INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Allen Media Broadcasting 401(k) Plan
Eugene, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Allen Media Broadcasting 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Allen Media Broadcasting 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allen Media Broadcasting 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis for Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allen Media Broadcasting 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allen Media Broadcasting 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allen Media Broadcasting 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at year end – modified cash basis and reportable transactions – modified cash basis for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLEN MEDIA BROADCASTING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN

The following brief description of the Allen Media Broadcasting 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants are eligible to participate for purposes of salary deferrals and rollover contributions on their date of hire. Actual entry date is the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date of eligibility (date of hire).

The plan sponsor is Allen Media Broadcast Holdings, LLC (the “Employer”) with a primary mission of broadcasting television programs through various local markets. The Plan was originally created as a result of the Plan sponsor’s merger with another TV stations’ 401(k) Plan, and then subsequently adding additional plan participants as a result of further acquisitions by the Employer of other TV stations.

Contributions

For 2024, eligible employees (“Participants”) of the Employer may contribute up to \$23,000 of pre-tax annual compensation and Roth contributions as defined in the plan. Participants over the age of 50 can contribute a maximum of \$30,500. The Internal Revenue Service adjusts this maximum annually.

Matching contributions

Starting in 2023 the Employer made a 100% safe harbor matching contribution equal to 1% of the participants’ salary deferrals plus 50% up to 6% of the participants’ salary deferrals. There was a matching contribution in 2024 and 2023 of \$969,721 and \$1,564,951, respectively.

Rollovers

Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. In 2024 and 2023, the Employer continued to acquire additional TV stations, and employees were allowed to rollover their balances from those other 401(k) Plan’s into this Plan.

Participant accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Employer’s contributions and plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. All accounts are participant directed.

Vesting

Participants are immediately vested in their contributions, non-elective contributions, rollovers, and actual earnings thereon. Vesting in the Employer’s optional profit-sharing contributions and employer matching contributions are based on years of continuous service and a vesting schedule. A participant is 100% vested after three years of credited service.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Participant loans may be granted based on financial hardship or a specified financial need. Participants can borrow from their fund accounts, a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loans fund. All loans must be repaid within five years; however, a longer term may be granted for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest is paid ratably through payroll deductions. The amount of any loans unpaid at the date of termination of employment is treated as a distribution to the participant. There were \$399,944 and \$412,617 in loans outstanding on December 31, 2024 and 2023, respectively.

Investment options

Upon enrollment in the Plan, a participant may direct employee contributions into various mutual fund options provided by the Empower Annuity Insurance Company. Participants may change their investment options at any time.

Payment of benefits

On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or a life annuity with monthly payments payable during the lifetime of the participant or beneficiary.

Forfeited accounts

Participant forfeitures are used by the Employer to reduce the Employer's administrative costs and/or its annual profit-sharing contribution. At December 31, 2024 and 2023, there were no forfeited non-vested accounts.

2. SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, who are responsible for their integrity and objectivity. These accounting policies conform to the modified cash basis of accounting and have been consistently applied in the preparation of the financial statements.

Basis of accounting

It is the Plan's policy to prepare its financial statements on the modified cash basis of accounting; consequently, revenues are recognized when received rather than when earned, and expenses are recognized when the cash is disbursed rather than when the obligation is incurred. Under the modified cash basis of accounting, investments (mutual funds) are stated at their current market values.

Business activity

The Plan is responsible for administering employee and employer contributions for employees of the Employer. The Plan collects funds from the employer and transfers the collections to Empower Annuity Insurance Company who invests and distributes the funds.

ALLEN MEDIA BROADCASTING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

The Plan maintains policies and procedures to value instruments using the best and most relevant data available. In addition, the Plan has an investment management team that reviews valuation, including independent price validation for certain instruments. Further, in most instances, management develops internal valuations of the assets and instruments held in the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid under the terms of the plan. Refunds of contributions in excess of the Section 401(k) limits are included in this category.

Operating expenses

All expenses of maintaining the Plan are paid directly by the plan sponsor unless the forfeiture account is used or a combination of both.

Fair value

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Accounting Standards Codification provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification are described as follows:

- Level 1 valuations reflect quoted market or exchange prices for the actual or identical assets or liabilities in active markets.
- Level 2 valuations reflect inputs other than quoted prices in Level 1 which are observable. The inputs can include some or all of the following into a valuation model:
 - quoted prices on similar assets in active markets
 - quoted prices on actual assets that are not active
 - inputs other than quoted prices such as yield curves, volatilities, prepayments speeds inputs derived from market data
- Level 3 valuations reflect valuations in which one or more of the significant valuation inputs are not observable in an active market, there is limited if any market activity, and/or based on management inputs into valuation model.

ALLEN MEDIA BROADCASTING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Income tax status

The Plan, an adopted prototype, obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirement of the Internal Revenue Code under Section 401. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted Accounting Standards Codification, "Accounting for Uncertainty in Income Taxes." Accounting Standards Codification prescribes a comprehensive model for the financial statement recognition, measurement, classification and disclosure of uncertain tax positions. Management has not identified any uncertain tax positions and, therefore, no liability has been recorded in the financial statements.

The Plan's income tax filings are subject to audit by the Internal Revenue Service and Department of Labor.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual result may differ from those estimates.

Subsequent events

Management has evaluated subsequent events through September 15, 2025, the date which the financial statements were available to be issued.

3. INVESTMENTS

The following section describes the valuation methodologies the Plan uses to measure the financial instruments at fair value.

Mutual funds

Share Prices/Net Asset Values (NAVs) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation. These investments are determined to be Level 1.

Collective trust funds

Share Prices/NAV's reported on the Plan Summary Reports for Collective Trust Funds are generally obtained directly from the fund house or other investment provider. These investments are determined to be NAV.

3. INVESTMENTS (continued)

Assets at December 31, 2024	Total	Level 1	NAV Measurement
Mutual funds	\$ 13,957,182	\$ 13,957,182	\$ -
Collective trust funds	24,265,954	-	24,265,954
	<u>\$ 38,223,136</u>	<u>\$ 13,957,182</u>	<u>\$ 24,265,954</u>

Assets at December 31, 2023	Total	Level 1	NAV Measurement
Mutual funds	\$ 12,221,390	\$ 12,221,390	\$ -
Collective trust funds	21,588,008	-	21,588,008
	<u>\$ 33,809,398</u>	<u>\$ 12,221,390</u>	<u>\$ 21,588,008</u>

The Plan has a fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company. The Plan maintains the contributions in a general account. The account is credited with earning on the underlying investments and charged for participant withdrawals and administration expenses. The guaranteed investment contract issues are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

GIA

Stable Value Fund for defined contribution plans is a Guaranteed Interest Account (GIA) provided through a group annuity contract (“the Contract”). Under the terms of the Contract, a crediting rate is established for amounts invested in the GIA and participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at Contract Value. Contract Value represents contributions plus credited interest and less participant withdrawals and fees.

Because the guaranteed investment contract is fully benefit-responsive contract value is the relevant fair value measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. As stipulated by Accounting Standards Codification, the Stable Value Fund is presented at contract value.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The average yields earned by the guaranteed investment contract for years ended December 31, 2024 and 2023 is as follows: based on contract 2.52% and 1.40%, respectively.

Investments reported as Level 3 and at NAV may carry funding commitments and withdrawal limitations on initial investments. Information regarding these investments as of December 31, 2024 is as follows:

	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Collective trust funds	\$ 24,265,954	\$ -	-	-
	<u>\$ 24,265,954</u>	<u>\$ -</u>

4. PLAN TERMINATION

Although it has not expressed any interest to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in all their accounts.

5. ERISA SECTION 103(a)(3)(C) AUDIT

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 2024 and 2023, was obtained by the Plan administrator and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company (the custodian of the Plan).

The contract value of the guaranteed interest account was certified by the custodian of the Plan.

6. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Annuity Insurance Company. Empower Annuity Insurance Company is the custodian and record keeper for the Plan and, therefore, these transactions qualify as party in interest transactions. Empower Annuity Insurance Company provides certain administrative services to the Plan pursuant to a Service Agreement between the Plan and Empower Annuity Insurance Company. Empower Annuity Insurance Company receives revenue directly from the mutual fund service providers for services Empower Annuity Insurance Company provides to the funds. This revenue is used to cover and/or offset certain amounts owed to Empower Annuity Insurance Company for its administrative services to the Plan.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
