INDEPENDENT AUDITORS' REPORT

Plan Trustees
Health Care Plan of I Supply Company
Fairborn, Ohio

Opinion

We have audited the accompanying financial statements of **Health Care Plan of I Supply Company** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of **Health Care Plan of I Supply Company** as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Health Care Plan of I Supply Company** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Health Care Plan of I Supply Company's** ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Health Care Plan of I Supply Company's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the **Health Care Plan of I Supply Company's** ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT - CONTINUED

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) on page 10 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HEALTH CARE PLAN OF I SUPPLY COMPANY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Health Care Plan of I Supply Company** (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan provides health benefits covering all eligible employees of the participating Plan Sponsor, I Supply Company (the "Company"), located in the State of Ohio. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees of the I Supply Company Health Benefit Trust oversee governance of the Plan.

Contributions - The Company is required to make monthly contributions to the Plan based on established rates for elected coverage. Contribution rates are determined on an annual basis based on administrative, broker, and stop loss agreements, as well as anticipated claims.

Benefits - The Plan provides health benefits (medical and prescription drugs) for employees of the Company and their eligible dependents, which are self-insured.

Stop Loss Coverage - The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Premiums for stop loss insurance are included in the accompanying statement of changes in net assets available for benefits. The Plan recognized \$32,758 of stop loss reimbursements during the year ended December 31, 2024 which have been netted against benefit expenses on the statement of changes in net assets available for benefits.

Self-insured Benefits - The claims for self-insured benefits are processed by the Plan's third-party claims processor under an administrative services only (ASO) arrangement. The Plan's third-party claims processor, through an affiliated entity, contracts with manufacturers and pharmacy benefits managers (PBMs) and is entitled to certain drug rebates from the manufacturers and PBMs based on a number of factors. The Plan's third-party claims processor has agreed to share the drug rebates with the Plan. Pharmacy rebates totaling \$26,029 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

HEALTH CARE PLAN OF I SUPPLY COMPANY

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Stop Loss and Rebates Receivable - Stop loss receivables represent amounts due to the Plan from its reinsurance carrier for reimbursement of claims paid that exceed the stop loss limit. Rebate receivables represent prescription rebates for prior claims paid.

Payment of Benefits - Claim payments are recorded when paid and are reflected in the accompanying statement of changes in net assets available for benefits.

Administrative Expenses - Plan expenses are paid by the Plan, as provided by the Plan document. Expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

Actuarial Present Value of Benefit Obligations - Plan obligations at December 31 for medical and prescription claims incurred by active participants, but not reported at December 31, are estimated by the Plan's actuary in accordance with accepted actuarial principles. The actuarial present value of claims incurred but not reported (IBNR) is based on past paid claims data in order to develop an estimate of the percentage unpaid. Such estimated amounts are reported in Notes 3 and 4 at present value.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the benefit obligation.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 7, 2025, the date the financial statements were available to be issued.

NOTE 3 - SUMMARY OF PLAN BENEFIT OBLIGATIONS

Amounts payable for claims incurred but not yet reported and claims payable as of December 31, 2024 are as follows:

Claims incurred but not yet reported	\$ 57,906
Claims payable	<u>23,639</u>
Plan's Total Benefit Obligation	<u>\$ 81,545</u>

Claims incurred in 2024 but paid in 2025 will be included in the claims paid for the 2025 specific and aggregate stop loss policy.

HEALTH CARE PLAN OF I SUPPLY COMPANY

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - SUMMARY OF CHANGES IN PLAN BENEFIT OBLIGATIONS

The changes in amounts payable for claims incurred but not yet reported and claims payable for the year 2024 are as follows:

Balance, beginning of year	\$ -
Net change during the year	<u>81,545</u>
Balance, end of year	<u>\$ 81,545</u>
Plan's Total Benefit Obligation	<u>\$ 81,545</u>

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Plan paid certain expenses related to Plan operations to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to discontinue participation in the Plan subject to provisions set forth in the Plan document and ERISA. In the event the Plan is terminated, the Company shall not have the right to make any amendment which would allow any of the monies or property held in the Trust to revert to the Company or to inure to its benefit, directly or indirectly, except through payment of benefits to participants pursuant to the Plan or payment of the cost of administering the Plan. The liability for any claim or claims under the Plan is specifically limited to the assets of the Trust. If the assets of the Trust shall be depleted, neither the Trustees, nor the Company shall have any liability to pay claims or expenses.

NOTE 7 - TAX STATUS

The Trust established under the Plan to hold the Plan's assets is not intended to qualify for a tax exemption under the Internal Revenue Code. The Plan has not been established to provide post-retirement medical benefits, and the Plan shall be construed and administered in a manner that it will not be subject to any tax imposed by Section 4976 of the Internal Revenue Code.

Taxable income is determined by calculating net investment income. Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. Based on the results of the Plan Administrator's evaluation, no liability has been recognized in the accompanying statement of net assets available for benefits for uncertain income tax positions. The Trust is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.
