## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants  
CFS PEP

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the CFS PEP (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## *Notes to Financial Statements*

### *December 31, 2024 and 2023*

---

#### Note 1 - Description of plan:

The following description of the CFS PEP (the Plan) provides only general information. Participants should refer to the applicable adoption agreement of the participating employers, which have chosen to participate in the Plan, for a more complete description of the Plan's provisions.

#### General

The Plan sponsor is American TCS Fiduciary Services, LLC (the Company, Plan Sponsor or Plan Administrator). The Plan was established under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) on January 1, 2021. The Plan is a defined contribution plan covering eligible employees of the employers that have elected to join the Plan (Participating Employers), and qualifies under sections 401(a) and 501(a) of the Internal Revenue Code of 1986, as amended (IRC or Code). The Plan is intended to constitute a multiple employer plan, as described under Code sections 410(a), 411, 413(c), and 415. Each Participating Employer elects their own provisions related to eligibility, contributions, notes receivable from participants, and payments of benefits. The Plan was created effective January 1, 2023. During the year, the Plan merged in five new Participating Employers' assets of \$2,791,179. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year eligible participants may make pre-tax and Roth after-tax contributions subject to applicable limits established by law. Participating Employers may elect safe harbor or non-safe harbor contribution provisions as well as eligible compensation definitions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Under certain circumstances, participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Participating Employers in the Plan may elect automatic enrollment and escalation features. Accordingly, the Participating Employers will automatically withhold a defined percentage of an eligible participant's compensation based on the Participating Employer's adoption agreement, unless the participant affirmatively opts out.

Under the terms of the Participating Employer adoption agreements, the Participating Employers may make discretionary matching and/or profit sharing contributions. During the year ended December 31, 2024, the Participating Employers made discretionary matching contributions of \$684,403 and profit sharing contributions of \$94,833 to the Plan.

### Note 1 - Description of plan - continued:

#### Contributions - continued

Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

#### Participant accounts

Each participant account is credited with the participant's contributions, the Participating Employer's contributions, if any, and investment earnings and/or losses. Additionally, participant accounts are charged with the participant's benefit payments and applicable transactions charges, which are considered administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Participating Employer contribution portion of their accounts, plus actual earnings thereon, is based on years of service on a graded vesting basis or cliff vesting basis, as elected by each Participating Employer.

#### Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$1,305 and \$7,517 respectively. Participating Employers may use forfeitures to pay Plan expenses or to reduce Participating Employer contributions. During the year ended December 31, 2024, forfeitures of \$13,506 were utilized to reduce Participating Employer contributions and \$7,468 were used to pay Plan expenses.

#### Payment of benefits

A participant is entitled to receive a lump-sum amount equal to the vested value of his or her account upon factors elected by the Participating Employer such as attainment of age 59½, termination of service, retirement, disability or death. A participant may request a withdrawal from the Plan while still under the employment of the Participating Employer for reasons of financial hardship, but the withdrawal is limited based on the Participating Employer's election in the plan document.

## *Notes to Financial Statements - Continued*

*December 31, 2024 and 2023*

---

Note 1 - Description of plan - continued:

Notes receivable from participants

Participants may borrow from the Plan in any amount greater than \$1,000 up to 50% of the participant's vested account balance, not to exceed \$50,000. Note terms are for a period not exceeding five years unless for the purchase of a principal residence, in which case the note repayment period may not extend beyond 10 years. Notes are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Principal and interest is paid ratably through payroll deductions. Participants are allowed one outstanding note.

Note 2 - Summary of significant accounting policies:

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Collective trust funds

Investments in the collective trust funds are required to be reported at fair value. The collective trust funds are composed primarily of fully benefit-responsive investment contracts held by the fund's trustee. These contracts are not considered fully benefit-responsive to the Plan as the underlying contracts are not direct investments between the Plan and the issuer. The Plan has elected to value the collective trust funds using net asset value (NAV) as a practical expedient to determine fair value.

## *Notes to Financial Statements - Continued*

*December 31, 2024 and 2023*

---

### Note 2 - Summary of significant accounting policies - continued:

#### Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Charles Schwab Trust Bank (Schwab).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Contributions

Contributions from Plan participants and Company matching contributions, as applicable, are recorded in the year in which the participant contributions are withheld from compensation.

