To the Board of Directors and Management  
Hall & Evans, LLC Employee Savings Plan

We have audited the financial statements of Hall & Evans, LLC Employee Savings Plan (the "Plan") as of and for the year ended December 31, 2024 and have issued our report thereon dated October 1, 2025. Professional standards require that we provide you with the following information related to our audit.

### **Our Responsibility Under U.S. Generally Accepted Auditing Standards**

As stated in our engagement letter dated July 8, 2025, we conducted our audit in accordance with professional standards except that, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we did not perform any auditing procedures with respect to certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, were audited by us in accordance with auditing standards generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of your responsibilities. As part of our audit, we considered the applicable internal controls of the Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

### **Planned Scope and Timing of the Audit**

We performed the audit according to the planned scope and timing previously communicated to you in our meeting about planning matters on July 9, 2025.

### **Significant Audit Findings**

#### ***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No significant new accounting policies were adopted, and the application of existing policies was not changed during 2024.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus.

We noted no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the Plan's valuation of investments.

Management has informed us that, in determining the appropriateness of the estimate of investment values, they have recorded the fair values based on market values provided by the investment custodian, plus any applicable valuation adjustments. We performed no specific procedures related to the valuation of the investments due to the scope and nature of an ERISA Section 103(a)(3)(C) audit, except for the self-directed brokerage account, in which we have performed tests of the estimate to satisfy ourselves as to its reasonableness in relation to the financial statements taken as a whole.

The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was the disclosure of the fair value leveling table in Note 5 to the financial statements, including estimates to the value of the Level 3 investment.

#### ***Difficulties Encountered in Performing the Audit***

We encountered no significant difficulties in performing and completing our audit.

#### ***Disagreements with Management***

For the purpose of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report.

We are pleased to report that no such disagreements arose during the course of our audit.

#### ***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

We did not detect any misstatements as a result of audit procedures.

#### ***Significant Findings or Issues***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards and plans and strategies that may affect the risks of material misstatement, with management each year prior to our retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition of our retention.

#### ***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated October 1, 2025.

**Form 5500 - Annual Return/Report of Employee Benefit Plan**

Our responsibility for Form 5500 does not extend beyond the financial statements, and we do not express an opinion or any form of assurance on Form 5500. However, we read the Plan's Form 5500 filing, and nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information or manner of its presentation appearing in the financial statements.

This information is intended solely for the use of the board of directors and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

## Independent Auditor's Report

To the Plan Administrator  
Hall & Evans, LLC Employee Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the financial statements of Hall & Evans, LLC Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator  
Hall & Evans, LLC Employee Savings Plan

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

To the Plan Administrator  
Hall & Evans, LLC Employee Savings Plan

**Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Note 1 - Plan Description

The following description of Hall & Evans, LLC Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all eligible contemporary full-time employees of Hall & Evans, LLC (the "Employer"). Employees become eligible on the first day of the month following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Administration**

Hall & Evans, LLC administers the Plan. Empower Trust Company, LLC (Empower) functions as trustee, and J.P. Morgan Asset Management maintains the Plan's records. The Plan's investments are invested in various investment options at the participant's election. In addition, participants may choose a participant self-directed account option through Charles Schwab and direct any investments as they choose other than defined exclusions. Charles Schwab is also a custodian of plan assets solely for the participant self-directed account assets. The Plan pays investment management fees and trustee fees in accordance with the plan agreement.

#### **Contributions**

The Plan provides for employee salary deferral contributions up to a maximum of 100 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. The Plan allows participants to contribute up to 100 percent of their compensation on an after-tax basis, subject to the maximum limitations established by the Internal Revenue Code. The employee combined contributions, either tax deferred or after tax, cannot exceed the limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan allows for profit-sharing contributions and additional discretionary contributions, which are approved by the Employer's management.

For the year ended December 31, 2024, the Employer made discretionary qualified nonelective contributions to the Plan equal to 1 percent of eligible annual compensation of participants totaling \$368,066. Discretionary percentages contributed by the Employer are determined each year.

For the year ended December 31, 2024, the Employer made a profit-sharing contribution for each participant in an amount equal to 3 percent of the participant's eligible compensation up to the Social Security taxable wage base, plus 6 percent of each participant's eligible compensation in excess of the Social Security taxable wage base, totaling \$919,449. Participants must have completed 1,000 work hours or must be employed at the end of the year to receive contributions for that plan year. Participants vest in the profit-sharing contribution and qualified nonelective contributions by completing 1,000 work hours during the plan year.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of the Employer's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

**Note 1 - Plan Description (Continued)**

***Vesting***

Participants are 100 percent vested in their voluntary and rollover contributions and income or loss thereon immediately, as well as any qualified nonelective contributions, provided eligibility requirements are met.

