INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
SUP 401(k) Plan:

Opinion

We have audited the financial statements of SUP 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of SUP 401(k) Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SUP 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SUP 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SUP 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SUP 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUP 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Investment Valuation, Transactions and Income Recognition

General

Investments in mutual funds are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan’s assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities’ own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods

In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan’s investment classes are presented below.

Mutual funds: Mutual funds are carried at quoted market value at the last day of the year (Level 1).

Valuation Methods, Consistency

The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

SUP 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

Payment of Benefits

Participants of the Plan are entitled to distributions of their account at any age following termination of employment within the industry. The method of distribution of a participant's account in the Plan is a lump sum. Participants should refer to the Summary Plan Description for more information.

Contributions Receivable

Participant contributions due and not paid prior to year-end are recorded as participant contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided. Contributions owed as a result of payroll audits have been recorded net of an allowance equal to the amount due because collectability is uncertain. Therefore, delinquent contributions are recorded when received.

Cash

Cash consists of monies held in demand-deposit checking accounts and interest-earning accounts without withdrawal restrictions.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in mutual funds and a group annuity contract. Such investments are exposed to various risks, such as interest rate, market fluctuation and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

2. DESCRIPTION OF THE PLAN

SUP 401(k) Plan (the "Plan") was established and is maintained under a trust agreement, effective June 1, 1999, between the Sailors' Union of the Pacific ("SUP") and American Ship Management, LLC, and Matson Navigation Company, Inc. The trust agreement amends and restates the SUP Money Purchase Pension Plan Agreement, which was entered into as of April 1, 1991, between SUP, Matson Navigation Company, Inc., and American President Lines, Ltd. The Plan was established to provide profit-sharing, savings and retirement benefits for eligible employees of participating employers.

The Plan is financed by contributions from the participants and by the net earnings of the investments of the Plan. The Plan also received employer contributions through SUP Welfare Plan, Inc., to subsidize administration fees of the Plan (see Note 6). The Plan is a defined contribution plan covering all employees of the contributing employers whose employment is subject to the terms and conditions of the collective bargaining agreement between the participating employers and SUP. The Plan permits certain employers who do not have a collective bargaining agreement with SUP to enter into a participation agreement with the Trustees to allow their eligible employees to make elective deferrals under the SUP 401(k) Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Participants are fully vested in their accounts as of the first day on which they participate in the Plan.

SUP 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

Participants may elect to defer a percentage of their compensation. The percentage of their total compensation deferral may not exceed the limitations prescribed by law. Contributions to the Plan are invested as directed by the participants in various investment funds. Participants may change their investment options at any time. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investment funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan.

Each participant's account is credited with the participant's contribution and an allocation of earnings on their participant-directed investments. Each participant account is reduced for the quarterly fees assessed. Allocations are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants should refer to the Summary Plan Description for more information.

3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the trust assets then remaining, after providing for the expenses of the trust and for the payment of any benefits therefore approved, shall be distributed among the participants.

4. TAX STATUS

The Plan obtained its latest determination letter, dated March 13, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of Internal Revenue Code Sections 410(b) and 401(a)(4). The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require management to evaluate the tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024 and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. INVESTMENTS AT FAIR VALUE HIERARCHY

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2024 and 2023, are as follows:

<u>Description</u>	<u>Fair Value Measurements</u> <u>at Reporting Date Using:</u>	
	<u>Quoted Prices in Active</u> <u>Markets for Identical Assets</u> <u>(Level 1)</u>	
	<u>2024</u>	<u>2023</u>
Assets in the fair value hierarchy		
Mutual funds	<u>\$ 12,882,468</u>	<u>\$ 10,906,918</u>

6. FUNDING

The Plan is financed, in part, by contributions from the participants and by the net earnings of the investments of the Plan.

During 1999, a Memorandum of Understanding (“MOU”) was established between SUP and Matson Navigation Company, Inc., and American Ship Management, LLC, to provide for certain employer contributions designated for a specified welfare benefit to be diverted from SUP Welfare Plan, Inc., to this Plan to provide for the payment of start-up costs and other administrative expenses.

