Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the financial statements of Chimes International Limited 403 (b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2024 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 Chimes International Limited 403 (b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chimes International Limited 403 (b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chimes International Limited 403 (b) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements for the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chimes International Limited 403 (b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chimes International Limited 403 (b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter

Auditors' Report on the 2023 Financial Statements

Predecessor auditors performed an audit of the 2023 financial statements of Chimes International Limited 403 (b) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 9, 2024 indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

CHIMES INTERNATIONAL LIMITED 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A – DESCRIPTION OF THE PLAN

The following description of Chimes International Limited 403(b) Plan (the Plan), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan effective July 1, 2004 covering all eligible employees of The Chimes, Inc., Chimes Metro, Inc., Chimes Virginia, Inc., Chimes International Limited, Chimes District of Columbia, Inc. and Holcomb Associates, Inc. (collectively, the Sponsor). The Pension Committee is responsible for the oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Pension Committee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan adopted the provisions of the CARES Act, the SECURE Act, and the SECURE 2.0 Act and the Plan document was formally amended effective January 1, 2023 in accordance with legislation.

2. Eligibility

Each employee is eligible to make contributions to the Plan upon hire.

3. Contributions

Each year, participants may contribute up to 90 % of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants directed the investment of their contributions into various investment options offered by the Plan.

The Sponsor may make discretionary matching contributions of 100% of participant contributions up to a maximum of 3% of base compensation. Employees of The Chimes, Inc., Chimes Metro, Inc., Chimes Virginia, Inc. and Chimes International Limited are eligible for employer discretionary contributions after two years of service equal to 2.5% of compensation. Employees of Chimes District of Columbia, Inc. are eligible for employer discretionary contributions as defined by prevailing wage contracts. Employees of Holcomb Associates, Inc. are not eligible for employer discretionary contributions. Sponsor matching and employer discretionary contributions are invested in the same investment options and allocated percentages as the participant-directed contributions.

NOTE A –DESCRIPTION OF THE PLAN – Continued

4. Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's matching contributions, any employer nonelective contributions, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transaction, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

5. Vesting

Participants are immediately 100% vested in their contributions and the Sponsor's discretionary contributions, plus actual earnings thereon. Participants who become eligible to receive Sponsor matching contributions on or after March 1, 2018, vest in the matching contributions plus actual earnings after the completion of three years of service at which time the participant is 100% vested. Participants who became eligible to receive Sponsor matching contributions prior to March 1, 2018, vest in the matching contributions plus actual earnings at a rate of 20% per year and are 100% vested after three years of credited service.

6. Payments of Benefits

The Plan permits withdrawals when a participant terminates employment, reaches retirement age or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum, installment or partial payments.

7. Forfeited Accounts

Forfeited non-vested accounts totaled \$113,720 and \$145,823 as of December 31, 2024 and 2023. These accounts will first be used to pay plan administrative expenses and then used to reduce future Sponsor contributions. During the year ended December 31, 2024, forfeitures of \$83,331 were used to pay administrative expenses and \$64,272 were used to reduce employer contributions.

8. Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest between 5.25% to 10.50%. Principal and interest are paid through payroll deductions. Participants may also make direct payments to the custodian to pay a loan off in full.

9. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The Plan's Pension Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant's note receivable is reduced and a benefit payment is recorded.

5. Payment of benefits

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

7. Subsequent events

The Plan has evaluated subsequent events and transactions through October 10, 2025, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2024, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, Equitable Financial Life Insurance Company, and Mutual of America Life Insurance Company, the custodians of the Plan.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used December 31, 2024 and 2023.

Money market fund and registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE D – FAIR VALUE MEASUREMENTS - Continued

Pooled separate accounts: Valued at the NAV of shares in each account held by the Plan at year-end. The NAV is not a publicly quoted price in an active market. The NAV, as provided by the insurance carrier, is used as a practical expedient to estimating fair value.

Guaranteed interest contracts (non-benefit responsive): Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

Description	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total

Changes in Fair Value of Level 3 Assets

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE D – FAIR VALUE MEASUREMENTS - Continued

The following table sets forth a summary of certain changes in the fair value of the Plan's level 3 assets for the year ended December 31, 2024:

	Guaranteed Interest Accounts with Insurance Companies
Purchases	\$ 9,857
Issuances	19,341
Transfers in	-
Transfers out	-

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments as of December 31, 2024 and 2023, respectively, and the significant unobservable inputs and the ranges of values for those inputs:

Instrument	Fair Value		Principal Valuation Technique	Significant Unobservable Inputs	Range of Significant Input Values
	2024	2023			
MOA Interest Accumulation Account	\$ 208,683	\$ 211,287	Discounted cash flow	Discount rate	3%
AXA Guaranteed Interest Option Fund	\$ 116,590	\$ 123,469	Discounted cash flow	Discount rate	1.25%-3%

In estimating fair value of the investments in level 3, the Sponsor may use third-party pricing sources or appraisers.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value per Share Practical Expedient

- a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D – FAIR VALUE MEASUREMENTS - Continued

The following table summarizes investments measured at fair value based on net asset value (NAV) per share (or its equivalent) as a practical expedient as of December 31, 2024 and 2023:

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Redemption Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 653,928	None	Daily	None

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Redemption Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 589,679	None	Daily	None

NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan held a traditional, fully benefit-responsive guaranteed investment contract with Transamerica Life Insurance Co. (Transamerica) that is reported at contract value. The contract was terminated effective August 30, 2023. Transamerica maintained the contributions in a general account. The account was credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The crediting interest rate was based on a formula agreed upon with the issuer, and was reviewed on a quarterly basis for resetting.

NOTE F – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ADP, LLC (ADP) is the record-keeper, as defined by the Plan. Greenspring Advisors (Greenspring) are the Plan advisors. Retirement Management Services, LLC are the Plan's third party administrator. McGladrey and Pullen are the Plan's accountants. Transactions with the Plan and ADP, Greenspring, Retirement Management Services, LLC and McGladrey and Pullen qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in the fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to ADP of \$157,00, payments to Greenspring of \$71,085, payments to Retirement Management Services, LLC of \$19,448 and payments to McGladrey and Pullen of \$34,700, all which are not covered by revenue sharing. The Plan sponsor pays directly any other fees related to the Plan's operations.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE H – TAX STATUS

The Plan and the related annuity contracts meet and intend to continue to meet the requirements of Internal Revenue Code Section 403(b) to exclude the account balances from the plan participants' gross income. The Plan Sponsor has operated the Plan in a manner that did not jeopardize this tax status.

NOTE H – TAX STATUS – Continued

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
