United Collection Bureau, Inc. Savings Plan and Trust

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of United Collection Bureau, Inc. Savings Plan and Trust, (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule of Assets are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **United Collection Bureau, Inc. Savings Plan and Trust**

## **Notes to Financial Statements**

**December 31, 2024 and 2023**

### **1. Description of Plan**

The following summary description of the United Collection Bureau, Inc. Savings Plan and Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information on the provisions and operation of the Plan.

#### **General**

The Plan is a defined contribution plan which covers all eligible employees of the plan sponsor, United Collection Bureau, Inc. (the "Company") and its wholly-owned United States subsidiary, Isolutions, Inc. as well as an affiliated limited liability companies, Rickard Properties LLC. Employees must be at least 21 years of age and have completed one month of service in the year ending December 31. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan’s Administrative Committee (“Committee”) is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan’s investment offerings, reviews investment performance, and monitors the operations of the Plan.

#### **Trust Agreement**

Assets of the Plan at December 31, 2024 and 2023 are held for safekeeping and investment by the Trustee, Capital Bank and Trust Company (“Trustee”), under an agreement with the Trustee.

#### **Contributions**

Participants may contribute annually up to 80% of pretax annual compensation, exclusive of insurance reimbursements, not to exceed \$23,000 in 2024 (\$22,500 in 2023). In addition, participants over age 50 can make a “catch-up” contribution up to \$7,500 in 2024 and 2023. Participants can choose pre-tax contributions, after-tax Roth 401(k) contributions, or a combination of the two types of contributions and may also contribute amounts representing distributions from other qualified defined contribution plans and/or certain individual retirement accounts. The Company makes matching contributions equal to 15% of the first 6% of base compensation that a participant contributes to the Plan. The Company may also contribute an additional contribution to the Plan equal to a discretionary percentage determined annually by the Company. The Company did not make any discretionary contributions in 2024 and 2023.

Contributions received from participants for 2024 and 2023 are net of excess contributions payable of \$18,267 and \$14,069, respectively, to certain active participants for excess deferral contributions as required to satisfy the relevant non-discrimination provisions of the Plan. These amounts are paid in the year subsequent to the contribution and have been reflected as a liability in the statement of net assets available for benefits at December 31, 2024 and 2023.

#### **Participant Accounts**

Each participant account is credited with the participant’s contribution and allocations of the Company’s contribution and Plan earnings. Allocations of Plan earnings are based on participant account balances, as defined in the Plan. It is at the discretion of participants to direct and modify investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### **1. Description of Plan - continued**

##### **Vesting**

Participant contributions to the Plan plus actual earnings thereon are vested immediately. The Company's matching contribution and discretionary contribution portion plus actual earnings thereon are vested based on years of service. A participant is vested 20% after two years of service, vesting by 20% for each additional year of service up to 100% vesting after the sixth year of service.

##### **Investments**

The Plan holds its investments under a trust agreement with the Trustee at December 31, 2024 and 2023 to serve as a custodian of the investments held on behalf of participants. The Plan allows for investment of a participant's account balance in 26 different mutual fund investment options (28 in 2023) and participants may change their investment options at any time throughout the year.

##### **Notes Receivable from Participants**

Participants may borrow from their accounts up to 50% of the total vested account balance, or \$50,000. The minimum loan amount is \$1,000. Loan transactions are accounted for as a transfer between the investment fund and the Participant Loan fund. Loan terms range from one to five years. The loans are secured by 50% of the vested balance in the participant's account and bear interest at the prime rate plus 1% (8.5% at December 31, 2024) at the date the loan is issued. Principal and interest is paid ratably through payroll deductions.

Under U.S. Department of Labor regulations, the Plan must identify each calendar quarter any participant loan in default. The participant has until the end of the following quarter to pay the overdue amounts. If not paid, a taxable distribution of the unpaid participant loan balance plus accrued interest will be declared.

##### **Benefit Payments**

On termination of service due to death, disability, or normal retirement or for other reasons (including hardship), a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments over a specified period of time, or a joint and survivor annuity. In addition, participants who have reached age 59 ½ have the option of withdrawing all or part of their vested account balance at any time.

##### **Forfeitures**

When certain termination of Plan participants occurs, the nonvested portion of the participant's accounts represents a forfeiture as defined in the Plan. These amounts can be used to reduce Company contributions or pay Plan administrative expenses. At December 31, 2024 and 2023, there were unapplied forfeited accounts of \$36,222 and \$55,134, respectively. In 2024 and 2023, \$5,189 and \$2,690 of forfeitures were used as Company contributions, respectively.

##### **Administrative Expenses**

All of the administrative expenses, unless paid by the Company at its discretion, are paid by the Plan or by using forfeitures.

##### **Compensation Recapture Account**

In accordance with an agreement with the Plan's Advisor, Venture Visionary Partners, LLC, commissions received from 12b-1 fees related to mutual fund transactions are deposited into the Plan's Compensation Recapture Account rather than being paid directly to the Plan Advisor. Plan Advisor fees are paid from the Compensation Recapture Account and any remaining fees received are used by the Plan to pay other direct and necessary expenses of the Plan or reallocated to participants. Commissions deposited into the Compensation Recapture Account amounted to \$27,612 and \$35,679 for the years ended December 31, 2024 and 2023, respectively, and are reflected as net appreciation in fair value of investments at December 31, 2024 and 2023, respectively.

#### **2. Summary of Accounting Policies**

##### **Basis of Accounting**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

##### **Investment Valuation and Income Recognition**

Shares of mutual funds are valued at quoted market prices in active market which represent the net asset value of shares held by the Plan at year end. Interest and dividend income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

##### **Benefit Payments**

Payments of benefits are recorded when paid.

##### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### **Notes Receivable from Participants**

Participant loans are classified as notes receivable from participants and measured at unpaid principal balance plus accrued interest. Delinquent loans are treated as distributions based on the terms of the Plan.

#### **2. Summary of Accounting Policies - continued**

##### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, liquidity and overall market volatility. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participants' individual account balances.

##### **Subsequent Events**

The Plan has evaluated subsequent events for potential recognition and/or disclosure in the December 31, 2024 financial statements through October 3, 2025, the date financial statements are available to be issued, and has determined there were no subsequent events that require disclosure under FASB Accounting Standards Codification 855, *Subsequent Events*.

#### **3. Information Certified by the Trustee (Unaudited)**

The following information related to investments, notes receivable from participants, interest and dividends, and net appreciation (depreciation) in fair value of investments included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 by the Trustee as of December 31, 2024 and 2023 and for the years then ended:

**4. Fair Value Information**

Accounting principles generally accepted in the United States define fair value, establishes a framework for measuring fair value using a three-tier hierarchy and requires certain fair value disclosures. The following is a list of the different levels in the fair value hierarchy based on the data and/or methods used to determine fair value:

- Level 1: Quoted market prices in active markets for identical assets or liabilities
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data for substantially the full term of the asset or liability
- Level 3: Unobservable inputs that may be supported by little or no market activity and reflects management’s assumptions that are significant to the measurement of fair value

The asset’s or liability’s fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes those assets measured at fair value on a recurring basis at December 31, 2024 and 2023:

Mutual funds are valued at the year-end share price/net asset value as reported to the National Securities Clearing Corporation directly from the fund sponsor or a secondary pricing service.

#### 5. Plan Termination

While the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become 100% vested in their accounts.

#### 6. Tax Status

The Internal Revenue Service has determined and informed the Trustee, by letter dated December 31, 2018, that the prototype non-standardized profit-sharing plan, which serves as a basis for the Plan, and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress. The Plan is no longer subject to income tax examinations for Plan years prior to 2021.

#### 7. Party in Interest

Capital Bank & Trust is the Trustee as defined by the Plan. Fees paid by the Plan to the Trustee amounted to \$5,739 and \$3,738 for the years ended December 31, 2024 and 2023, respectively.