#### Payment of benefits

Benefits are recorded when paid.

#### Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. The Plan Sponsor reserves the right to elect to pay, or have the Plan pay, administrative costs in the future. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

### Note 2 - Summary of significant accounting policies - continued:

#### Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

#### Recent accounting pronouncements

The AICPA Financial Reporting Executive Committee (FinREC) approved enhanceive accounting updates related to accounting for revenue sharing arrangements in accordance with Financial Accounting Standards Board (FASB) ASC No. 606, Revenue from Contracts with Customers. Revenue sharing amounts are not considered revenue under ASC No. 606 due to the fact that they are intended to reduce administrative costs for the plan and not paid to the plan for delivering or producing goods, rendering services or undertaking other activities for the investment manager. A plan should consider all relevant facts and circumstances, including the terms of the agreement to determine the appropriate presentation of revenue sharing amounts. The presentation should be applied on a consistent basis and the plan should consider whether the presentation of revenue sharing amounts is a significant accounting policy that should be disclosed in the notes to the financial statements. If significant, the notes to the financial statements include a description of revenue sharing arrangements including how such arrangements are presented in the financial statements. The adoption did not have a material impact to the Plan's financial statements.

#### Recent legislative developments

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the years ended December 31, 2024 and 2023. Plan management continues to evaluate the impact of the optional provisions of SECURE 2.0 and is awaiting additional regulatory guidance from the Internal Revenue Service (IRS) and Department of Labor. The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the plan years ended December 31, 2024 and 2023.

#### Note 2 - Summary of significant accounting policies - continued:

##### Subsequent events

The Plan has evaluated subsequent events through October 13, 2025, which is the date these financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2024, have been incorporated into these financial statements.

Subsequent to the year ended December 31, 2024, the Plan had seven adopting employers join the Plan. One of the employers merged in assets totaling \$1,100,746.

#### Note 3 - Investments and information certified by the trustee:

Schwab is the trustee for the Plan. Schwab holds the Plan's investment assets and executes investment transactions. Management has determined that Schwab is a qualified institution and the information prepared and certified by Schwab meets the requirements of ERISA Section 103(a)(3)(C). Certain information related to investments and non-interest bearing cash disclosed in the accompanying financial statements and supplemental schedules, including investments, and non-interest bearing cash held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Schwab.

#### Note 4 - Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification No. 820 are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

---

Note 4 - Fair value measurements - continued:

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3     Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value.

- Mutual funds are valued at the net asset value of shares held by the Plan at year-end by obtaining quoted prices on nationally recognized securities exchanges.
- Units of participation of the collective trust funds are valued at the net asset value (NAV) provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

### Note 4 - Fair value measurements - continued:

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	Assets at Fair Value as of December 31, 2024

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

#### Note 5 - Related-party transactions:

Certain Plan investments are shares of mutual funds and a collective trust funds managed by an affiliate of Schwab. Transactions in such investments qualify as party-in-interest transactions under ERISA and are exempt from the prohibited transaction rules. Fees incurred by the Plan for the investment management services are included in net appreciation.

#### Note 6 - Plan termination:

Although it has not expressed any intent to do so, the Adopting Employers have the right under the Plan to discontinue their contributions at any time and to terminate their membership in the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### Note 7 - Tax status:

The underlying pre-approved plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and; therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS pre-approved plan opinion letter. maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and; therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Delinquent contributions:

The Plan Recordkeeper did not remit participant contributions timely for various paydates in 2023 and 2024 and missed earnings have not yet been deposited. Of the 2024 delinquent contributions, \$194,000 can be attributed to delays within the general recordkeeping system and \$62,642 are related to adopting employers of the plan not providing payroll to the recordkeeping system timely. Of the 2023 delinquent contributions, \$60,227 can be attributed to delays within the general recordkeeping system and \$9,222 are related to adopting employers of the plan not providing payroll to the recordkeeping system timely.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants  
CFS PEP

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the CFS PEP (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## *Notes to Financial Statements*

### *December 31, 2024 and 2023*

---

#### Note 1 - Description of plan:

The following description of the CFS PEP (the Plan) provides only general information. Participants should refer to the applicable adoption agreement of the participating employers, which have chosen to participate in the Plan, for a more complete description of the Plan's provisions.

