## Independent Auditor's Report

To the Employee Benefit Plans Committee  
LVMH Moët Hennessy Louis Vuitton, Inc.  
New York, New York

### ***Opinion***

We have audited the financial statements of LVMH Moët Hennessy Louis Vuitton, Inc. and Affiliates Long-Term Disability Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of LVMH Moët Hennessy Louis Vuitton, Inc. and Affiliates Long-Term Disability Benefit Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (US GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LVMH Moët Hennessy Louis Vuitton, Inc. and Affiliates Long-Term Disability Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Notes to Financial Statements

#### Note 2. Summary of Significant Accounting Policies

##### Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

##### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### Payment of Benefits

Premiums are recorded when paid.

##### Management's Review of Subsequent Events

Management has evaluated subsequent events for the Plan through October 13, 2025, the date the financial statements were available to be issued.

### Notes to Financial Statements

#### **Note 4. Party in Interest Transactions**

As described in Note 1, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

#### **Note 5. Tax Status**

The Plan was established January 1, 1997. The VEBA trust funding the Plan received a favorable ruling from the Internal Revenue Service, dated December 27, 1995, stating that the trust is qualified under Internal Revenue Code (IRC) Section 501(c)(9), and is not subject to tax under IRC Section 501(a). The Plan sponsor believes that the Plan, as amended, continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Employee benefit plans are subject to routine audits by taxing jurisdictions; however, there are currently no audits, for any tax periods, in progress for the Plan. The Plan's management believes it is no longer subject to income tax examinations for years prior to 2021.

#### **Note 6. Procedures on Termination of the Plan**

While it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan, at any time, subject to the provisions set forth in the Employee Retirement Income Security Act of 1974, as amended.

In the event of termination of the Plan, the Sponsor shall pay or provide for the payment of any and all obligations of the Plan and shall distribute and apply any remaining surplus in such a manner as will, in its opinion, best effectuate the purpose of the Plan.
