### INDEPENDENT AUDITOR'S REPORT

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **Affiliated Foods, Inc. Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the Financial Statements**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters**

##### ***Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, Part IV 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**AFFILIATED FOODS, INC.  
PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of Affiliated Foods, Inc. Profit Sharing Plan (the Plan) is provided for general information purposes only. For more complete information, participants should refer to the current Plan agreement.

**General**

The Plan is a defined contribution plan, which provides for the participation of the employees of Affiliated Foods, Inc. and its subsidiaries (the Company), who have completed one year of service and attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). Under the Plan, each participant has an account for his/her salary deferral contributions, Company matching contributions and any Company discretionary contributions.

**John Hancock Life Insurance Company** serves as the Plan's investment custodian and recordkeeper, and is responsible for executing all investment transactions.

**Contributions**

Participants may make salary deferral contributions through payroll deductions of not less than 1% but not more than 100% of their compensation (limited to certain amounts allowed under the IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, the Company makes matching contributions which are applied to active participants who made salary deferral contributions to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Plan has elected Safe Harbor and the Company matches 100% of each employee's contribution up to a maximum of 3% of compensation earned for the first level and up to 50% of each employee's contribution up to a maximum of 5% of compensation earned for the second level. Participant and Company contributions are subject to the provisions of the IRC and related regulations.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes Receivable from Participants**

Any participant may apply for a loan from his/her vested account under the Plan. The Plan Advisory Committee establishes rules and regulations with respect to the amount of loans and interest rates. Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Principal and interest is paid ratably through payroll deductions. The loans are secured by the balance in the participant's account and bear normal market interest rates. Interest rates on outstanding participant loans at December 31, 2024 ranged from 5.25% to 10.50%.

**PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF PLAN** (continued)

**Vesting**

Participants are immediately vested in their salary deferral contributions and Company safe harbor matching contributions plus actual earnings thereon. Participants vest in Company discretionary contributions, if any, plus actual earnings thereon gradually from their 2nd year of service (20%) through their 6th year of service (100%).

**Forfeited Accounts**

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$0 and \$0, respectively. These accounts may be utilized to reduce the Plan's ordinary and necessary administrative expenses or to reduce Company matching contributions to participants.

**Payment of Benefits**

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his/her account, or annual, quarterly, or monthly installments over a specified period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution.

**Investment Management**

Upon enrollment in the Plan, a participant may direct his/her contributions in any of the investment options currently available as determined and selected by the Plan Advisory Committee. Participants may change their investment allocations daily, via phone or internet access to the Plan's investment custodian, John Hancock.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Advisory Committee determines the Plan's valuation policies utilizing information provided by the investment custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

**Contributions**

Participant contributions and employer matching contributions are recognized during the period in which the respective payroll deductions are made.

**Payment of Benefits**

Benefit payments are recorded when paid.

**Administrative Expenses**

Except for the contract administration fees charged by John Hancock Life Insurance Company, all other administrative costs are absorbed by the Company and are not reflected in these financial statements.

**Subsequent Events**

The Plan Administrator has evaluated subsequent events through October 9, 2025, the date the financial statements were available to be issued.

**NOTE 3 - INFORMATION CERTIFIED BY JOHN HANCOCK LIFE INSURANCE COMPANY**

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets at December 31:

	<u>2024</u>	<u>2023</u>
Investments at fair value:		
Pooled separate accounts	\$48,561,499	\$43,046,294
Notes receivable from participants	\$ 1,820,841	\$ 1,753,673

John Hancock Life Insurance Company also certified to the completeness and accuracy of \$5,496,844 of net appreciation in fair value of investments and \$153,279 of interest on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2024.

**AFFILIATED FOODS, INC.**  
**PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 4 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts and the Plan assets will be distributed in a manner approved by the Internal Revenue Service.

**NOTE 5 - INCOME TAX STATUS**

The Plan has not received a determination letter on their adoption of the pre-approved plan. In accordance with Revenue Procedure 2003-6, the Plan Administrator has chosen to rely on the advisory letter, dated June 30, 2020 that has been issued to the pre-approved plan. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2021.

**NOTE 6 - INVESTMENTS**

Investments in pooled separate accounts (PSA's) are valued based on the NAV of participation units held through sub-accounts of an insurance company. The NAV is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying securities in the PSA's which consist of securities listed on national securities exchanges. The Plan has investments in PSA's that invest in securities of large capitalization companies, non-U.S. and U.S. equity securities, and small companies. The funds seek to achieve long-term capital appreciation with various degrees of risk by investment, primarily in securities of emerging or other growth-oriented companies. For all the PSA's, the redemption frequency is daily and there are no unfunded commitments. The investments are redeemable at the adjusted net asset value under agreements with the insurance company. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

**NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain Plan investments and all participant loans are managed by John Hancock Life Insurance Company, the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

**AFFILIATED FOODS, INC.**  
**PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST** (continued)

Amarillo National Bank (ANB) is the trustee to the plan and the plan paid ANB \$60,000 in trustee fees, therefore, these transactions qualify as party in interest transactions.

John Hancock Life Insurance Company provides certain administrative services to the Plan pursuant to a Recordkeeping Agreement (RA) between the Company and John Hancock Life Insurance Company. John Hancock Life Insurance Company receives revenue from mutual fund service providers for services John Hancock Life Insurance Company provides to the funds. This revenue is used to offset certain amounts owed to John Hancock Life Insurance Company for its administrative services to the Plan.

If the revenue received by John Hancock Life Insurance Company from such mutual fund service providers exceeds the amount owed under the RA, John Hancock Life Insurance Company remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2024, there was \$0 in excess revenue that was credited back to the Plan and allocated to participants. The Plan or Plan Sponsor may make a payment to John Hancock Life Insurance Company for administrative expenses not covered by revenue sharing.

**NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.
