## Independent Auditor's Report

To the Plan Administrator and Management of  
the Norman's Nursery 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Norman's Nursery 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Norman's Nursery 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Norman's Nursery 401(k) Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Norman's Nursery 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Norman's Nursery 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Norman's Nursery 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Part IV, line 4a – Schedule of Delinquent Participant Contributions for the year ending December 31, 2024 and Schedule H, Part IV, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## NORMAN'S NURSERY 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### **Note 1 – Description of plan**

The following description of the Norman's Nursery, Inc. 401(k) Plan (the Plan) provides only general information. Norman's Nursery, Inc. is the Plan Sponsor (the Plan Sponsor). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor. The Plan was established by the Plan Sponsor on April 1, 1999 to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA).

The Plan was restated effective November 3, 2021, to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 and to implement hardship distribution provisions of the Bipartisan Budget Act of 2018 along with various other changes to eligibility. The IRS has determined and informed the plan sponsor by a letter dated June 30, 2020, that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was amended effective January 1, 2022, to modify the definition of compensation to include bonuses and exclude reimbursements or other expenses, allowances, fringe benefits (cash or non-cash), moving expenses, deferred compensation, and welfare benefits.

Effective April 8, 2020, the Plan Sponsor elected to implement certain provisions of the CARES Act for qualified participants and has not yet been amended as of the date these financial statements were issued.

The Plan has also implemented certain requirements by the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, delay the commencement date for required minimum distributions. Setting Every Community Up for Retirement Enhancement (SECURE) Act 2.0 was signed into law on Dec. 29, 2022, as part of the Consolidated Appropriations Act (CAA) of 2023. SECURE Act 2.0 builds on and expands the SECURE Act of 2019 to improve retirement-savings opportunities. Written amendments to the Plan to reflect any operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

#### Administration

Newport Trust Company was contracted to serve as the trustee, custodian, and recordkeeper of the Plan. Ascensus, LLC merged with Newport Group in 2022. Effective November 14, 2024, Ascensus Trust Company authorized Ascensus, LLC to act as Newport Trust Company's and Ascensus Trust's agent to certify the plan assets.

#### Investment options

The participant contributions and the Plan Sponsor matching contributions, if any, are allocated to the various investment options offered by the Plan as directed by the participants. The investment options for the year ended December 31, 2024 include registered investment companies and for the year ended December 31, 2023, investment options included registered investment companies and units in a common trust.

## NORMAN'S NURSERY 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

#### **Note 1 – Description of plan (continued)**

##### Eligibility and participation

Through November 2, 2021, employees of the Plan Sponsor that are 21 years of age and have completed one year of service are eligible to participate in the plan. Effective November 3, 2021, employees of the Plan Sponsor that are 18 years of age and have completed three months of service are eligible to participate in the plan. The Plan covers all employees except nonresident aliens who receive no U.S. earned income and employees who are included in a unit of collective bargaining. Through November 2, 2021, participants are able to enter into the Plan on the first day of the plan year or the first day of the seventh month of the plan year upon completing the former eligibility requirements. Effective November 3, 2021, participants are able to enter into the Plan on the first day of the following month upon meeting the three-month of service and 18 years of age requirements.

##### Participant accounts

Each participant's account is increased with the participant's contribution and an allocation of a) the Plan Sponsor's contribution and b) Plan earnings. Each participant's account is decreased by investment losses and depreciation in the value of investments, as well as withdrawals and distributions from their account. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Upon termination, employees may elect to keep their vested balance in the Plan.

##### Contributions

The Plan is a contributory plan whereby participants may contribute pre-tax annual compensation and/or Roth 401(k) contributions from 1% to 100% of their wages, not to exceed \$22,500 for 2024 and \$20,500 for 2023. Participants age 50 or older may elect to defer up to an additional \$7,500 and \$6,500 of "catch up" contributions to the Plan for 2024 and 2023, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan Sponsor may provide a match on employee contributions. The Plan Sponsor may also make discretionary matching contributions to the Plan. Effective July 1, 2018, the Plan began matching contributions of 50% of employee deferrals up to a maximum of 6% of employee wages. The Plan Sponsor contributed \$46,782 in matching contributions for the year ended December 31, 2024. The Plan allows for a non-elective discretionary contribution; no discretionary contributions were made in 2024 or 2023.

##### Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in employer matching or profit-sharing contributions and its earnings is based on years of continuous service and vest 20% after two years of service and increase 20% for each additional year of service, with 100% after 6 years of service.

