company's matching contributions portion of their account are allowed as defined by the Plan. The Plan also permits in-service distributions after attaining age 59½.

**DECEMBER 31, 2024 AND 2023**

**1. DESCRIPTION OF PLAN**

***Administrative Expenses***

Certain administrative expenses of the Plan are paid for by the Company, while participant transaction fees are charged directly to participant accounts as incurred.

***Investment Options***

The Plan's provisions allow participants to make their own investment elections with the Plan's investment manager, American Funds. A participant may direct their contributions, and the Company's matching contribution, to any of the registered investment companies (mutual funds) or money market fund offered by the Plan.

Participants may change their investment options at any time by contacting the investment manager or via their online account.

***Fee Credit Arrangement***

The Plan has a fee credit arrangement with Capital Group Retirement Plan Services (CGRPS) whereby CGRPS receives service revenue from certain mutual fund companies and passes a portion of that revenue on to the Plan as a reduction in the recordkeeping fees that it charges the Plan. During the years ended December 31, 2024 and 2023, the Plan received \$3,334 and \$1,916, respectively, in plan fee credits.

**2. SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from sale of investments, and the net change in the unrealized appreciation (depreciation) of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

***Benefits***

Payments of benefits are recorded when paid.

**PRESTIGE SERVICES, INC. PROFIT SHARING AND SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**2. SIGNIFICANT ACCOUNTING POLICIES**

*Reclassifications*

During the year ended December 31, 2024, plan management determined that amounts related to the Plan's fee credit arrangement were netted against administrative expenses and participant transaction fees in the accompanying 2023 statement of changes in net assets available for benefits. These amounts, totaling \$1,916 have been reclassified to fee credit income to conform to the current year financial statement presentation. The net increase in net assets available for benefits for the year ended December 31, 2023, was not impacted by this reclassification.

**3. RISKS AND UNCERTAINTIES**

The Plan invests in investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participant account balances and amounts reported in the statements of net assets available for benefits.

**4. INCOME TAX STATUS**

The underlying standardized prototype plan has received an opinion from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2005-6 and Announcement 2001-77, the plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS prototype plan opinion letter.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The prototype plan has been amended to comply with recent legislation. However, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Generally accepted accounting principles in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**5. INFORMATION CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, the Plan's Trustee has certified to the completeness and accuracy of all of the investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years then ended. In addition, Capital Bank and Trust Company has certified to the completeness and accuracy of the investments reflected in the accompanying schedule of assets (held at end of year) as of December 31, 2024.

**PRESTIGE SERVICES, INC. PROFIT SHARING AND SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**5. INFORMATION CERTIFIED BY THE TRUSTEE**

The following is a summary of the Plan's investment information as of December 31:

	<u>2024</u>	<u>2023</u>
Registered investment companies (mutual funds)	\$ 4,881,374	\$ 4,009,975
Money market fund	111,865	161,486
Net appreciation in fair value of mutual funds	337,860	566,861
Interest and dividend income	218,149	114,450

**6. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active and/or inactive markets.
  - Inputs other than quoted prices that are observable for the asset or liability.
  - Inputs that are derived principally from, or corroborated, by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Registered investment companies (mutual funds) and money market funds: Fair value based on quoted prices in active markets at year end.

**PRESTIGE SERVICES, INC. PROFIT SHARING AND SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**6. FAIR VALUE MEASUREMENTS**

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of assets measured on a recurring basis at December 31 are as follows:

	<u>Level 1</u>	<u>Total</u>
<u>December 31, 2024</u>		
Registered Investment Companies (Mutual Funds)	\$ 4,881,374	\$ 4,881,374
Money Market Funds	111,865	111,865
Total Investments, at Fair Value	<u>\$ 4,993,239</u>	<u>\$ 4,993,239</u>
<u>December 31, 2023</u>		
Registered Investment Companies (Mutual Funds)	\$ 4,009,975	\$ 4,009,975
Money Market Funds	161,486	161,486
Total Investments, at Fair Value	<u>\$ 4,171,461</u>	<u>\$ 4,171,461</u>

**7. PLAN TERMINATION**

Except as discussed in Note 1 regarding the partial plan termination that occurred during 2023, the Company, while it has not expressed any other intent to do so, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the plan document and ERISA. In the event that the Plan terminates, participants will become 100% vested in the Company's matching contribution portion of their accounts, and the net assets of the Plan will be allocated as prescribed by the plan document and ERISA. Upon termination of the Plan, the Trustee will continue to hold the plan assets and will make distributions of the plan benefits in accordance with the instructions of the plan administrator and the Plan's provisions.
