## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of  
the LaFontaine Motors 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements LaFontaine Motors 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements** (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *Supplemental Schedules Required by ERISA*

The supplemental schedules, Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, and Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of the LaFontaine Motors 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution profit sharing plan and trust with a qualified cash or deferred 401(k) arrangement. The defined contribution profit sharing plan was established by LaFontaine Motors, Inc. (the “Company” or “Plan Administrator”) on February 1, 1991. Participation in the Plan is discretionary for all eligible employees who have attained the age of 19 and have completed 90 days of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). There are currently twenty-three participating employers in the Plan consisting of separate dealerships and management companies who are part of a controlled group with common ownership. Each company is considered a separate employer and all eligible employees at any of these companies may participate in the Plan.

Ascensus, Inc. was the trustee of the Plan until April of 2023 when the Plan was transferred to Empower Annuity Insurance Company of America and Empower Trust Company. The trustee invests all employee and employer contributions, as well as earnings thereon, pursuant to the terms of the Plan.

The Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022 (the SECURE Act 2.0) was signed into law December 29, 2022. This law, among other things, includes several required and optional provisions that will impact employee benefit plans that go into effect at various times through 2027. The provisions that were required to be implemented during the year ended December 31, 2024 are; 1) pre-death RMDs are not required from Roth accounts, 2) surviving spouse can elect to be treated as deceased employee for purposes of RMD rules, 3) correction period for employee deferral failures is extended to 9 ½ months after the end of the Plan year in which the error was made. The optional provisions that could be implemented during the year ended December 31, 2024 are; 1) the ability to offer non-highly compensated employees an emergency savings account, 2) to increase the cash-out balance to \$7,000, 3) to allow distributions for domestic abuse victims, 4) to allow for emergency expense distribution of up to \$1,000 and 5) to allow auto portability of amounts that were rolled into an IRA due to cash out rules to be rolled into a new employer's plan.

The Plan has elected to adopt two of the optional provisions of the Secure Act 2.0 during the 2024 plan year related to the increase of the cash-out balance to \$7,000 and to allow distributions for domestic abuse victims. The Plan will be amended for any provisions elected in accordance with applicable law and IRS guidance.

**LAFONTAINE MOTORS 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN (Continued)**

**Contributions**

The Plan allows participants to elect to defer a portion of their compensation up to the maximum amount currently allowed by law, plus catch-up contributions as allowed for by the Internal Revenue Service (IRS) and the plan agreement. The amount of the participant's deferred compensation is treated as a participant elective contribution, allocated to that participant's elective account, and is 100% vested at the time of contribution. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. In addition, the Plan has included an auto-escalation provision whereby all participants in the Plan will have their deferral increased by 1% each plan year up to a maximum of 7%. The employer has elected a matching contribution on behalf of each eligible participant equal to 20% of the first 1% of compensation, subject to certain IRS limits. Contributions are accumulated and invested, as directed by participants, in a trust fund held by the trustee.

**Participant Accounts**

Each participant's account is credited with an allocation of (a) the Company's contribution; (b) the employees' voluntary contributions, transfer contributions, and rollover contributions; (c) forfeitures of terminated participants' non-vested accounts; and (d) plan earnings. The accounts are charged for any withdrawals, distributions, and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

The Plan provides that participants have no vested interest in the Company contributions until they have completed one year of service, at which time participants become 20% vested. Vesting increases by 20% each year up to 100% after five years of service. Participants are fully vested immediately with respect to employee contributions, rollovers and earnings thereon.

**Forfeited Accounts**

Forfeitures attributable to matching contributions are applied against employer matching contributions or against plan expenses. There were forfeitures of non-vested accounts of \$188,860 and \$158,185 during the years ended December 31, 2024 and 2023, respectively.

**Investments**

Participants direct the investment of their contributions under options offered by the Plan.

**LAFONTAINE MOTORS 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN (Continued)**

**Payment of Vested Benefits**

On termination of service due to death, disability or retirement, participants may elect to receive an amount equal to the value of the vested interest in their accounts in either a lump sum amount or in installments, depending on the size of the participant's account balance at the time of termination. Early retirement provisions exist for participants retiring after age 55. Participants with a vested account balance of less than \$5,000 must take a lump-sum distribution or roll it over into an IRA. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump sum distribution.

In-service distributions are allowed when a participant reaches age 59½. Rollover contributions may be withdrawn at any time. The Company may authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements. At December 31, 2024, there were no requested distributions that had not been paid as of the Plan year end.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the vested balance in the participant's account. The maximum is reduced by the participant's highest outstanding loan balance during the last 12 months. Loan transactions are treated as participant directed investments. Loan terms range from one to five years and participants are limited to two outstanding loans at any given time. Loan terms may exceed five years only in the event the loan proceeds are used to purchase or construct the participant's principal residence. Loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 10%, which are commensurate with local prevailing rates as determined by the plan trustee. Principal and interest is paid ratably through payroll deductions.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payments of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in administrative expenses in the statement of changes in net assets available for benefits. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan.

**LAFONTAINE MOTORS 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 2 – SUMMARY OF ACCOUNTING POLICIES**

The following is a summary of certain accounting policies followed in the preparation of these financial statements.

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Payment of Benefits**

Benefits are recorded when paid.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the loans are reclassified as distributions based upon the terms of the plan document.

**Subsequent Events**

The Plan's management has performed a review of events subsequent to the Statement of Net Assets Available for Benefits date through October 2, 2025, the date the financials were available to be issued.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

ASC topic, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC topic, Fair Value Measurements are described as follows:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2            Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liabilities;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**LAFONTAINE MOTORS 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value or certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value at:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 55,832,833</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 55,832,833</u>
	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 46,437,194</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 46,437,194</u>

**NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan holds a traditional fully benefit-responsive investment contract with Empower totaling \$431,185 and \$515,046 as of December 31, 2024 and 2023, respectively. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate will be determined prior to the last day of the previous calendar quarter. The guaranteed investment contract does not permit the insurance company to terminate the agreement without a 60-day notification period or at termination of the plan.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)**

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**NOTE 5 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Ascensus Trust Company and Empower Annuity Insurance Company of America and Empower Trust Company.

**NOTE 6 – DELINQUENT CONTRIBUTIONS**

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of \$48,839 were not remitted within the required time period. Those remittances relate to 2024 payroll periods. The Company is in the process of remitting any lost earnings on the delinquent employee contributions. Amounts have not been determined or recorded in the Plan's financial statements as of December 31, 2024.

**NOTE 7 – TAX STATUS**

The Plan currently uses a prototype non-standardized profit-sharing plan sponsored by Empower Retirement, LLC received an opinion letter from the IRS, dated November 14, 2022, which states that aforementioned prototype plan satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself is not required to and has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to examination by the Internal Revenue Service for the statutory period.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

**NOTE 9 – PARTY-IN-INTEREST TRANSACTION**

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. During the year ended December 31, 2024, there were direct fees of \$226,906 for these services and there were transactions involving the investment of plan assets in investment funds maintained by Empower Life & Annuity Insurance Company and Ascensus, LLC, parties-in-interest as defined in Section 3(14) of ERISA. Indirect fees paid by the Plan for investment management services are included in the net depreciation in fair value of investments.

**NOTE 10 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend, modify, terminate or partially terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested and the net assets would be distributed to the participants according to the participant's account balances.