The Employer's profit-sharing and discretionary contributions, and the earnings and losses thereon, vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	- %
1	20
2	40
3	60
4	80
5	100

A participant's account becomes 100 percent vested upon death, attaining normal retirement age (the age of 65 or, if later, the fifth anniversary date of the first day of the plan year during which the participant entered the Plan) while an employee, retirement due to disability, or termination of the Plan.

***Participant Notes Receivable***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balances. Participants may have a maximum of two notes outstanding at any given time. The notes receivable are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.50 percent, which are commensurate with local prevailing rates determined periodically by the plan administrator, and have maturity dates through January 2037. Principal and interest are paid ratably through monthly payroll deductions. Upon termination of a participant from employment, the note shall continue to be payable in accordance with the provisions of the participant's loan or be due in full.

***Benefit Payments***

On termination of service due to death, disability, retirement, or termination of employment, a participant or his or her beneficiary may elect to receive, at his or her election, within a reasonable amount of time, a lump-sum amount, partial payment, or installment payments in the amount equal to the value of the participant's vested interest in his or her account.

The Plan allows in-service distributions and partial distributions to participants age 59½ or older who have not terminated employment. The Plan also provides for hardship withdrawals for defined hardship events. Furthermore, the Plan allows for terminated participant vested account balances of \$5,000 or less to be immediate lump-sum distributions, and they will be rolled out of the Plan into an IRA, unless the employee elects otherwise. The IRS has required minimum distributions once an employee reaches a certain age and is no longer employed by the Employer.

***Forfeitures***

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future employer contributions or to pay administrative expenses of the Plan. At December 31, 2024 and 2023, forfeited account balances totaled \$5,549 and \$1,718, respectively.

The Plan used \$55,342 for the year ended December 31, 2024 to reduce employer contributions and pay administrative expenses of the Plan.

**December 31, 2024 and 2023**

**Note 1 - Plan Description (Continued)**

***Party-in-interest Transactions***

The Plan provides for participant notes receivable, which are party-in-interest transactions that are exempt from prohibited transaction rules.

***Termination***

While it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA.

**Note 2 - Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting procedures generally accepted in the United States of America.

***Investment Valuation and Income Recognition***

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

***Participant Notes Receivable***

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

***Benefit Payments***

Benefits are recorded when paid.

***Administrative Expenses***

Various administrative costs are paid by the Employer and, therefore, are not reflected in the Plan's financial statements. Investment expenses incurred on behalf of participants with self-directed accounts are charged to those participants. Participants are responsible for paying the administrative expenses related to notes receivable, hardship distributions, qualified domestic relations order distributions, and terminated payout distributions.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

December 31, 2024 and 2023

### Note 2 - Summary of Significant Accounting Policies (Continued)

#### *Subsequent Events*

The financial statements and related disclosures include evaluation of events up through and including October 1, 2025, which is the date the financial statements were available to be issued.

### Note 3 - Certified Information

Empower Trust Company, LLC (the "Trustee") holds the Plan's investments, other than the self-directed investments held by Charles Schwab, and executes all related investment transactions. The investment balances and related investment results included in the accompanying financial statements and supplemental schedule of assets held at end of year, other than the self-directed investments, are based solely on information certified by the Trustee.

The Plan's investments in the self-directed brokerage option provided by Charles Schwab totaling \$10,415,277 and \$9,319,436 at December 31, 2024 and 2023, respectively, and related interest and dividend income of \$360,144 and net realized and unrealized gains on investments of \$601,961 for the year ended December 31, 2024 were not certified by the Trustee.

### Note 4 - Tax Status

The Plan uses a preapproved plan. The preapproved plan has received a favorable opinion letter from the Internal Revenue Service (IRS) indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

### Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

#### *Level 1*

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

#### *Level 2*

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

#### *Level 3*

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using the pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the assets. Significant Level 3 inputs include the amortized cost of a note receivable, which approximates fair value.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

**Note 5 - Fair Value Measurements (Continued)**

The following valuation methodologies have been used to value the Plan's investments:

**Mutual Funds and Money Market Fund**

Mutual funds and the money market fund are valued at quoted prices reported in active markets.

**Common Collective Trust Fund**

The common collective trust fund is valued at net asset value per share or its equivalent of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on these investments.

**Participant Self-directed Investments**

The Plan allows participants to invest in self-directed accounts. The participant self-directed accounts include various investments in publicly traded securities, which are valued at the quoted prices reported in active markets, and U.S. government securities, which are valued using quoted market prices in inactive markets; and a note receivable, which is valued at the amortized cost of the note.

The following tables present information about the Plan's assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:
