**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

To the Plan Participants and Plan Administrator  
MedStar Affiliates 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of MedStar Affiliates 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matter - supplemental schedules required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the MedStar Affiliates 401(k) Plan (the Plan) is provided for general information purposes only. Participants receive the Summary Plan Description. Participants who desire more complete information should refer to the Plan Document, which is available upon request from MedStar Health, Inc. (MedStar or the Plan sponsor) and its subsidiaries' human resources department. The Plan Administrator of the Plan is MedStar.

#### **General**

The Plan is a defined contribution plan offered to employees of the following MedStar subsidiaries (also referred to as participating employers):

- ExtenCare, Inc.
- MedStar Family Choice
- MedStar Accountable Care, LLC
- MedStar Shah MSO, LLC
- MedStar Pharmacies, Inc.
- MedStar Urgent Care, LLC
- RadAmerica II, LLC
- Washington Risk Network Management, Inc.
- MedStar Washington Physician Partners, Inc.
- HelixCare Medical Group, LLC
- Parkway Ventures, Inc.

All employees become participants for salary reduction purposes and rollover contribution purposes on their date of hire with a participating employer. For purposes of the employer discretionary matching contribution and employer discretionary contribution, an employee becomes eligible on the first day of the month coincident with or next following attainment of age 21 and completion of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Contributions**

Participants may contribute up to 75% of their pretax annual eligible compensation, subject to amounts permitted under the Internal Revenue Code (IRC).

Under the Plan's employer discretionary match, the Plan sponsor's Pension & Investment Committee determines each year whether or not to make a contribution. An employee who makes salary reduction contributions is eligible to receive an employer discretionary match equal to 50% of his/her salary reduction contributions, up to a maximum of 6% of eligible compensation. The employee must have completed 1,000 hours of service during the plan year and must be employed on the last day of the plan year to be eligible for the employer discretionary match. There was an employer discretionary match for the 2024 plan year. On August 26, 2024, the Plan sponsor adopted a Plan Amendment to allow Highly Compensated Employees to contribute up to 7% of eligible compensation (previously 6%).

**MedStar Affiliates 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2024 and 2023**

Under the Plan's employer discretionary contribution, the Plan sponsor's Board of Directors determines each year whether or not to make a contribution. An employer discretionary contribution shall not be more than 2% of each participant's eligible compensation for each participant who is credited with at least 1,000 hours of service during the plan year and is employed on the last day of the plan year. For those participants with 11 or more years of credited service, the employer discretionary contribution shall not be more than 3%. There were no employer discretionary contributions for the 2024 plan year.

***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of (a) employer contributions and (b) plan earnings based on each participant's investments and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested portion of the participant's account. Participants are immediately vested in their contributions and actual earnings thereon. Participants become 100% vested in all employer contributions and earnings thereon after three years of service or upon death, disability or retirement at or after normal retirement age (age 65).

***Forfeitures***

Non-vested accounts for terminated participants are forfeited according to the Plan provisions. Forfeitures under the Plan may be used to pay plan expenses or used to reduce future employer contributions. At December 31, 2024 and 2023, there were \$133,304 and \$62,423, respectively, in the forfeiture account. For 2024, employer contributions were reduced by \$41,390 from Plan forfeitures.

***Benefit Payments***

Participants or their beneficiaries are eligible for cash lump-sum distributions or partial distributions upon retirement, termination, disability, or death. Participants may also make in-service withdrawals if s/he has attained age 59½ or if s/he requests a hardship withdrawal. Terminated participants may also defer payment of Required Minimum Distribution until age 73.

***Notes Receivable from Participants***

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested participant account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the vested participant account balance and bear interest at a rate commensurate with current rates charged by local commercial lenders. Loan repayments are made through payroll deductions and are applied to participant accounts. A participant may only have one outstanding loan at a time.

***Self-Directed Brokerage Account Fees***

The Self-Directed Brokerage account option allows a participant to establish a brokerage account, which provides the opportunity to select from various mutual funds. There is a \$50 annual account fee charged to participants for any open Self-Directed Brokerage accounts, deducted from the participant's core account balance. The investment options available through Brokerage account have associated fees.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Presentation***

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

**MedStar Affiliates 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2024 and 2023**

***Plan Management, Investment Valuation and Income Recognition***

Effective April 1, 2022, Great-West Life & Annuity Insurance Company (GWLA), formerly known as Great-West, the parent company of Empower Retirement, LLC (Empower) acquired the full-service retirement business of Prudential Financial, Inc. In connection with the transaction, GWLA acquired all shares of Prudential Retirement Insurance and Annuity Company, which is no longer affiliated with Prudential Financial, Inc. The acquisition resulted in a transfer of assets and a brief blackout period.

Effective March 31, 2023, Prudential merged into Empower. This merger did not have a material impact to plan participants and had no impact on the financial statements. Following an initial transition period, Empower became the custodian and recordkeeper of the Plan. Empower Trust Company, LLC is the Plan's trustee.

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in mutual funds are based on quoted market information. Securities traded on national securities exchanges are valued at the last reported sales price on the last business day of the plan year. The Plan's interest in the collective trusts is based on the fair value of the collective trusts' underlying investments as based on information reported by the investment advisor using the audited financial statements of the collective trust funds at year end. The collective trusts are managed by Fidelity Management Trust Company (FMTC). The value of the collective trusts are not guaranteed by FMTC.

Net appreciation in fair value of investments is reflected in the statement of changes in net assets available for benefits and includes gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

***Notes Receivable from Participants***

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

***Payment of Benefits***

Benefit payments to participants are recorded upon distribution. Excess contributions refunded to participants for the years ended December 31, 2024 and 2023 include \$3,137 and \$2,238, respectively.

***Administrative Expenses***

Administrative expenses associated with the Plan are allocated to and paid by the participating plan participants. The allocation is based on each participating employer's number of plan participants, at the time of the quarterly allocation. Total administrative expenses were \$55,884 for the year ended December 31, 2024.

***Use of Estimates***

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**MedStar Affiliates 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2024 and 2023**

**NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Prudential Bank & Trust, FSB, and Empower Trust Company, LLC that all information relating to the Plan's investments and related investment income is complete and accurate.

Information related to the investments at fair value in the trust managed by the trustee, net investment income, notes receivable from participants and related interest income, and all information in the supplemental schedule is presented in reliance solely upon the certifications. The Plan's investments are summarized in Note 4.

**NOTE 4 - FAIR VALUE MEASUREMENT OF INVESTMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes methods used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 - Quoted prices in active markets for identical assets or liabilities at the measurement date.
- Level 2 - Observable inputs other than quoted prices for the asset, either directly or indirectly observable, that reflect assumptions market participants would use to price the asset based on market data obtained from sources independent of the Plan.
- Level 3 - Unobservable inputs that reflect the Plan's own assumptions about the assumptions market participants would use to price an asset based on the best information available in the circumstances.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Investments whose fair value has been estimated using NAV, or equivalent, as a practical expedient are stated separately, if applicable.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Level 1	Level 2	Level 3	December 31, 2024 Total

Investments at fair value				

For the years ended December 31, 2024 and 2023, there were no transfers into or out of Levels 1, 2 or 3.

**NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS**

Prudential was the custodian of the Plan until October 2023. Empower became the custodian beginning in October 2023. Notes receivable qualify as party-in-interest transactions.

**NOTE 6 - TAX STATUS**

The Internal Revenue Service has determined and informed the Plan sponsor by a letter dated August 31, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt. In addition, the Plan has been amended since receipt of the latest determination letter.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken.

**NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the participants will become 100% vested in their accounts.

**NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2024 and 2023**

**NOTE 9 - SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through October 10, 2025, the date the financial statements were available to be issued and determined that there were no items to disclose.
