INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Mid-Atlantic Women's Care, P.L.C. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mid-Atlantic Women's Care, P.L.C Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN:

The following description of the Mid-Atlantic Women's Care, P.L.C. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan, established on January 1, 1997, is a defined contribution profit sharing plan and Safe Harbor 401(k) Plan sponsored by Mid-Atlantic Women's Care, P.L.C. (the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was restated on January 1, 2022 to comply with current laws.

Eligibility. An eligible participant, as defined by the Plan, is eligible to participate in the Plan upon attainment of age twenty-one and the completion of nine months of service. The entry dates into the Plan are the first day of the first and seventh month of the Plan year following meeting eligibility requirements. In addition, a one-time entry date will be allowed for employees of each new care center that joins the Plan Sponsor who have met the Plan's eligibility requirements as of the effective date of such partnership agreement.

Contributions. Each year, participants may contribute pre-tax salary deferrals and/or Roth deferrals not to exceed the maximum limits set by the Internal Revenue Service ("IRS"). Participants who are 50 years of age or older by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company makes a safe harbor nonelective contribution to the Plan in an amount equal to 3% of the participant's eligible Plan compensation for the Plan year, up to the maximum limit set by the IRS. The Plan allows for discretionary matching contributions as determined by the Company. In addition, profit sharing contributions may be contributed at the option of the Company.

Automatic Deferral Election. The Plan has an automatic enrollment feature. Under this feature, employees are automatically enrolled in the Plan and 6% of their eligible Plan compensation, as defined in the Plan, is contributed to the Plan. Employees have the option to modify or opt out of the automatic enrollment by completing a salary deferral election form with a different deferral amount or by specifically electing not to defer.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and charged with withdrawals and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Investment Options. Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a series of varied risk mutual funds, personal choice retirement accounts, and collective investment trusts as investment options for participants. As of December 31, 2021, the Plan was also invested in a limited partnership.

Vesting. Participants are immediately vested in their contributions, rollovers, and the Plan Sponsor's safe harbor matching contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary contributions and discretionary matching contributions, plus actual earnings thereon, is based on a 6 year graded vesting schedule. Participants are 100% vested in the Plan once they have completed 6 years of service.

Notes Receivable From Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms generally cannot exceed five years from the date of the loan. Participants may be able to enter into a longer loan period if the loan is for the purchase of a principal residence. The loans are collateralized by the balance in the participant's account and bear interest at a rate equal to the prime rate at the time of loan application plus 1%. Principal and interest are paid ratably through payroll deductions. Interest from loan is recognized when earned.

Payment of Benefits. Upon termination, if a participant's total vested account balance under the Plan is between \$1,000 and \$5,000 as of the distribution date and they do not consent to a distribution of their vested account balance, the vested benefit automatically will be rolled over to an Individual Retirement Account selected by the Plan Administrator. Participant's whose total vested account balance exceeds \$5,000 will not receive a distribution from the Plan without their consent. For participant's whose vested account balance is \$1,000 or less as of the distribution date, their entire vested benefit will be distributed in a lump sum payout, even if the participant does not consent to a distribution.

Forfeited Accounts. Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances is first used to pay for Plan expenses. Should any forfeitures remain after paying for Plan expenses, such forfeited amounts will be used to offset other employer contributions under the Plan for the Plan year in which the forfeiture occurred. There was a forfeiture balance of \$38 and \$4,109 as of December 31, 2024 and 2023, respectively.

Administrative Expenses. Administrative expenses of the Plan are paid by the Plan or Plan Sponsor, as provided by the Plan document.

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting. The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable From Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits. Benefit payments to participants are recorded when paid.

Income Taxes. The IRS has determined and informed the Plan's volume submitter on June 30, 2020, that the Prototype Non-standardized Profit Sharing Plan with cash or deferred arrangement, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized for the years ended December 31, 2024 and 2023.

