INDEPENDENT AUDITORS' REPORT

To the Avnet Retirement Committee of

AVNET 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **Avnet 401(k) Plan** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024, and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AVNET 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(1) Description of the Plan

The following description of the **Avnet 401(k) Plan** (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

- A. **General** – On July 1, 1991, Avnet, Inc. (the “Company”) adopted the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is a contributory profit-sharing plan under Section 401(a) of the Internal Revenue Code of 1986 (the “Code” or “IRC”) and provides for salary deduction contributions under Section 401(k) of the Code. In general, plans established pursuant to Section 401(k) of the Code permit eligible employees to defer current federal and, subject to applicable laws, state, and local income taxes on the portion of their current compensation represented by the amount of salary deduction elected. Contributions, however, are subject to Social Security taxes. The amounts elected by employees are contributed to the Plan by the Company through payroll deductions.

The Plan is administered by the Avnet Retirement Committee (“Committee”) of the Company. The Plan’s assets are held in trust with Fidelity Management Trust Company (“Fidelity” or “Trustee”).

- B. **Participation** – The Plan covers substantially all domestic employees of the Company and its subsidiaries, excluding employees based in Puerto Rico. Employees become eligible to participate in the Plan following completion of 30 consecutive days of service.
- C. **Contributions** – Non-highly compensated employees may contribute from 1% to 50% of their compensation on a pre-tax basis, as defined by the Plan, subject to certain limitations prescribed by the Internal Revenue Service (“IRS”). Subject to the approval of the Committee, participants may also contribute amounts representing distributions from other qualified retirement plans. Roth contributions are permitted under the Plan and treated in the same manner as elective deferrals for all Plan purposes. Highly compensated employees may elect to contribute from 1% up to a maximum percentage amount, as determined by the Committee and subject to certain IRS limitations. The Plan has not received employer contributions since 2009. The Plan has an auto-enrollment feature, which automatically contributes 3% of eligible compensation for each pay period for those participants who do not option out of the feature or elect to contribute at a difference percentage.
- D. **Investment options** – Participant contributions to the Plan may be invested at the discretion of the participant into twenty common collective trust funds and five mutual funds. The Avnet, Inc. common stock includes employer matching contributions and Avnet stock held by former Kent employees as a result of the conversion of Kent shares to Avnet shares upon the completion of the Kent acquisition by the Company in 2001.
- E. **Participant accounts** – Each participant’s account is credited with the participant’s contributions, employer contributions and an allocation of Plan earnings. Allocations are based on participant compensation, contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- F. **Vesting** – Participants are immediately vested in their contributions plus actual earnings thereon. Employer contribution (if any) plus actual earnings thereon, vest 20% for each year of service and fully vest after five years of service. The Plan defines a year of credited service to be a Plan year with the participant rendering at least 1,000 hours of service.

AVNET 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(1) Description of the Plan (continued)

- G. **Notes receivable from participants** – A participant is entitled to borrow an amount not to exceed 50% of their vested account balance, up to a maximum of \$50,000 (but not less than \$1,000). Any new loan may not be obtained until twelve months after the repayment of any prior loan. Participant loans are measured at their unpaid principal balance plus accrued interest.

The loans must be repaid over terms not to exceed five years from the date the loan is made. The Committee may authorize a longer repayment period if the Committee determines that the proceeds are to be used to acquire a home, which is used as a principal residence. Loan repayments must be made in equal installments through payroll reductions. The loan may be repaid in its entirety at any time prior to the maturity date without penalty. All loans include fixed interest rates equal to the prevailing rates for loans of a similar type at a major commercial lending institution.

