## Independent Auditors' Report

Benefits Governance Committee  
Edgewell Personal Care 401(k) Plan  
Shelton, Connecticut

### *Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Edgewell Personal Care 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis For Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities Of Management For The Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities For The Audit Of The Financial Statements***

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required By ERISA***

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Independent Auditors' Report

Benefits Governance Committee  
Edgewell Personal Care 401(k) Plan  
Shelton, Connecticut

### *Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Edgewell Personal Care 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis For Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities Of Management For The Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities For The Audit Of The Financial Statements***

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required By ERISA***

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# EDGEWELL PERSONAL CARE 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS

December 31, 2024 And 2023

### 1. Description Of The Plan

The following description of Edgewell Personal Care 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

#### General

The Plan is a defined contribution plan, established for the purpose of enabling employees to enhance their long-range financial security through regular savings with the benefit of Edgewell Personal Care Company (the Company or Plan Administrator) matching contributions. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Eligibility

Participation in the Plan is open to substantially all regular full and part-time domestic employees of the Company and its designated subsidiaries, including certain internationally assigned employees who are subject to the U.S. Federal Insurance Contributions Act tax.

Eligible employees may participate in the Plan immediately upon hire. Eligible employees are automatically enrolled as Plan participants following 30 days of employment, unless within such 30-day period they either opt out of participation or elect to begin participation earlier. Under the automatic enrollment process, contribution levels and investment choices are pre-determined, unless employees take action to increase or decrease contributions or change investment direction.

#### Contributions

Participants may contribute up to 100% of their compensation, in 1% increments on a before-tax, Roth or after-tax basis, subject to Internal Revenue Service (IRS) limits. Employees who are automatically enrolled in the Plan contribute 6% on a before-tax basis, unless they take action to change the contribution percentage. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

For the years ended December 31, 2024 and 2023 before-tax and/or Roth contributions not exceeding 6% of the participant's compensation were matched 100% by the Company.

## **EDGEWELL PERSONAL CARE 401(k) PLAN**

### Notes To Financial Statements (*Continued*)

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's matching contributions and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All participant contributions and Company matching contributions are invested at the participant's direction in the investment funds offered by the Plan and selected by the participant.

#### **Notes Receivable From Participants**

Participants may borrow from their accounts subject to provisions of the Plan Document. Loans are limited in the aggregate to the lesser of 50% of the vested amount in the participant's account or \$50,000, reduced by the highest outstanding participant loan balance in the one-year period ending immediately before the date of the new loan. The minimum loan amount is \$1,000. Participants pay interest on such loans, at a fixed rate of 1% above the prime rate, determined as of the first day of the month in which the participant applies for the loan. Participant loans may be up to a maximum loan period of five years for general-purpose loans and ten years for the purchase of a principal residence. Loan repayments are made through payroll deductions each pay period. Participants must agree orally (ratified by subsequent cashing of the loan check), electronically, or in writing to the terms of the loan.

#### **Vesting**

Employee before-tax, Roth, after-tax, and rollover contributions and earnings thereon vest immediately. Company matching contributions and earnings thereon vest over a period of four years at a rate of 25% per year for each year of service. In the event of (i) a participant's attainment of age 55 while still employed, (ii) death, (iii) total and permanent disability while still employed, or (iv) termination of employment within 12 months following a change in control (as defined by the Plan) provided that such termination is either by the participant for good reason (as defined by the Plan) or by the participant's employer for any reason other than cause (as defined by the Plan), Company contributions and earnings thereon become 100% vested, even if the participant has been credited with fewer than four years of service.

