INDEPENDENT AUDITOR'S REPORT

To the Trustees of
RedStone Construction Group, Inc. 401(k) Plan
Little Rock, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of RedStone Construction Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RedStone Construction Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RedStone Construction Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RedStone Construction Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RedStone Construction Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RedStone Construction Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and 2023 and schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REDSTONE CONSTRUCTION GROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 1: Description of Plan

The following description of the RedStone Construction Group, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of RedStone Construction Group, Inc. and its wholly-owned subsidiary companies: Contractors Leasing Corp; LR Trucking, LLC; and Asphalt Products, LLC (together the "Employer"). Employees who have attained age 21 and have completed one year of service and worked 1,000 or more service hours during the year are eligible to make contributions to the Plan and to participate in the employer match. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2024, The Setting Every Community Up for Retirement Enhancement (SECURE) Act extended eligibility for participation in 401(k) plans to certain long-term part-time (LTPT) employees. LTPT employees must have three consecutive years of eligible service beginning in 2021 in order to make deferral contributions into the Plan. Eligible service is defined as at least 500 hours of service for each 12-month eligibility period. The eligibility service window applies for plan years beginning after December 31, 2020, and excludes service before that. The Plan Sponsor may still require the employee to satisfy any minimum age requirements, and can also decide whether LTPT employees will receive any portion of employer contributions.

Contributions

Each year participants may contribute 100% of their annual compensation, as defined in the Plan document, not to exceed the limit set by the Internal Revenue Code of \$23,000 and \$22,500 in 2024 and 2023, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to an additional \$7,500 in 2024 and 2023, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who meet eligibility requirements will receive "safe harbor" employer matching contributions equal to 100% of the amount that a participant contributes to the Plan up to 4% of their compensation. In addition to the "safe harbor" contributions, the Employer may provide additional discretionary employer matching and non-elective contributions. In order to receive an allocation of any discretionary non-elective contributions, the participant must have completed at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. The Employer did not make any additional discretionary employer matching or non-elective contributions during 2024 or 2023.

Participant-Directed Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's contributions plus earnings or losses thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants' accounts will also be charged with an allocation of administrative fees. Participants may direct their accounts among the investment options offered under the Plan and may change their investment selections at any time. The Plan currently offers forty-three investment options for participants consisting of forty-one mutual funds, one money market fund, and one cash reserve account.

REDSTONE CONSTRUCTION GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Vesting

Participants are immediately vested in their contributions and the Employer's "safe harbor" contributions, plus earnings thereon. Vesting in the portion of their account attributable to the Employer's discretionary matching and non-elective contributions is based on each participant's years of service. Participants will have one year of service for each service period in which the participant has 1,000 or more hours of service. A participant is 100% vested after five years of service based on a graduated vesting schedule. A participant's interest will also become 100% vested upon death, retirement at age 65 or older, becoming permanently disabled while employed, or upon termination of the Plan. The vesting percentage is determined as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. Participants are limited to two loans at any one time. The loans are secured by the balance in the participant's account and bear a fixed rate of interest at a rate equal to the prime rate at the loan date plus two percent. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of service, death, disability, or retirement, a participant, limited by certain Plan provisions, may elect to withdraw all or part of his or her vested balance in a single lump sum distribution. Any balance remaining with the Plan continues to be adjusted for Plan earnings, gains, or losses. According to the Plan, hardship withdrawals are allowed prior to termination. The reason for such hardship withdrawal must meet certain criteria as determined by the Plan document. In-service distributions are available to participants who have attained age 59 ½. There were no benefits requested during 2024 or 2023 that were not paid until the following year.

Forfeitures

The portion of a participant's account to which they are not entitled upon termination of participation is deemed a forfeiture. The Plan document allows the Plan to use forfeited balances to pay plan administrative expenses, restore participant accounts, and then to reduce any Employer contributions. For the years ended, December 31, 2024 and 2023, forfeitures of \$8,637 and \$8,001 were used to pay Plan expenses. At December 31, 2024 and 2023, total forfeitures were \$8,815 and \$17,228, respectively.

REDSTONE CONSTRUCTION GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan administrators to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participants' account and are included in administrative expenses.

Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through October 8, 2025, the date these financial statements were available to be issued.

REDSTONE CONSTRUCTION GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2024:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash and Cash Equivalents	\$ 772,515	\$ 772,515	\$ -	\$ -
Mutual Funds	4,482,430	4,482,430	-	-
Money Market Funds	<u>269,690</u>	<u>269,690</u>	-	-
Investments at Fair Value	<u>\$ 5,524,635</u>	<u>\$ 5,524,635</u>	<u>\$ -</u>	<u>\$ -</u>

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2023:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash and Cash Equivalents	\$ 257,265	\$ 257,265	\$ -	\$ -
Mutual Funds	3,897,492	3,897,492	-	-
Money Market Funds	<u>359,143</u>	<u>359,143</u>	-	-
Investments at Fair Value	<u>\$ 4,513,900</u>	<u>\$ 4,513,900</u>	<u>\$ -</u>	<u>\$ -</u>

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

REDSTONE CONSTRUCTION GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

The following section describes the valuation methodologies the Plan uses to measure financial instruments at fair value:

Cash and Cash Equivalents: Valued at the net asset value of shares held by the Plan at year end.

Money Market and Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in the net change in fair value of investments. The Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation of the investments held at the end of the year) appreciated in value by \$508,720 and \$483,558 during 2024 and 2023, respectively.

Note 4: Plan Termination

Although it has not been expressed any intent to do so, the Employer has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the employer discretionary matching and non-elective contributions portion of their accounts. Employee contributions, employer "safe harbor" contributions and their related earnings are always 100% vested.

Note 5: Income Tax Status

The Plan obtained its latest opinion letter on January 12, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Note 6: Information Prepared and Certified by the Custodian

The Plan's investments are held by Charles Schwab Trust Bank, the custodian. The amounts set forth in the accompanying financial statements for investments and investment income and the information shown in the supplemental schedules were summarized from information furnished by Charles Schwab Trust Bank. The Plan administrator received from the custodian certification that information furnished is complete and accurate. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the information certified as complete and accurate by Charles Schwab Trust Bank were not subjected to any audit procedures except for comparing the information with the related information included in the financial statements and supplemental schedules.

REDSTONE CONSTRUCTION GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 7: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such person.

Perfect 401(k) is the third-party administrator and Charles Schwab Trust Bank is the custodian of the Plan. They are by definition a party-in-interest and as a result, all investment transactions were with a party-in-interest. Certain Plan investments are shares of mutual funds managed by Charles Schwab Trust Bank. Fees incurred by the Plan for the investment management services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Employer and custodian are included in net change in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan paid administrative and investment management fees of \$58,765 and \$49,386 in 2024 and 2023, respectively, directly to parties-in-interests. These transactions are exempt from being prohibited transactions under ERISA.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Reconciliation of Financial Statements to Schedule H of Form 5500

Certain amounts reported in the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements. The differences are due to different presentation of investment income but are not materially different.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
Net Assets Available for Benefits per the Financial Statements	\$ 5,735,072	\$ 4,753,901

Net Assets Available for Benefits per Schedule H to the Form 5500	<u>\$ 5,735,072</u>	<u>\$ 4,721,657</u>

The following is a reconciliation of total contributions per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2024:

Contributions per the Financial Statements	\$ 796,735
Add: Participants' Contributions Receivable at December 31, 2023	11,456
Add: Employer's Contributions Receivable at December 31, 2023	<u>20,788</u>