- H. **Payment of benefits** – Participants are entitled to receive a distribution of the vested portion of their account upon termination of employment, retirement, or permanent disability. In the event of death, retirement, or permanent disability the participant's account becomes 100% vested.
- I. **Forfeitures** – Forfeited Company matching and discretionary contributions are used to reduce Plan expenses or may be reallocated to participants. Forfeited non-vested accounts totaled \$13,048 and \$10,506 at December 31, 2024, and 2023 respectively. Forfeited non-vested accounts used to pay Plan expenses totaled \$3,040 for the year ended December 31, 2024.
- J. **Administrative expenses** – Substantially all administrative expenses of the Plan are paid by the Plan.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting – The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) on the accrual method of accounting. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Management's use of estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

Investment valuation – Investments in shares of mutual funds and a money market fund are stated at net asset value, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions. The Plan's investment in Avnet, Inc. common stock is valued at the closing price reported on the active market on which the securities trade. The common collective trusts are stated at unit value, or the equivalent of net asset value, which is a practical expedient for estimating fair value. These investments have no unfunded commitments as of December 31, 2024, and 2023, and can be redeemed daily with no redemption notice period or other redemption restrictions.

AVNET 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(2) Significant accounting policies (continued)

These methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments consist of the unrealized appreciation or depreciation of investments held during the year and the related gain or loss on investments sold during the year.

Risks and uncertainties – The Plan provides for various investment fund options. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payments of benefits – Payments of benefits are recorded when paid.

Subsequent events – Plan management has evaluated subsequent events through October 13, 2025, which is the date the financial statements of the Plan were available to be issued.

(3) Fair value measurement

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

(3) Fair value measurement (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 110,664,255	\$ -	\$ -	\$ 110,664,255

Total investments	<u>\$ 112,462,572</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 622,115,361</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 262,155,945	\$ -	\$ -	\$ 262,155,945

Avnet, Inc. common stock	1,780,884	-	-	1,780,884
Money market fund	35,677	-	-	35,677
Total investments	<u>\$ 263,972,506</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 607,840,009</u>

* In accordance with Subtopic 820-10, certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(4) Information certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) Plan termination

While it is the Company's intention to continue the Plan, the Company has the right to terminate the Plan provided all Company contributions due at the termination date have been paid. In the event the Plan terminates, participants will become 100% vested in their account balance as of the termination date.

AVNET 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(6) Tax status

The Plan received a determination letter from the Internal Revenue Service dated July 24, 2017, indicating the Plan was designed in accordance with applicable IRC requirements as of that date. The Plan Administrator and the Company believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

(7) Party-in-interest transactions

Certain Plan investments are held in funds managed by Fidelity. Fidelity deducts certain fees directly from investment earnings for investment management services. These fees are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits. During 2024, Fidelity paid a revenue credit of approximately \$77,000 to the Plan in accordance with the amended trust agreement. The revenue credit is a reduction of administrative expenses on the accompanying statement of changes in net assets available for benefits and is used to pay administrative fees. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fidelity Workplace Services, LLC ("FWS") maintains and processes participant data and account information. FWS is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the recordkeeper were approximately \$260,000 for the year ended December 31, 2024. In addition, certain Plan investments are in Avnet, Inc. common stock, qualifying these transactions as party-in-interest transactions.

The Plan is administered by the Avnet Retirement Committee of the Company. Accordingly, any transactions with any individuals of the committee qualify as party-in-interest transactions. There were no such transactions during the year ended December 31, 2024.

(8) Reconciliation of financial statements to Form 5500

The following is a reconciliation of the financial statements to the Form 5500 as of December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 625,746,839	\$ 610,857,650
Excess contribution payable	3,892	-
Adjustment from contract value to fair value for fully benefit-responsive investment contract	<u>(1,431,498)</u>	<u>(1,770,411)</u>
Total net assets per Form 5500	<u>\$ 624,319,233</u>	<u>\$ 609,087,239</u>

The following is a reconciliation of the change in net assets available for benefits as reported in the financial statements for the year ended December 31, 2024 to net income reported in the Form 5500:

Change in net assets reported in the financial statements	\$ 14,889,189
Excess contribution payable	3,892
Change in adjustment from contract value to fair value for fully benefit-responsive investment contract	<u>338,913</u>
Net income reported in the Form 5500	<u>\$ 15,231,994</u>