During the years ended December 31, 2024 and 2023, contributions totaling \$36,222 and \$32,501, respectively, were paid to the Plan in accordance with the MOU.

As of December 31, 2024 and 2023, funds totaling \$3,480 and \$6,587 were due to the Plan from SUP Welfare Plan, Inc., in accordance with the above-referenced MOU. These amounts due to the Plan have been classified as amounts due from related fund on the statements of net assets available for benefits.

Participants are charged a flat-dollar fee of \$5.00 plus two basis points per quarter to offset administrative expenses. For the years ended December 31, 2024 and 2023, the amount received totaled \$54,809 and \$43,296, respectively.

7. MAJOR EMPLOYERS

The Plan has three employers who accounted for a substantial amount (over 80%) of employer contributions for the years ended December 31, 2024 and 2023. In the event these employers suspend contributions, the Plan would retain the risk of current fixed administrative expenses until the appropriate adjustments were made.

8. RELATED-PARTY TRANSACTIONS

SUP Welfare Plan, Inc., provides administrative and accounting services to this Plan. Expenses for these services totaled \$65,125 and \$40,011, respectively, during the years ended December 31, 2024 and 2023. As of December 31, 2024 and 2023, the amounts due to the SUP Welfare Plan, Inc., totaled \$9,904 and \$21,091, respectively. This Plan and SUP Welfare Plan, Inc., have the same Board of Trustees. SIU PD Pension Plan, Inc., also provided certain administrative services to the Plan during the year ended December 31, 2024. Expenses for these services totaled \$8,099 for the year ended December 31, 2023. There were no amounts incurred during the year ended December 31, 2024.

SUP 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

9. REDUCTION OF ADMINISTRATION FEES

Certain expenses for administration and recordkeeping services are reduced or completely subsidized by funds received directly by one of the Plan's service providers from various mutual fund companies ("Sub-TA fees"). These Sub-TA fees are initially credited to a suspense account and reported to the Plan's record keeper under its contract with the mutual fund companies. These credits can be used as an offset against contracted administration and recordkeeping fees that the Plan would otherwise pay.

During the years ended December 31, 2024 and 2023, expenses for administration and recordkeeping services were offset by \$25,163 and \$23,394, respectively. These amounts are shown as other income on the statements of changes in net assets available for benefits. If these Sub-TA fees were discontinued or if modifications were made to the agreement between the Plan and the respective service provider, the expense reduction of certain administration and bookkeeping expenses would cease, which could result in possible increases in net administration expenses charged to the accounts of the participants.

10. CONTRACT WITH INSURANCE COMPANY

In 2016, the Plan entered into a group annuity contract with Standard in which participant deferrals are invested into Standard Insurance Company's general assets. The contract is fully benefit responsive and does not have any liquidity or redemption restrictions. Accordingly, the contract value is the relevant measurement attribute for the portion of the net assets available for the benefits attributable to the contract. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value, regardless of market conditions. Contract value is guaranteed by the full faith and credit of Standard. Contract value of the group annuity contract totaled \$1,533,986 and \$1,715,190 as of December 31, 2024 and 2023, respectively.

Certain events may potentially limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and liberalization of Plan withdrawal or transfer rates. In addition, Standard may terminate the contract with a 30-day advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, Plan disqualification, and failure to adopt the Plan in a reasonable period of time. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at the contract value with participants, is probable.

11. SUBSEQUENT EVENTS

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2024, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 7, 2025, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION

To the Participants and Trustees of
SUP 401(k) Plan:

We have audited the financial statements of SUP 401(k) Plan as of and for the year ended December 31, 2024 and have issued our report thereon dated October 7, 2025, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying information, which appears on pages 11 and 12, Form 5500, Schedule H, Line 4a, Schedule of Delinquent Participant Contributions and Schedule H, Line 4i, Schedule of Assets Held for Investment Purposes, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Form 5500, Schedule H, Line 4a, Schedule of Delinquent Participant Contributions and Form 5500, Schedule H, Line 4i, Schedule of Assets Held for Investment Purposes, are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"). Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