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine tax audits by jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to informational return examinations for years prior to 2021.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodian as of and for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Mutual funds, at fair value	\$ 15,596,074	\$ 10,947,900
Personal choice retirement accounts, at fair value	\$ 10,277,242	\$ 8,427,926
Collective investment trusts, at fair value	\$ 77,650,903	\$ 82,365,195
Cash (noninterest-bearing)	\$ 90,118	\$ 275,120
Net appreciation in fair value of investments	\$ 11,621,649	\$ 14,590,528
Interest and dividends	\$ 863,886	\$ 389,212

4. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Level 2 Fair Value Measurements:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Personal choice retirement accounts: The personal choice retirement accounts are self-directed brokerage accounts allowing participants to make investments that are not included as one of the Plan's options. The personal choice retirement accounts invest in noninterest-bearing cash, common stock, mutual funds, unit investment trusts, government and corporate bonds, exchange traded funds, and annuities. Common stock represents investments in various companies. Common stock, mutual funds, unit investment trusts, government and corporate bonds, and exchange traded funds held by the personal choice retirement accounts are valued daily by the active market in which the asset is traded on based on the last trade price. These assets are deemed to be actively traded. Annuities held by the personal choice retirement accounts are valued based on their cash surrender value.

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Collective investment trusts: These funds are valued at the NAV per share of the individual collective trusts included in each respective fund, which is based on the fair value of the underlying net assets. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value.

Investments measured at the NAV practical expedient are summarized as follows:

	<u>2024</u> <u>Value</u>	<u>2023</u> <u>Value</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Collective investment trusts:				
Bond	\$ 195,880	\$ 178,053	Daily	None
Fixed income	818,013	868,766	Daily	None
Indexed equities	75,609,521	80,495,177	Daily	None
Large cap	<u>1,027,489</u>	<u>823,199</u>	Daily	None
Total	<u>\$ 77,650,903</u>	<u>\$ 82,365,195</u>		

There were no unfunded commitments for these investments as of December 31, 2024 and 2023.

The investment objectives for the registered investments measured using the net asset value are as follows:

Bond: Invests at least 80% of assets in debt securities of all types and repurchase agreements for those securities. This investment seeks a high level of current income.

Fixed income: Invests in a broad range of fixed income securities with high income yields, returns that outpace inflation, or returns that are designed to track a specified inflation index.

Indexed equities: Invests in a broad diversified group of common stock publicly traded in the United States, designed to replicate the return of a broad stock market index.

Large cap: Invests in large cap equity securities focused on companies in new and emerging areas of the economy with distinctive products or promising markets or large cap equity securities that are deemed undervalued by the fund's management team.

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Fair Value Measurements Using:</u>			
	<u>Total</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2024:</u>

* Certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Gains and losses (realized and unrealized) included in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation in fair value of investments.

5. PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by Charles Schwab Bank. Charles Schwab Bank is the Custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Wilco Life Insurance Company and Nassau Life Insurance Company also managed personal choice retirement accounts for the Plan; therefore, these transactions qualify as party-in-interest transactions. All assets held by Wilco Life Insurance Company and Nassau Life Insurance Company as of December 31, 2022 were transferred to Charles Schwab Bank during the year ended December 31, 2023.

The Plan's third-party administrator receives fees for various administrative services provided during the year. Fees paid using Plan assets during the years ended December 31, 2024 and 2023 for these services totaled \$80,249 and \$71,058, respectively. The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan Sponsor directly pays any other fees related to the Plan's operations.

Certain participants of the Plan have outstanding loans (notes receivable from participants) totaling \$266,765 and \$292,651 as of December 31, 2024 and 2023, respectively. These loans are considered party-in-interest transactions.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements.

MID-ATLANTIC WOMEN'S CARE, P.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

8. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through October 6, 2025, the date which the accompanying financial statements were available to be issued.

Effective September 2025, the Plan will transition its recordkeeping services to Fidelity as part of a multiple employer plan ("MEP") sponsored by the Unified Women's Healthcare, LP 401(k) Plan.

No other significant subsequent events have been identified by management.
