INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Advanced Dental Brands, LLC 401(K) Profit Sharing Plan
Canton, MA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Advanced Dental Brands, LLC 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Advanced Dental Brands, LLC 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Advanced Dental Brands, LLC 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Dental Brands, LLC 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advanced Dental Brands, LLC 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Dental Brands, LLC 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ADVANCED DENTAL BRANDS, LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 1 - Description of Plan:

The following brief description of Advanced Dental Brands LLC (the "Company") 401(K) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who complete 90 days of employment. Prior to September 13, 2022, the Plan covered substantially all employees of the company who completed 30 days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Management oversees the governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors the investment performance, and reports to the Plan management.

Contributions

Participant Contributions

Employees may elect to reduce their salaries and contribute a percentage of their annual compensation, subject to limits determined by the Internal Revenue Code (the "Code").

Participant Catch-Up Contributions

Participants age 50 or older may elect to make additional salary deferral contributions, subject to limits determined by the Internal Revenue Code.

Participant Roth Contributions

Participants may elect to make an after-tax contribution to a Roth Contributions Account. Such Roth elective deferrals are salary deferral contributions that are made in lieu of all or a portion of the participant's pre-tax salary deferral contribution.

Employer Contributions

The Company may contribute to each eligible participant's account, a discretionary matching contribution equal to a percentage of each participant's contribution, as determined by the Board of Directors. The total annual contributions may not exceed the maximum amount deductible for income tax purposes.

Notes Receivable

Participants may borrow against their vested account balances. The minimum borrowing amount is \$1,000 and may not exceed the lesser of \$50,000 or fifty percent of the participant's vested benefits. The loans shall bear interest at a rate that is consistent with the provision of Section 4975 (d)(1) of the Internal Revenue Code. The interest rates on outstanding loans range from 4.25% to 9.50%. Loans are repayable within five years from the date of the loan, unless the loan is for the purchase of a participant's primary residency. Principal and interest is paid ratably through payroll deductions.

Participant Accounts

Each participant's account is credited with the participant's contribution plus an allocation of any additional contributions made by the Company and any earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of their account plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. Any participant who attains normal retirement age, becomes disabled, or dies becomes fully vested regardless of length of service.

ADVANCED DENTAL BRANDS, LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 1 - Description of Plan (Continued):

Investment Options

Upon enrollment in the plan, a participant may direct contributions among various investment choices. Participants may change their investment options any business day during the plan year.

Payment of Benefits

On termination of service due to death, disability, retirement, or any other reasons a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

Death Benefits

Upon the death of a participant, the amount held for the benefit of that participant shall be paid to the participant's designated beneficiary.

Forfeited Accounts

If a participant terminates service prior to being fully vested in the employer's contribution account, they forfeit the amount which is not vested. The balance in the forfeited non-vested account can be used to pay administrative expenses or to reduce employer contributions. At December 31, 2024 and 2023, there was no balance in the forfeited non-vested account and no forfeitures were applied for the year ended December 31, 2024.

Note 2 - Summary of Significant Accounting Policies:

Accounting Method

The accounts of the Plan are maintained, and the accompanying financial statements and supplemental information have been prepared, on the modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles (GAAP). Consequently, investment income is recognized when received and disbursements are recognized when made. Additionally, securities investments are reflected at fair value. Accordingly, the financial statements and supplemental information are not intended to present the net assets and changes in net assets of the Plan in conformity with GAAP.

Investment Valuation and Income Recognition

The Plan's interest in the pooled separate accounts are valued at the net asset value (NAV) per unit as determined by the pooled separate account as of the valuation date. The pooled separate accounts are valued on the basis of the relative interest of each participating investor at the fair value of the underlying assets. The NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying investment assets held through sub accounts of a separate account of an insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses are based on an average cost basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Contributions

Contributions from plan participants and matching contributions from the employer are recorded when received.

ADVANCED DENTAL BRANDS, LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 2 - Summary of Significant Accounting Policies (Continued):

Payment of Benefits

Benefits are recorded when paid.

Administration Costs

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Administrative fees, including fees for the administration of notes receivable from participants and investment-related expenses are included in administrative expenses and charged directly to the participant's account. The Company absorbs certain costs of plan administration.

Other

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Note 3 - Fair Value Measurements:

The "Fair Value Measurements" Topic 820 (ASC 820) of the FASB Accounting Standards Codification, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the "Fair Value Measurements" Topic 820 of the FASB Accounting Standards Codification are described below:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities.

Level 2: Other inputs that are observable directly or indirectly, such as quoted prices for similar assets and liabilities or market corroborated inputs.

Level 3: Unobservable inputs are used when little or no market data is available, which requires the Company to develop its own assumptions about how market participants would value the assets or liabilities.

In determining the fair value, the Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible in its assessment of fair value. There were no changes in the methods used to measure fair value at December 31, 2024 and 2023.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: Valued at its net asset value (NAV) or equivalent based on the number of participation units owned by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DECEMBER 31, 2024 AND 2023**

Note 3 - Fair Value Measurements (Continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total Investments at Fair Value	\$ -	\$ -	\$ -	\$ 4,505,796

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investment measured at NAV *				
Pooled separate accounts				\$ 3,352,029
Total Investments at Fair Value	\$ -	\$ -	\$ -	\$ 3,352,029

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amount presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Note 4 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested.

Note 5 - Tax Status:

The Plan adopted the Volume Submitter Profit Sharing Plan With CODA, which received a favorable opinion from the Internal Revenue Service (IRS) on March 31, 2014, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan remains qualified and tax-exempt as of the financial statement date.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 6 - Information Certified by Plan's Custodian:

The Plan's assets, which consist principally of pooled separate accounts, are held by the Custodian of the Plan.

The investment information presented in the accompanying statements of net assets available for benefits, statement of changes in net assets available for benefits and the required related supplemental schedule have been derived from information certified as complete and accurate by John Hancock Life Insurance Company, as permitted by the election made by the plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ADVANCED DENTAL BRANDS, LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 7 - Related Party Transactions:

Certain Plan investments are managed by John Hancock. John Hancock is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to John Hancock Life Insurance for investment services totaled \$38,191 for the year ended December 31, 2024.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 - Risks and Uncertainties:

The Plan invests in pooled separate accounts. In general, these investments are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits. The current economic environment has increased the degree of uncertainty.

Note 9 - Missed Deferrals:

During 2022, the Plan sponsor failed to withhold employee deferrals on bonuses paid to certain employees resulting in the employees having missed deferrals. A corrective contribution including lost earnings totaling \$3 was made to the plan in 2025.

Note 10 - Subsequent Events:

The Company has evaluated all events subsequent to the statement of net assets available for benefits date of December 31, 2024, through October 8, 2025, which is the date these financial statements were available to be issued, and have determined that there are no subsequent events that need to be recorded or that are required to be disclosed.