#### General

The Plan sponsor is American TCS Fiduciary Services, LLC (the Company, Plan Sponsor or Plan Administrator). The Plan was established under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) on January 1, 2021. The Plan is a defined contribution plan covering eligible employees of the employers that have elected to join the Plan (Participating Employers), and qualifies under sections 401(a) and 501(a) of the Internal Revenue Code of 1986, as amended (IRC or Code). The Plan is intended to constitute a multiple employer plan, as described under Code sections 410(a), 411, 413(c), and 415. Each Participating Employer elects their own provisions related to eligibility, contributions, notes receivable from participants, and payments of benefits. The Plan was created effective January 1, 2023. During the year, the Plan merged in five new Participating Employers' assets of \$2,791,179. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year eligible participants may make pre-tax and Roth after-tax contributions subject to applicable limits established by law. Participating Employers may elect safe harbor or non-safe harbor contribution provisions as well as eligible compensation definitions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Under certain circumstances, participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Participating Employers in the Plan may elect automatic enrollment and escalation features. Accordingly, the Participating Employers will automatically withhold a defined percentage of an eligible participant's compensation based on the Participating Employer's adoption agreement, unless the participant affirmatively opts out.

Under the terms of the Participating Employer adoption agreements, the Participating Employers may make discretionary matching and/or profit sharing contributions. During the year ended December 31, 2024, the Participating Employers made discretionary matching contributions of \$684,403 and profit sharing contributions of \$94,833 to the Plan.

*December 31, 2024 and 2023*

---

### Note 1 - Description of plan - continued:

#### Contributions - continued

Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

#### Participant accounts

Each participant account is credited with the participant's contributions, the Participating Employer's contributions, if any, and investment earnings and/or losses. Additionally, participant accounts are charged with the participant's benefit payments and applicable transactions charges, which are considered administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Participating Employer contribution portion of their accounts, plus actual earnings thereon, is based on years of service on a graded vesting basis or cliff vesting basis, as elected by each Participating Employer.

#### Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$1,305 and \$7,517 respectively. Participating Employers may use forfeitures to pay Plan expenses or to reduce Participating Employer contributions. During the year ended December 31, 2024, forfeitures of \$13,506 were utilized to reduce Participating Employer contributions and \$7,468 were used to pay Plan expenses.

#### Payment of benefits

A participant is entitled to receive a lump-sum amount equal to the vested value of his or her account upon factors elected by the Participating Employer such as attainment of age 59½, termination of service, retirement, disability or death. A participant may request a withdrawal from the Plan while still under the employment of the Participating Employer for reasons of financial hardship, but the withdrawal is limited based on the Participating Employer's election in the plan document.

## *Notes to Financial Statements - Continued*

*December 31, 2024 and 2023*

---

Note 1 - Description of plan - continued:

Notes receivable from participants

Participants may borrow from the Plan in any amount greater than \$1,000 up to 50% of the participant's vested account balance, not to exceed \$50,000. Note terms are for a period not exceeding five years unless for the purchase of a principal residence, in which case the note repayment period may not extend beyond 10 years. Notes are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Principal and interest is paid ratably through payroll deductions. Participants are allowed one outstanding note.

Note 2 - Summary of significant accounting policies:

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Collective trust funds

Investments in the collective trust funds are required to be reported at fair value. The collective trust funds are composed primarily of fully benefit-responsive investment contracts held by the fund's trustee. These contracts are not considered fully benefit-responsive to the Plan as the underlying contracts are not direct investments between the Plan and the issuer. The Plan has elected to value the collective trust funds using net asset value (NAV) as a practical expedient to determine fair value.

*December 31, 2024 and 2023*

---

### Note 2 - Summary of significant accounting policies - continued:

#### Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Charles Schwab Trust Bank (Schwab).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Contributions

Contributions from Plan participants and Company matching contributions, as applicable, are recorded in the year in which the participant contributions are withheld from compensation.

