INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
MFU Training Plan:

Opinion

We have audited the financial statements of MFU Training Plan, which comprise the statements of net assets available for benefits - cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits - cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of MFU Training Plan as of December 31, 2024 and 2023, and the changes in its net assets for the years then ended, in accordance with the cash basis of accounting.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the MFU Training Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw your attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the MFU Training Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the MFU Training Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

MFU Training Plan
Notes to Financial Statements - Cash Basis
December 31, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared using the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Revenue is recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred. The financial statements are not intended to present the MFU Training Plan's ("Plan") net assets available for benefits and the changes in its net assets available for benefits in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingencies, at the date of the financial statements and changes therein during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

School expenses are recorded when paid.

Employer Contributions

Funds are received as a result of collective bargaining from companies in the maritime industry that employ persons represented by the Union.

Benefit Obligations

Due to the nature of benefits provided by the Plan, there are no benefit obligations. Therefore, the statements of benefit obligations and statements of changes in benefit obligations are not included in the financial statements.

2. DESCRIPTION OF THE PLAN

The following description of MFU Training Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

MFU Training Plan (the "Plan") was established on November 9, 1987, between Marine Firemen's Union (the "MFU") and Pacific Maritime Association (the "PMA"). The Plan is financed primarily by employer contributions in accordance with the provisions of the applicable collective bargaining agreements, which cover unlicensed engine department seamen represented by the MFU. The Plan was created for the purpose of providing training benefits to seamen for eligible employees of the contributing employers. The training relates to skills necessary to perform jobs covered by the agreements and includes such expenses as course tuition, travel expenses, per diem allowances and other approved expenses. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy, or make provisions to satisfy, the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for, or diverted to, purposes other than the exclusive benefit of the participants.

4. TAX STATUS

The Plan obtained its latest determination letter, dated January 24, 1989, in which the Internal Revenue Service stated that the Plan, as then designed, met the requirements of Section 501(c)(3) of the Internal Revenue Code to be exempt from federal income tax. The Plan has been designated by the Internal Revenue Service as a private foundation under Section 509(a) of the Internal Revenue Code and is, therefore, subject to an excise tax on net investment income. The excise tax incurred each year by the Plan, if any, is paid in the following calendar year. The Plan has been amended since receiving the determination letter; however, the Plan's administrator and the Plan's counsel believe that the Plan and related trust continue to be tax exempt as of the financial statement date.

The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024 and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

5. FUNDING POLICY

The Plan is financed by employer contributions. The monthly contribution rate is specified in the collective bargaining agreements.

Substantially all of the contributions are from sources related to the maritime industry, predominately located in the Pacific Coast region. Consequently, the Plan's ability to collect the amounts due from employer companies is affected by economic fluctuations in the maritime industry and the Pacific Coast region.

6. CONCENTRATION OF CASH

The Trust has significant cash balances at financial institutions which throughout the year regularly exceed the federally insured limit of \$250,000. Any loss incurred or a lack of access to such funds could have a significant adverse impact on the Trust's financial condition, results of operations, and cash flows.

7. RELATED PARTY TRANSACTIONS

During the years ended December 31, 2024, and 2023, the MFU provided certain administrative services to the Plan, which the Trustees consider necessary for its operation. Reimbursements for expenses made for administrative services totaled \$21,000 for each of the years ended December 31, 2024, and 2023.

8. MAJOR EMPLOYERS

As of December 31, 2024, and 2023, the Plan had three employers, who accounted for a substantial amount of employer contributions. In the event one or more of these employers suspend contributions, the Plan would retain the risk of current fixed administrative expenses until the appropriate adjustments are made.

9. SUBSEQUENT EVENTS

In preparing these financial statements, management of the Trust has evaluated events and transactions that occurred after December 31, 2024, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 8, 2025, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

SUPPLEMENTARY INFORMATION

REPORT ON SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
MFU Training Plan:

We have audited the financial statements of MFU Training Plan (the "Plan") as of and for the year ended December 31, 2024, and have issued our report thereon dated October 8, 2025, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying information, which appears on Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. The Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented.
