RESCO, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of RESCO, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B to the financial statements.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B of the financial statements, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – modified cash basis as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters – Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RESCO, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS

For the Years Ended December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The RESCO, Inc. 401(k) Profit Sharing Plan (Plan), was established to enable eligible employees to share in the growth and profitability RESCO, Inc. and its principal subsidiary Locations, Inc. (collectively, the “Company”), and to provide them with an opportunity to accumulate capital for their future economic security. A plan restatement was adopted effective January 1, 2016. The following description of the Plan provides only general information. Participants should refer to the plan agreement for a complete description of its provisions. The Plan was amended effective January 1, 2022 and 2023.

General

The Plan is a profit sharing and salary deferral plan covering employees of the Company age 21 and over who have at least three months of service (except nonresident aliens with no earned income within the United States, leased employees, independent contractors, and employees covered by a collective bargaining agreement). To be eligible for the employer discretionary contribution, the employee must have completed 1,000 hours of service during the plan year and be employed by the Company on the last day of the plan year. Effective January 1, 2021, long-term part-time (LTPT) employees are eligible to participate in the Plan and make salary deferral contributions if the employee worked at least 500 hours of service in each of the previous three consecutive 12-month periods. Effective January 1, 2025, an employee must have worked at least 500 hours of service in each of the previous two consecutive 12-month periods to be eligible as a LTPT. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may make salary deferral contributions to the Plan up to the lesser of their eligible compensation or \$23,000 and \$22,500 in 2024 and 2023, respectively, adjusted annually for the cost of living, plus an additional \$7,500 of catch-up contributions in 2024 and 2023, for employees age 50 and over. Employees may make rollover and transfer contributions from other qualified plans except Roth contributions. The Company makes safe harbor matching contributions of 100% of each participant’s elective deferral, up to 3% of compensation, and 50% of each participant’s elective salary deferral over 3% of compensation, up to 5% of compensation. The Company may also make discretionary contributions to the Plan. No discretionary contributions were made by the Company in 2024 or 2023. Total contributions to each participant’s account may not exceed the lesser of \$69,000 (\$76,500 if age 50 or older) in 2024 or \$66,000 (\$73,500 if age 50 or older) in 2023, or 100% of annual compensation, as defined.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Company’s safe harbor matching contribution; plus an allocation, based on participant earnings or account balances, of the Company’s discretionary contribution, forfeitures of terminated participants’ nonvested benefits, and the Plan’s net earnings; less an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

RESCO, INC. 401(k) PROFIT SHARING PLAN

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are vested immediately in their salary deferral contributions, rollover contributions, Roth contributions, safe harbor matching contributions, and earnings thereon. Company matching and discretionary contributions are 20% vested after one year of service and an additional 20% each year thereafter until they are 100% vested after five years of continuous service.

Payment of Benefits

The vested amount in each participant's account is payable upon normal retirement, disability, death, or termination of employment. Participants may receive the entire value of their accounts in a single lump-sum payment or in periodic payments over a period not to exceed their life expectancy equal to their vested balance less the balance of any outstanding notes. Participants with account balances of \$7,000 (on or after January 1, 2024) or less at termination are automatically disbursed to the participant, unless the participant elects to roll over the balance to an individual retirement account.

Withdrawals

Active participants may withdraw all or a portion of their vested interest in their elective contributions, Roth contributions, and safe harbor matching contributions as in-service distributions after attaining age 59 ½ and the vested portion of the discretionary and safe harbor matching contributions after attaining age 55. Hardship withdrawals can be obtained by submitting a written application that is approved by the plan administrator. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Services (IRS).

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Forfeitures are used to reduce the employer's non-elective contributions or pay for plan expenses. Forfeited invested accounts amounted to \$0 and \$283 at December 31, 2024 and 2023, respectively. During the years ended December 31, 2024 and 2023, forfeitures of \$287 and \$0, respectively, were applied to employer contributions.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of the vested portion of their account balance. The notes receivable and related interest must be repaid within five years unless the note is used to acquire a principal residence. The notes are collateralized by the participant's account balance and bear interest at prevailing rates, which ranged from 4.25% to 9.50% at December 31, 2024, and mature at various dates through June 2029. Principal and interest payments are made directly by the participants to the record keeper, Lincoln Retirement Services Company, LLC.

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2024 and 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Except for investments, which are accounted for on a fair value or contract basis, the Plan has prepared its financial statements on the basis of cash receipts and disbursements; consequently, certain additions to net assets available for benefits are recognized when received rather than when earned, and certain deductions from net assets available for benefits are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to be presented in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, and it is reasonably possible that such estimates may change within the near term, and such differences may be material to the financial statements.

Investment Valuation and Income Recognition

Investments are stated at fair value, except that fully benefit-responsive unallocated group annuity contracts are stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note D for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. For active participants who have not incurred a distributable event, such as employment termination, death or disability, but have delinquent receivables, the note receivable remains outstanding until a distributable event occurs. Once a distributable event occurs, the outstanding balance is considered a distribution or benefit payment.

Payment of Benefits

Benefits paid to participants are recorded when paid.

RESCO, INC. 401(k) PROFIT SHARING PLAN

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2024 and 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments from registered investment companies. All other expenses are recognized when paid.

NOTE C – CERTIFICATION BY QUALIFIED INSTITUTION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including the fair value and contract value of investments and the balances of notes receivable from participants held at December 31, 2024 and 2023; the net appreciation in fair value of investments of registered investment companies and the common collective trust; and interest and dividends for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Lincoln Financial Group Trust Company, Inc. (Lincoln Financial Group), the qualified institution of the plan. The contract value of the unallocated group annuity contract was also certified by Lincoln Financial Group.

