**To the Participants and Plan Administrator of the  
Cable East Inc - 401(k)  
Statham, Georgia**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements**

**We have performed an audit of the financial statements of Cable East Inc - 401(k) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024; the related statement of changes in net assets available for benefits for the year ended; and the related notes to the 2024 financial statements.**

**Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).**

**Management has obtained a certification from Reliance Trust Company, a qualified institution, as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.**

### **Opinion on the 2024 Financial Statements**

**In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section—**

- **the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.**

- the information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Cable East Inc - 401(k) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cable East Inc - 401(k)’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors’ Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Cable East Inc - 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cable East Inc - 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **2024 Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Auditor's Report on the 2023 Financial Statements

Predecessor auditors performed an audit of the 2023 financial statements of Cable East Inc - 401(k). In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 4, 2024 indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of the Cable East Inc - 401(k) (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan covering substantially all employees of Cable East Inc - 401(k) (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established to provide the Company's employees with a savings plan, which provides for periodic employee contributions matched in whole or in part by the employer, in accordance with the provisions of the Plan.

**Contributions** - A participant may contribute to the maximum that is allowed by law of compensation, as defined, as an authorized payroll deduction. The Plan also allows participants to designate a portion or all of their deferral contribution as a Roth deferral contribution. Participants who have attained age 50 are eligible to make "catch up contributions" before the end of the plan year. The Company contributes a safe harbor match in an amount equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 4% of the participant's compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Safe harbor matching contributions totaled \$531,142 for the year ending December 31, 2024. The Company may, at its discretion, make a profit-sharing contribution to the Plan. The Company elected to make no discretionary profit-sharing contribution for the year ended December 31, 2024. Contributions from Plan participants and the matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

**Participant accounts** - Each participant's account is credited with the participant's contribution and Company matching contributions as well as allocations of the Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or losses or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Eligibility** - Eligible employees are able to make salary deferrals into the Plan. In order to be eligible to receive matching employer contributions, a participant must satisfy certain age and service requirements. These requirements include that the employee is at least 18 years of age and has completed 3 months of service.

**Notes receivable from participants** - Employees who have participated in the Plan may borrow against the vested portion of their account balance. The minimum amount of any loan is \$500, and the loan cannot exceed 50% of the vested portion of the participant's account balance or \$50,000, whichever is less. One residence related loan and one other loan per participant may be outstanding at any time. Payments of principal and interest are made semi-monthly through payroll deduction. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 10.50%, which are commensurate with local prevailing rates as determined by the Plan administrator.

CABLE EAST INC - 401(K)  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

**Vesting** - Participants are immediately vested in their contributions and the employer's safe harbor match plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

**Investment options** – Upon enrollment in the Plan, a participant may direct employer and employee contributions in any of several investment options approved by the Cable East Inc - 401(k) Plan Administrator and Plan Sponsor. Participants may change their investment options at their discretion.

**Payment of benefits** - On termination of service due to death, disability or retirement, a participant, or their beneficiary, may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** - The financial statements of the Plan are prepared using the accrual method of accounting.

**Investment valuation and income recognition** - The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Payment of benefits** - Benefits are recorded when paid.

**Expenses** - Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

**CABLE EAST INC - 401(K)**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Notes receivable from participants** - Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded monthly. No allowance for credit losses has been recorded at December 31, 2024 and 2023. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

**Risks and uncertainties** - The Plan's investment assets ultimately consist of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

**NOTE 3 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Plan participants are 100% vested in their accounts at all times including in the event of plan termination.

**NOTE 4 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

There are no reconciling differences between net assets available for benefits on the financial statements and the Form 5500 at December 31, 2024 and 2023.

There are no reconciling differences in benefits paid between the financial statement and the Form 5500. Amounts allocated to withdrawing participants are recorded in the Form 5500 for benefits claims that have been processed and approved for payment prior to the December 31, but not yet paid as of that date. No approved benefit claims existed at December 31, 2024, which were not paid.

**NOTE 5 TAX STATUS**

The Company has adopted the Plan based on a volume submitter plan document sponsored by ERISA Services. ERISA Services has received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, that states that the form of the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**CABLE EAST INC - 401(K)**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 6 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, the trustee of the Plan, at December 31, 2024 and 2023, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan’s financial statements and supplemental schedules.

	<b>2024</b>	<b>2023</b>
<b>Investments:</b>		
Mutual funds	\$ 4,412,595	\$ 3,497,602
Common collective trusts	2,063,557	1,469,713
Notes receivable from participants	156,422	194,087
<b>Total investments</b>	<b>\$ 6,632,574</b>	<b>\$ 5,161,402</b>

For the year ended December 31, 2024, the trustee certified to the completeness and accuracy of the Plan’s net appreciation in the fair value of investments of \$389,827 and dividends related to the aforementioned Plan assets of \$128,095.

**NOTE 7 RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS**

Reliance Trust Company performs services for, sells products to, manages, and maintains certain investments of the Plan for which fees are charged to the Plan. Both the Plan Sponsor and the Plan can pay these fees. Such transactions, while considered party in interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party in interest transactions under ERISA. Administrative fees paid by the Plan Sponsor were \$31,261 for the year ended December 31, 2024.

Reliance Trust Company provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement (“MSA”) between the Plan and Reliance Trust Company. Reliance Trust Company receives revenue from mutual fund service providers for services Reliance Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Reliance Trust Company for its administrative services to the Plan.

If the revenue received by Reliance Trust Company from such mutual fund service providers exceeds the amount owed under the MSA, Reliance Trust Company remits the excess to the Plan’s trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2024, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Reliance Trust Company for administrative expenses not covered by revenue sharing.

**CABLE EAST INC - 401(K)**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 8 FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2** Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

***Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.*

***Common collective trusts:** The fair values of the collective investment trusts are not publicly quoted pricing inputs. The fair value of these investments is used in determining the net asset value (NAV) of the collective trust fund, which is not publicly quoted but is available to current investors via the employer website or when participants access their account values.*

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