##### Payment of benefits

Upon retirement, death, disability, or termination of service, a participant is entitled to receive, as benefits, a lump sum amount equal to the value of his/her account, distributed in accordance with the Plan. Benefits provided under this plan are neither insured nor guaranteed by the Plan Sponsor, by the Pension Benefit Guarantee Corporation, a federal governmental agency, nor under any state or federal law.

NORMAN'S NURSERY 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**Note 1 – Description of plan (continued)**

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance, not to exceed \$50,000 reduced by the highest outstanding loan balance during the prior 12-month period. Loan terms range from 1 year to a maximum of 5 years. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate published in the Wall Street Journal on the day of loan plus 1 percent through November 2, 2021 and plus 2 percent effective November 3, 2021. Interest rates on participant loans range from 4.25% to 10.50% for the year ending December 31, 2024 and 4.25% to 9.00% for the year ending December 31, 2023. The amount of the loan, plus interest, is amortized over the repayment period. Loans are repaid by payroll deductions or participant payments.

Forfeited accounts

Forfeited balances of terminated participating non-vested accounts may be used for administrative expenses and Plan Sponsor contributions to the Plan through November 2, 2021. Effective November 3, 2021, forfeited balances may be used to reduce future Plan Sponsor contributions. As of December 31, 2024 and 2023, the amount of forfeitures available was \$675 and \$28,272, respectively. During 2024 and 2023, \$39,130 and \$10,113 of forfeitures were used for Plan Sponsor administrative expenses and/or employer matching contributions, respectively.

**Note 2 – Summary of significant accounting policies**

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosures. Actual results could differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

Investment valuation and income recognition

Investments are measured at quoted prices in an active market and have been certified complete and accurate by Ascensus, LLC, an agent authorized by Ascensus Trust Company and Newport Trust Company, the Plan's custodian. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses.

## NORMAN'S NURSERY 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

#### **Note 2 – Summary of significant accounting policies (continued)**

##### Unallocated assets

The amount of assets not allocated to the participants' individual accounts as of December 31, 2024 and 2023, was \$24 and \$28,272, respectively, and are included in non-interest bearing cash as of December 31, 2024 and included in Vanguard Cash Reserves Federal Money as of December 31, 2023 on the statements of net assets available for benefits.

##### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

##### Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Fees paid by the Plan amounted to \$2,395 for the year ended December 31, 2024. Fees paid by the Plan Sponsor for administrative fees amounted to \$44,250 for the year ended December 31, 2024.

##### Corrective distributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS and for refunds of deferrals deposited before the participants were eligible are recorded as a liability in the amount of \$19,772 and \$61,309 with a corresponding addition to corrective distributions expense for the years ended December 31, 2024 and 2023, respectively. The Plan distributed the excess contributions to the applicable participants in February 2025 for 2024 and in August 2024 for 2023.

##### Subsequent events

Subsequent events have been evaluated by the Sponsor's management through October 3, 2025, the date these financial statements were available to be issued. No material subsequent events have occurred since December 31, 2024 that required recognition or additional disclosure in the current period financial statements.

#### **Note 3 – Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NORMAN'S NURSERY 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**Note 3 – Fair value measurements (continued)**

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2: Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2024 and 2023. The valuation methodology used for the assets measured at fair value is as follows:

*Shares of registered investment companies (Mutual funds):* Valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The shares of registered investment companies held by the Plan are deemed to be actively traded.

*Units of common trust fund:* Valued at the NAV of units of the common trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

**Note 4 – Information certified and provided by the trustee**

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and income information for the year ended December 31, 2024, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by Ascensus, LLC as an authorized representative of Ascensus Trust Company and Newport Trust Company and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Newport Trust Company, LLC through November 13, 2024, and Ascensus, LLC effective November 14, 2024, that information provided to the Plan Administrator by Ascensus, LLC related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets and income:

	2024	2023
Investments in registered investment companies	\$ 6,434,648	\$ 6,157,104

NORMAN'S NURSERY 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**Note 5 – Party in interest transactions**

Certain Plan investments are shares of mutual funds managed by Newport Trust Company, an Ascensus company. Newport Trust Company is the custodian, and therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan also holds notes receivable representing participant loans. Therefore, these transactions qualify as party in interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note 6 – Plan termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent vested in their employer contributions.

**Note 7 – Tax status**

The Plan has obtained a favorable determination letter from the Internal Revenue Service which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended and restated since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8 – Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 9 – Reconciliation of financial statements to Schedule H of Form 5500**
