***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report  
To the Trustees of  
Eagle Flexible Packaging  
401(k) Profit Sharing Plan and Trust

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – 2024 Supplemental Schedules Required by ERISA***

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets Held (At End of Year) for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EAGLE FLEXIBLE PACKAGING 401(k) PROFIT SHARING PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

(1) DESCRIPTION OF PLAN:

The following description of Eagle Flexible Packaging (the Company) 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The financial statements were available to be issued on October 9, 2025, with subsequent events being evaluated through this date.

General -

The Plan is a defined contribution plan, covering substantially all employees of the Company who are at least eighteen (18) years of age and have completed six months of service and are not:

- Residents of Puerto Rico;
- Non-resident aliens.

The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions -

Participants may contribute up to 85% of their compensation as defined by the Plan, limited to the maximum amount allowable under the IRS. The Plan also includes auto enrollment for all employees after six months of employment, unless participants elect otherwise, they automatically contribute 3% of eligible compensation to the Plan. Some or all of a participant's contribution may be designated as a Roth contribution. Roth contributions are made on an after-tax basis; however, such contributions will not be taxed at the time of distribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans. The Company will make safe harbor matching contributions on behalf of eligible participants who made contributions to the Plan during the year in the amount equal to the sum of (i) 100% of salary deferrals up to 1% of eligible compensation, plus (ii) 50% of salary deferrals up to the next 5% of eligible compensation. The Company made Safe Harbor matching contributions of \$212,987 during 2024. The Company also has the option of making an annual discretionary profit-sharing contribution as determined by the Company. The Company did not make a discretionary profit-sharing contribution for the year ended December 31, 2024.

Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts -

Each participant's account is credited with the participant's elective contribution, employer's contributions, rollovers, and earnings thereon. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) DESCRIPTION OF PLAN: (Continued)

Vesting -

Participants are immediately fully vested in their salary deferral contributions plus actual earnings thereon and in all other accounts if the participant dies, becomes disabled or retires while an employee of the Company. Vesting in the Company's contributions are based on years of continuous service (1,000 hours for one year of service). A participant is fully vested in the Company's safe harbor match after two years of credited service. Vesting in the Company's non-elective contributions is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than two (2) years	0%
Two (2) years	20%
Three (3) years	40%
Four (4) years	60%
Five (5) years	80%
Six (6) or more years	100%

Forfeited Accounts -

Forfeited balances of terminated participants' non-vested accounts are used to reduce employer contributions and/or administrative expenses. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$13,367 and \$7,310, respectively. Forfeitures totaling \$10,320 were used to reduce employer contributions during the year ended December 31, 2024.

Notes Receivable from Participants -

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum loan term is five years, unless it is for the purchase of a principal residence, which can be repaid in fifteen years. The loans are secured by the balance in the participant's account and bear interest at the prime rate + 2%. Interest rates applicable to all outstanding loans ranged from 5.25% to 10.50% at December 31, 2024. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits -

Participants withdrawing during the year for reasons of minimum required distributions, disability, active military distribution, retirement, death, or termination of employment are entitled to their vested account balance. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited. A participant with a vested balance not exceeding \$5,000 will receive a lump sum amount equal to the value of the participant's vested interest in their account. If the participant's vested balance exceeds \$5,000, the participant must consent to any distribution before it may be made. If the participant's vested balance exceeds \$5,000, the participant may elect to receive a lump sum distribution, installments over a period of not more than assumed life expectancy, or partial withdrawals of at least \$500. In-service withdrawals are available to participants who meet certain hardship requirements or attain age 59-1/2.

(2) SUMMARY OF ACCOUNTING POLICIES:

Basis of Accounting -

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates -

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income -

Investments are reported at fair value. Appreciation or depreciation in the market value of an investment held both at the beginning and end of the year is equal to the difference between the market value at the beginning and end of the year. Appreciation or depreciation in the market value of an investment acquired during the year and held at the end of the year is equal to the difference between the cost and the market value of the investment at the end of the year.

Gain or loss recognized from the disposition of an investment held at the beginning of the year is equal to the difference between the market value of the disposed asset at the beginning of the year and the proceeds from disposition. Gain or loss realized from the disposition of an investment acquired during the year is equal to the difference between the cost and the proceeds from disposition. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal balances plus accrued interest, if any.

Excess Contributions Payable -

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024. There were no excess contributions payable at December 31, 2024.

Payment of Benefits -

Benefits are recorded when paid.

Administrative Expenses -

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid by the Company. Administrative expenses of \$25,985 were paid by the Plan during the year ended December 31, 2024.

(3) PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(4) FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(4) FAIR VALUE MEASUREMENTS: (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Shares in registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust: Valued periodically based upon the current fair value of the underlying assets of the fund based on quoted market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 4,492,802	\$ -	\$ -	\$ 4,492,802
Common/collective trusts	<u>81,489</u>	<u>-</u>	<u>-</u>	<u>81,489</u>
	<u>\$ 4,574,291</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,574,291</u>

  

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 4,040,109	\$ -	\$ -	\$ 4,040,109
Common/collective trusts	<u>49,602</u>	<u>-</u>	<u>-</u>	<u>49,602</u>
	<u>\$ 4,089,711</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,089,711</u>

(5) INCOME TAXES:

The Plan has adopted the ADP, LLC Non-Standardized Pre-Approved Profit Sharing Plan with CODA. The Plan has received a favorable opinion letter dated October 6, 2020 from the Internal Revenue Service, stating that the prototype plan is qualified under the Internal Revenue Code (IRC). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, the Plan is exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan believes it is no longer subject to income tax examination for years prior to 2021.

(6) CERTIFIED INVESTMENTS:

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024, and net appreciation/depreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

(7) RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(8) PARTY-IN-INTEREST TRANSACTIONS:

Participants covered under the Plan are considered to be parties-in-interest. Participant loans in the amounts of \$218,759 and \$125,010 at December 31, 2024 and 2023, respectively, are considered to be party-in-interest investments.

Certain employees of the Company that provide administrative services for the Plan are not reimbursed for their services from the Plan.

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 4,797,968	\$ 4,220,060
Less – Employer contribution receivable	(4,918)	(5,822)
Plus - Amount designated as a liability for excess contributions	<u>-</u>	<u>483</u>
Net assets available for benefits per the Form 5500	<u>\$ 4,793,050</u>	<u>\$ 4,214,721</u>

The following is a reconciliation of employer contributions per the financial statements for the year ended December 31, 2024, to the Form 5500:

Contributions per financial statements	\$ 212,987
Less – Receivable for 2024	(4,918)
Plus – Receivable for 2023	<u>5,822</u>
Contributions per the Form 5500	<u>\$ 213,891</u>

The reconciling item above is the result of the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.
