**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees  
Teamsters and Employers Welfare Trust of Illinois

**Opinion**

We have audited the accompanying financial statements of Teamsters and Employers Welfare Trust of Illinois, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Teamsters and Employers Welfare Trust of Illinois as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teamsters and Employers Welfare Trust of Illinois and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions, or events, considered in the aggregate, that raise substantial doubt about Teamsters and Employers Welfare Trust of Illinois' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provision, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters and Employers Welfare Trust of Illinois' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters and Employers Welfare Trust of Illinois' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investment at end of the year are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

TEAMSTERS AND EMPLOYERS WELFARE TRUST OF ILLINOIS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of the Teamsters and Employers Welfare Trust of Illinois (the Plan) provides only general information. Participants should refer to the summary plan descriptions to determine which benefits are available to them. The Plan's legal counsel has informed the trustees that the trust is a single Plan with two summary plan descriptions.

*General*

The Plan provides health and welfare benefits to participants of various Teamster employers. The Plan and related trust were established May 1, 1970, pursuant to a collective bargaining agreement between the Teamsters and Employers Welfare Trust of Illinois and the Chauffeurs and Helpers of Local Union 50, 279, 525, 627 and 916 and certain other affiliated employer groups. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

*Benefits – Applicable to Plan's I-IV*

The Plan provides health benefits (disability, major medical, life insurance, dental and vision) covering all employees and their dependents for which certain criteria have been met or employer or member contributions have been made. Retired employees are entitled to similar health benefits provided they have attained at least age 57, meet certain years of service requirements, are eligible to receive benefits the day before retirement, make the required self-payments, and the fund received a specified amount of prior contributions on their behalf.

The specific benefits available are detailed in the summary plan description.

*Benefits – Applicable to Enhanced Plan*

The Plan provides health (disability, major medical, life insurance, dental and vision), legal, and educational benefits covering Local 916 employees and their dependents for which certain criteria have been met or employer or member contributions have been made.

The specific benefits available are detailed in the summary plan description.

*Contributions – Applicable to Plan's I-IV*

Participating employers contribute a monthly amount depending on the coverage elected pursuant to the current collective bargaining agreement with the unions. Employees and retirees may contribute specified amounts to extend their coverage under COBRA or after retirement until age 65. The costs of the postretirement benefit plan are shared by the Plan's participating employers and retirees. Retirees contribute a flat monthly rate, which was set in 1993 and has remained unchanged.

TEAMSTERS AND EMPLOYERS WELFARE TRUST OF ILLINOIS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

*Contributions – Applicable to Enhanced Plan*

The State of Illinois contributes a monthly amount pursuant to the current collective bargaining agreement with Local 916. Employees may contribute specified amounts to extend their coverage under COBRA.

*Insured Benefits*

Insured benefits are provided by insurance contracts purchased by the Plan, such as life insurance, accidental death and dismemberment.

*Experience – Rated Contracts*

Certain insurance contracts are subject to experience-rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total of claims paid, and fees charged by the insurance company) are determined by the insurance company in the following year and may result in a premium surplus or deficit.

*Stop Loss Coverage*

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

*All other Plan Benefits are Self-Insured*

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's trust.

*Pharmacy Manager*

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

*Termination of Plan*

The Plan's Trustees, as Sponsor, have the right under the Plan to modify the benefits provided to participants. The Plan may be terminated if the Trustees consider the trust fund inadequate to meet current and future obligations or by action of the Union and Employer group.

TEAMSTERS AND EMPLOYERS WELFARE TRUST OF ILLINOIS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting*

The financial statements of the Plan are prepared using the accrual basis of accounting.

*Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Benefits*

Benefits are recorded when paid by the Plan. Claims paid by the claims processor prior to year-end are not reimbursed by the plan as of year-end are recorded as claims payable.

*Postretirement Benefits – Applicable to Retiree Plan's I-III*

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees' service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current Plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with the participating employers. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Plan's participating employees and from existing Plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligations determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost date to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The Plan's Trustees, as Sponsor, have the right under the Plan to terminate postretirement benefits at any time.

*Other Plan Benefits*

Plan liabilities for estimated health claims incurred but not reported are computed by the Plan's consultant and are based on a review of direct claims paid during the year and subsequent to the end of the year, including the average amount of claims paid per month and the average time between when a claim is incurred and when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

*Collection Policies*

The Trustees have a collection policy and review delinquent contributions on a regular basis. Employers are required to have a bond or letter of credit. The Trustees engage legal counsel to pursue the collection of delinquent contributions and in addition require payroll audits of contributing employers. The allowance for doubtful accounts has not been recorded since it is considered immaterial to the financial statements.

*Reclassifications*

Certain accounts relating to the prior year have been restated to conform to the current year presentation. The reclassifications have no effect on the increase in net assets.

*Subsequent Events*

Subsequent events have been evaluated through the date of the independent accountant's audit report, which is date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1     Inputs are quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date (for example, prices derived from NYSE, NASDAQ and the Chicago Board of Trade). If a Level 1 is available for a particular investment, it must be used to value that investment.
  
- Level 2     Inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset, either directly or indirectly. Observable inputs are those that reflect the assumptions market participants would use in pricing the asset developed on market data obtained from sources independent of the Plan (e.g., matrix pricing, yield curves and indices).
  
- Level 3     Inputs are unobservable inputs for the asset. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed, based on the best information available in the circumstances (e.g., investment manager pricing for private placements, private equities and hedge funds).

3. FAIR VALUE MEASUREMENTS (continued)

The custodian uses an outside pricing service to value securities:

Registered investment companies are valued at quoted prices on public exchanges.

Treasury bills and corporate bonds prices and negotiable certificates of deposits are determined by trades in dealer markets, comparison to similar securities and interest rate indexes.

Non-negotiable Certificates of Deposit and cash investments are valued at cost by the custodian. These are not considered securities and therefore are not included in the leveling tables.

The levels of fair value for the investments are as follows for December 31, 2024 and 2023:

	DECEMBER 31, 2024			TOTAL
	LEVEL 1	LEVEL 2	LEVEL 3	
Cash and Equivalents	\$ 5,285,756	\$ -0-	\$ -0-	\$ 5,285,756

4. BENEFIT OBLIGATION

The weighted-average health care cost-trend rate assumption (see Note 2) has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increased by one percentage in each year, it would increase the obligation as follows:

	December 31,	
	2024	2023
Accumulated Post Retirement Obligation	\$11,495,822	\$11,818,114
Increase	840,357	891,429
Increased by 1% Trend Rate	\$12,336,179	\$12,709,543

5. TERMINATION PROCEDURES

In the event of termination, the Trustees shall continue to apply the funds available to the obligations and purposes of this Trust until all such funds are exhausted, whereupon this entire Trust shall be terminated, and the Trustees shall be discharged from their duties and obligations. Under no circumstances shall any portion of the fund directly or indirectly revert or accrue to the benefit of any contributing employer or to the union.

6. INCOME TAXES

The trust established under the Plan to hold the Plan’s assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code and, accordingly, the Trust’s net investment income is exempt from income taxes.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023

8. PARTIES IN INTEREST

The Plan engages numerous third-party service providers to provide claims processing, recordkeeping, actuarial, legal consulting and other services to the Plan. The trustees believe these arrangements are exempt under ERISA.

The largest service providers fees included in administrative expenses were the following:

	December 31,	
	2024	2023
Zenith American Solutions	\$1,236,382	\$2,294,412
Blue Cross Blue Shield	\$1,469,630	\$1,563,214

The Pharmacy Benefit Manager has not charged fees to the Plan but receives rebates that it has declined to disclose to the trustees.