#### Payment of benefits

Benefits are recorded when paid.

#### Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. The Plan Sponsor reserves the right to elect to pay, or have the Plan pay, administrative costs in the future. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

## *Notes to Financial Statements - Continued*

*December 31, 2024 and 2023*

---

### Note 2 - Summary of significant accounting policies - continued:

#### Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

#### Recent accounting pronouncements

The AICPA Financial Reporting Executive Committee (FinREC) approved enhanceive accounting updates related to accounting for revenue sharing arrangements in accordance with Financial Accounting Standards Board (FASB) ASC No. 606, Revenue from Contracts with Customers. Revenue sharing amounts are not considered revenue under ASC No. 606 due to the fact that they are intended to reduce administrative costs for the plan and not paid to the plan for delivering or producing goods, rendering services or undertaking other activities for the investment manager. A plan should consider all relevant facts and circumstances, including the terms of the agreement to determine the appropriate presentation of revenue sharing amounts. The presentation should be applied on a consistent basis and the plan should consider whether the presentation of revenue sharing amounts is a significant accounting policy that should be disclosed in the notes to the financial statements. If significant, the notes to the financial statements include a description of revenue sharing arrangements including how such arrangements are presented in the financial statements. The adoption did not have a material impact to the Plan's financial statements.

#### Recent legislative developments

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the years ended December 31, 2024 and 2023. Plan management continues to evaluate the impact of the optional provisions of SECURE 2.0 and is awaiting additional regulatory guidance from the Internal Revenue Service (IRS) and Department of Labor. The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the plan years ended December 31, 2024 and 2023.

## *Notes to Financial Statements - Continued*

### *December 31, 2024 and 2023*

---

#### Note 2 - Summary of significant accounting policies - continued:

##### Subsequent events

The Plan has evaluated subsequent events through October 13, 2025, which is the date these financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2024, have been incorporated into these financial statements.

Subsequent to the year ended December 31, 2024, the Plan had seven adopting employers join the Plan. One of the employers merged in assets totaling \$1,100,746.

#### Note 3 - Investments and information certified by the trustee:

Schwab is the trustee for the Plan. Schwab holds the Plan's investment assets and executes investment transactions. Management has determined that Schwab is a qualified institution and the information prepared and certified by Schwab meets the requirements of ERISA Section 103(a)(3)(C). Certain information related to investments and non-interest bearing cash disclosed in the accompanying financial statements and supplemental schedules, including investments, and non-interest bearing cash held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Schwab.

#### Note 4 - Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification No. 820 are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

# CFS PEP

## *Notes to Financial Statements - Continued*

*December 31, 2024 and 2023*

---

Note 4 - Fair value measurements - continued:

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value.

- Mutual funds are valued at the net asset value of shares held by the Plan at year-end by obtaining quoted prices on nationally recognized securities exchanges.
- Units of participation of the collective trust funds are valued at the net asset value (NAV) provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

### Note 4 - Fair value measurements - continued:

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	Assets at Fair Value as of December 31, 2024

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

#### Note 5 - Related-party transactions:

Certain Plan investments are shares of mutual funds and a collective trust funds managed by an affiliate of Schwab. Transactions in such investments qualify as party-in-interest transactions under ERISA and are exempt from the prohibited transaction rules. Fees incurred by the Plan for the investment management services are included in net appreciation.

#### Note 6 - Plan termination:

Although it has not expressed any intent to do so, the Adopting Employers have the right under the Plan to discontinue their contributions at any time and to terminate their membership in the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### Note 7 - Tax status:

The underlying pre-approved plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and; therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS pre-approved plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to

maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and; therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Delinquent contributions:

The Plan Recordkeeper did not remit participant contributions timely for various paydates in 2023 and 2024 and missed earnings have not yet been deposited. Of the 2024 delinquent contributions, \$194,000 can be attributed to delays within the general recordkeeping system and \$62,642 are related to adopting employers of the plan not providing payroll to the recordkeeping system timely. Of the 2023 delinquent contributions, \$60,227 can be attributed to delays within the general recordkeeping system and \$9,222 are related to adopting employers of the plan not providing payroll to the recordkeeping system timely.