NOTE D – FAIR VALUE MEASUREMENTS

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the entity has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments in registered investment companies are valued at quoted market prices, which is a Level 1 input. Investments in the common collective trust are valued at the net asset value of unit shares held by the Plan at year-end.

RESCO, INC. 401(k) PROFIT SHARING PLAN

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2024 and 2023

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The net asset value, as provided by Lincoln Financial Group, is used as a practical expedient, which is based on the underlying assets of the common collective trust. The underlying assets of the common collective trust may include, but are not limited to, investments in marketable securities, interest bearing cash accounts, and noninterest bearing cash accounts. The common collective trust is not categorized in the fair value hierarchy. At December 31, 2024 and 2023, there were no investments valued using Level 2 or 3 inputs.

The valuation methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$3,974,436</u>	<u>\$ -</u>	<u>\$ -</u>	\$3,974,436
Common collective trust				<u>517,416</u>
Total investments at fair value				<u>\$4,491,852</u>

The following sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$3,385,876</u>	<u>\$ -</u>	<u>\$ -</u>	\$3,385,876
Common collective trust				<u>413,402</u>
Total investments at fair value				<u>\$3,799,278</u>

NOTE E – COMMON/COLLECTIVE TRUST

The State Street S&P 500 Index Non Lending Series Class K common/collective trust fund is reportable in the Plan’s financial statements at fair value (as certified by the qualified institution of the Plan). The value of the Fund is based on the underlying unit value reported by State Street, which is based on the fair value of the underlying assets less any liabilities. The Fund reported returns of 25.01% and 26.53% at December 31, 2024 and 2023, respectively.

RESCO, INC. 401(k) PROFIT SHARING PLAN

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2024 and 2023

NOTE F – UNALLOCATED GROUP ANNUITY CONTRACT

The Lincoln Financial Group Stable Value Fund is an unallocated group annuity contract that complies with the fully benefit-responsive requirements of the Financial Accounting Standards Board and is reported at contract value in the Plan's financial statements. The fund has no stated maturity date and guarantees an effective annual interest rate of not less than 1.00%. The unallocated group annuity contract is backed by the general account assets of The Lincoln National Life Insurance Company. Due to the nature of the contract, the contract does not have specific underlying assets assigned to it. Therefore, the value of the unallocated group fixed annuity contract reported to plan sponsors is the contract value which represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing contract. Contributions received in any quarter will earn interest at the portfolio rate. The portfolio rate is declared for the quarter and is in effect only for that quarter. The portfolio rate will be the three year average of the Lehman Intermediate U.S. Government/Credit Index yield plus 0.10% as of one month prior to the beginning of each quarter.

The Lincoln Financial Stable Value Fund is a nontradable obligation of Lincoln Financial Group. Thus, the investment's contract may not be transferred, sold, assigned, discounted or pledged, either as collateral for a loan or as security for the performance of an obligation or for any other purpose without consent from the issuer. Participants are allowed retirement, hardship, and periodic elective and systematic withdrawals under the contract. The contract also provides several life annuity options.

The Plan's ability to receive amounts due in accordance with fully-benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor or other plan sponsor events such as divestiture of a subsidiary that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTE G – ADMINISTRATION OF PLAN ASSETS

The Plan is sponsored by the Company. Reliance Trust Company, under an agreement effective December 1, 2017, serves as the trustee of the Plan. Lincoln Retirement Services Company, Inc. serves as the record keeper under an agreement dated September 15, 2008. Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. Trustee, custodian, and other administrative expenses are paid by either the Plan or by the Company, as provided in the plan document. Expenses paid by the Company are not reflected in these financial statements.

RESCO, INC. 401(k) PROFIT SHARING PLAN

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2024 and 2023

NOTE H – RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Lincoln Financial Group Stable Value Fund is an obligation of Lincoln Financial Group, a sister company to the Plan’s record keeper, Lincoln Retirement Services Company, LLC; therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net earnings on investments. The plan sponsor paid fees for investment advisory services to Sageview Advisory for the years ended December 31, 2024 and 2023.

NOTE I – TAX STATUS

In a letter dated February 23, 2017, the IRS issued a “favorable determination” because the Plan met the qualification requirements established by Section 401(a) of the Internal Revenue Code. The Plan has been amended since the determination letter, including an amendment as of January 1, 2019. The plan administrator believes that the Plan is eligible to self-correct and is in the process of correcting those errors in a timely manner. Accordingly, the Plan believes it will maintain its tax-qualified status and the related accounts are tax exempt.

Plan management is required to evaluate uncertain tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has evaluated the Plan’s tax positions as of December 31, 2024 and 2023 and for the years then ended, and determined that the Plan had no uncertain tax positions required to be reported. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

NOTE J – TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants become 100% vested in their profit sharing accounts.

NOTE K – DELINQUENT CONTRIBUTIONS

During the year ended December 31, 2023, the Company made late payments of participant contributions of \$39,024, of which \$39,024 was corrected in 2023. During the year ended December 31, 2019, the Company made late payments of participant contributions of \$27,182, of which \$27,182 was corrected in 2019, except for the loss earnings. The loss earnings for the delinquent contributions in 2019 were corrected in 2023. The Company disclosed the late payments in Schedule H, line 4a – Schedule of Delinquent Participant Contributions of the 2023 Form 5500.

RESCO, INC. 401(k) PROFIT SHARING PLAN

**NOTES TO THE FINANCIAL STATEMENTS –
MODIFIED CASH BASIS (Continued)**

For the Years Ended December 31, 2024 and 2023

NOTE L– RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan and Company operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions are not presently determinable.

NOTE M – SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September XX, 2025, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements, except as disclosed in Note A to the financial statements.

RESCO, INC. 401(k) PROFIT SHARING PLAN
