<b>Part I</b>	<b>Asset and Liability Statement</b>
---------------	--------------------------------------

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

**INDEPENDENT AUDITOR'S REPORT**

To the Trustees of  
The Scout Executives' Alliance  
Irving, Texas

**Opinion**

We have audited the accompanying financial statements of The Scout Executives' Alliance (the "Plan"), which comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023 and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for plan benefits for the years then ended, in accordance with accounting principles generally accepted in the United States.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Scout Executives' Alliance and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

The following brief description of The Scout Executives' Alliance (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General - The purpose of this plan is to provide a medium through which the membership may, by a united effort, help in lightening the burden of the family of a deceased member. The plan is fully insured through term life policies with no cash value. Any commissioned professional, certified executive or professional-technical employee of a local or the National Council of the Boy Scouts of America (collectively referred to as "the BSA") employed or retired, is eligible for membership. Executive and administrative services are provided by employees of the BSA. Certain administrative expenses are paid to the BSA and include, but are not limited to, administration of all aspects of insurance registration and claims processing. The Plan is exempt from federal income tax in accordance with section 501(c)(9) of the Internal Revenue Code of 1986.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - Eligibility for membership in the Plan begins immediately upon employment in a commissioned professional, certified executive or professional-technical position with the BSA. Application for membership must be made during the 30 days following the date of initial eligibility or during the annual enrollment period each year. Application after five years of eligibility will not be accepted. Once membership is canceled, coverage will not be reinstated.

For retirees, if retirement date was on or before December 31, 2004, membership will be continued upon retirement from the BSA or a local council as defined in the Plan document. If retirement date is on or after January 1, 2005, and if retiree has at least 10 years of eligible employment, membership will be continued upon retirement from the BSA or local council as defined in the Plan document.

Contributions - Contributions to the Plan by participants are waived the first year. In the second year, monthly contributions are deducted from payroll based on salary levels. For 2024 and 2023, the monthly contributions for active members were \$.28 per \$1,000 of annual salary (maximum premium per month of \$32) and for retirees the monthly contribution amounted to \$.28 per \$1,000 of annual pension (maximum premium per month of \$17.50).

Administration - The Organization, as the Plan Administrator, may, at its discretion, pay the Plan's administrative expenses. Any Plan expenses not paid by the Organization will be paid by the Plan. The administrative and audit fees were paid by the Plan for years ended December 31, 2024 and 2023.

Plan Termination - Although it has not expressed any intent to do so, the Board of Trustees has the right to terminate the Plan.

NOTE A BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net investment gain or loss is included in the carrying value of related investments in the statements of net assets available for plan benefits and the changes in the net investment gain or loss are reflected in the statements of changes in net assets available for plan benefits.

Income and Expenses - Interest and dividend income is recorded as earned. All expenses incidental to the administration, termination or protection of the Plan, including but not limited to legal, accounting, and bank fees, shall be paid by the Plan.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan's assets are invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Accounts receivable are solely amounts owed to the Plan by the BSA for withholdings from active employee compensation payments and retired employee benefit payments.

Subsequent Events - The Company has evaluated subsequent events through June 5, 2025, the date the financial statements were available to be issued. No subsequent events occurred which require adjustment or disclosure to the financial statements at December 31, 2024.

NOTE B FEDERAL INCOME TAX STATUS

The Trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501 (c)(9) of the Internal Revenue Code and accordingly, is exempt from income taxes.

The Plan believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2024, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2021 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statements of changes in net assets available for plan benefits.

NOTE C INSURANCE

The Plan maintains a group term life insurance policy with MetLife whereby death benefits are paid by that company. The policy is a non-participating (fully insured) policy. At December 31, 2024 and 2023, approximately \$52,410,000 and \$53,290,000, respectively, of insurance was in force. The benefit for employed members is \$20,000 and the benefit for retired members is \$10,000. Benefits paid by MetLife for deaths occurring in 2024 and 2023 aggregated \$570,000 and \$440,000, respectively.

NOTE D RELATED PARTY TRANSACTIONS

Certain administrative expenses are paid to the BSA and totaled \$12,000 for the years ended December 31, 2024 and 2023.

At December 31, 2024 and 2023, accounts receivable in the amounts of \$81,313 and \$81,178, respectively, were owed to the Plan by the BSA. These amounts represent withholdings made by the BSA from active employee compensation payments and retired employee benefit payments not yet remitted to the Plan.

NOTE E PARTIES-IN-INTEREST

The Plan invests in a limited partnership offered by Northern Trust Company and an interest bearing cash account with JP Morgan Chase Bank, N.A. These investments are considered party-in-interest transactions because Northern Trust Company and JP Morgan Chase Bank, N.A. serve as asset custodians for the Plan. The Plan's Board of Trustees has approved these investments.

NOTE F FAIR VALUE DISCLOSURES

GAAP provides a framework for measuring fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value based upon whether the inputs to those valuation techniques are observable or unobservable. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical financial instruments and the lowest priority to unobservable inputs. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These inputs are summarized in the three broad levels listed below:

Level 1 – Unadjusted quoted prices for identical financial instruments in active markets that the Plan has the ability to access.

Level 2 – Other significant observable inputs (including quoted prices in active and inactive markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instruments.

NOTE F FAIR VALUE DISCLOSURES (CONTINUED)

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the financial instruments. The fair value of Level 3 financial instruments is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used and no significant transfers in and/or out of the fair value categories during 2024 and 2023.

Interest-bearing cash and registered investment companies are valued at the market value of shares held by the Plan at year end.

Investment in limited partnership is valued using information obtained from third-party sources, including economic forecasts, audited financial statements, and other information from the General Partner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques are appropriate and consistent with other market participants, the use of different techniques or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair values of investments are categorized as follows at December 31, 2024 and 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 356,089	\$ -	\$ -	\$ 356,089
Investment measured at net asset value	-	-	-	1,217,483
Total Investments	\$ 356,089	\$ -	\$ -	\$ 1,573,572
	2023			
	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 303,974	\$ -	\$ -	\$ 303,974
Investment measured at net asset value	-	-	-	1,152,862
Total Investments	\$ 303,974	\$ -	\$ -	\$ 1,456,836

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts are presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE F FAIR VALUE DISCLOSURES (CONTINUED)

The Plan uses the Net Asset Value (NAV) to determine the fair value of all the underlying investments which: (a) do not have a readily determinable fair value and (b) prepare their financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company.

The following table lists investments in other entities measured at net asset value by major category as of December 31, 2024 and 2023:

		2024				
Type	Strategy	NAV in Funds	# of Funds	Remaining Life	Amount of Unfunded Commitments	Timing to Drawdown Commitments
Equity:						
Endowment Fund	The Fund is focused on satisfying long-term rate of return objectives by providing a predictable stream of funding.	\$ 1,217,483	1	N/A	\$ -	N/A
Investment Measured at Net Asset Value		\$ 1,217,483	1			

		2023
