Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

F.A. Bartlett Tree Expert Co. Health Benefits Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the F.A. Bartlett Tree Expert Co. Health Benefits Plan (Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from management.

General

The F.A. Bartlett Tree Expert Co. (the Company) adopted the Plan for its employees. The Plan provides health and death benefits covering all qualified active employees who elect to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees oversees governance of the Plan.

The Plan allows for full-time employees within a class of eligible employees working at least 30 hours a week to elect to participate in the Plan. A full-time employee becomes eligible to join the Plan on the first of the month following 60 days of active service. An employee may elect to have coverage provided to his or her dependents. Coverage begins on the later of the date the employee elects to participate or the first day the employee satisfies the eligibility requirements.

Benefits are processed and a network of preferred providers is managed by Connecticut General Life Insurance Company (CIGNA) under contract to the Plan.

Benefits

The Plan provides health benefits (medical, dental, and prescription drugs), life insurance, short and long-term disability benefits, and accidental death and dismemberment benefits to qualified employees of the Company and to their beneficiaries and covered dependents. Benefits will cease on the earliest of the date on which a participant is no longer employed by the Company, the last day for which the participant has made required contributions, or the date the Plan is terminated. In the event of a temporary layoff or leave of absence, coverage may be provided for up to three months past the last date of the active service. The Plan also provides a continuation of health coverage as required under the Consolidated Omnibus Budget Reconciliation Act (COBRA) to participants and beneficiaries who experience a COBRA qualifying event. The Plan does not provide any type of post-retirement benefits.

Insured Benefits

The Plan fully insures the life insurance benefits. Premiums for these benefits above are paid to the insurance company from the general assets of the Company.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

The claims for self-insured benefits are processed by the Plans' third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

F.A. Bartlett Tree Expert Co. Health Benefits Plan

Notes to Financial Statements

Employer Contributions

The Company periodically contributes funds to (a) pay benefits as claims are processed, (b) make payments for insurance premiums and (c) pay administrative costs. All Company contributions are made in cash. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Participant Contributions

Participants contribute specified amounts based on their respective benefit elections as determined annually by the plan trustees. Participant contributions are made through payroll deductions or by direct payment by the participant. Specified terms of coverage, participant eligibility and contribution rates are determined annually by the plan trustees with the information disseminated to all Company personnel.

Insurance Premiums

The Company pays insurance premiums to certain insurance carriers for the Plan's fully insured arrangements under the Plan. The Company also pays stop-loss insurance premiums for its self-insured medical arrangement under the Plan.

Third-Party Administrators

The Company utilizes third-party administrators for the administration of the Plan's self-insured benefits, for the collection and management of COBRA contributions to the Plan. However, the responsibility for payment of benefits is retained by the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all non-interest-bearing cash deposits to be cash or cash equivalents.

Administrator Cash Account

The Plan has a bank account that is managed by CIGNA to pay benefit claims on behalf of the Plan. CIGNA requires that the Plan maintain a bank balance of \$350,000 in the bank account. The bank account balance at December 31, 2024 and 2023 was \$548,710 and \$240,334, respectively. On January 2, 2024, the Plan transferred \$267,637 into the account increasing the bank balance from \$240,334 to \$507,971.

Notes to Financial Statements

Payment of Benefits

Premiums paid by the Company are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Stop Loss

Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop loss refunds totaling \$236,119 and \$2,048,571 for the years ended December 31, 2024 and 2023, respectively, have been netted with claims paid in the accompanying statement of changes in net assets available for benefits.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling \$1,165,520 and \$1,199,300 for the years ended December 31, 2024 and 2023, respectively have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.

Management's Review of Subsequent Events

Management has evaluated subsequent events for the Plan through October 10, 2025, the date the financial statements were available to be issued.

Note 3. Claims Payable and Claims Incurred but not Reported

Plan obligations at December 31, 2024 and 2023 for claims payable and claims incurred but not reported are estimated by the Plan's management based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Note 4. Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Note 5. Tax Status

The Plan received an exemption letter from the Internal Revenue Service (IRS) dated May 22, 1979, stating that the Plan is tax exempt under the provisions of Section 501(c)(9) of the IRC.

In addition, the Plan is required to operate in conformity with the IRC to maintain the tax-exempt status of the Plan. Plan management believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore believes that the related trust is tax-exempt.

F.A. Bartlett Tree Expert Co. Health Benefits Plan

Notes to Financial Statements

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Plan has the right to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Employer or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 7. Related Party-in-Interest Transactions

The Company paid certain expenses on behalf of the Plan. For the years ended December 31, 2024, and 2023, the following services totaling \$2,496,478 and \$2,117,367, respectively, were paid by the Company and are included as employer contributions and expenses in the statements of changes in net assets available for benefits:

	2024	2023
CIGNA - In-network administration services	\$ 765,537	\$ 1,011,426
Administrative services	40,000	30,000
	805,537	1,041,426
CIGNA - stop-loss insurance premiums	1,538,614	927,369
Life insurance coverage	152,327	148,572
Total	\$ 2,496,478	\$ 2,117,367

The Plan has arrangements with service providers. These transactions are considered party-in-interest transactions under ERISA.

Note 8. Risks and Uncertainties

The Plan's benefit obligations as of December 31, 2024 and 2023, for benefit claims payable and benefit claims incurred by participants but not reported at that date are estimated based on analyzing claim lag studies. Such amounts are reported at an undiscounted amount because amounts typically are payable within one year. Any differences in the amounts estimated and actual amounts will be reported in future years. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.