## **EDGEWELL PERSONAL CARE 401(k) PLAN**

---

### Notes To Financial Statements (*Continued*)

#### **Forfeitures**

Upon a participant's termination of employment, any Company matching contributions and the earnings thereon that are not vested will be forfeited, but will be restored and eligible for additional vesting if the participant again becomes an eligible employee within five years after termination and completes any remaining service requirements. Forfeitures, net of amounts restored, are used to reduce future Company matching contributions required under the Plan. Forfeitures available for future use as of December 31, 2024 and 2023 amounted to \$452,801 and \$553,661, respectively. Forfeitures used to reduce Company contributions for the years ended December 31, 2024 and 2023 were \$705,285 and \$441,273, respectively.

#### **Payment Of Benefits**

Upon death, disability, termination of employment, or attainment of age 70 1/2, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his/her account or in various installment options specified in the Plan Document. Participant accounts with vested balances of \$1,000 or less will be automatically distributed unless the plan administrator is otherwise instructed.

#### **In-Service Withdrawals**

In-service withdrawals of before-tax contributions, Roth contributions and the vested portion of the Company's matching contributions contributed to the Plan may be made prior to termination or retirement in the event of financial hardship or any time after the participant reaches age 59 1/2. For all participants, hardship distributions are limited to the amount required to meet the need created by the hardship to the extent the need cannot be satisfied by other resources available to the participant. After-tax contributions and earnings thereon may be withdrawn at any time.

#### **Administrative Expenses**

Except for loan fees associated with notes receivable from participants and investment advisory fees, all significant administrative expenses of maintaining the Plan are paid by the Company.

#### **Plan Administration**

The Plan is administered by Benefits Governance Committee (BGC). BGC or one of its subcommittees reviews and determines benefit appeals by participants and has the exclusive right to interpret the Plan and to decide matters arising under the Plan or in connection with its administration, including determination of eligibility and the amount of distributions and withdrawals. Members of BGC are Company employees and are appointed by the Company's Chief Executive Officer.

## **EDGEWELL PERSONAL CARE 401(k) PLAN**

### Notes To Financial Statements (*Continued*)

Vanguard Fiduciary Trust Company (Vanguard) is Trustee of the Plan's assets. As Trustee, Vanguard has the authority to hold, manage and protect the assets of the Plan in accordance with provisions of the Plan and trust agreement.

## **2. Significant Accounting Policies**

### **Basis Of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

### **Estimates And Assumptions**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

### **Contributions Receivable And Credit Loss Policy**

Amounts due for contributions are stated at the amount that management expects to collect from outstanding balances less an allowance for expected credit losses. The expected credit losses amount reflects management's best estimate of amounts that will not be collected. This assessment considers historical experience, current conditions and, when appropriate, reasonable and supportable forecasts.

The Company has concluded that no allowance for current expected credit losses was necessary at December 31, 2024 or 2023.

### **Investment Valuation And Investment Income Recognition**

The Plan's investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## EDGEWELL PERSONAL CARE 401(k) PLAN

---

### Notes To Financial Statements (Continued)

#### Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded as earned. Related fees are recorded as administrative expenses and expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### Payment Of Benefits

Benefits are recorded when paid.

#### Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

### 3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<b>(Dollars In Thousands)</b>	
	<b>2024</b>	<b>2023</b>
Registered investment companies	\$ 351,716	\$ 317,597
Collective trust funds	314,715	292,462
Notes receivable from participants	5,056	5,145

## EDGEWELL PERSONAL CARE 401(k) PLAN

---

### Notes To Financial Statements (*Continued*)

The Trustee also certified to the completeness and accuracy related the following investment income and interest income on notes receivable from participants for the years ended December 31:

	<b>(Dollars In Thousands)</b>	
	<b>2024</b>	<b>2023</b>
Dividends and interest	\$ 15,258	\$ 10,100
Net change in fair value of investments	<b>62,615</b>	76,954
Interest income on notes receivable from participants	<b>384</b>	277

#### 4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the standards are described below:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical investments in active markets that the Plan has the ability to access.
- Level 2      Inputs to the valuation methodology include:
- Quoted prices for similar investments in active markets;
  - Quoted prices for identical or similar investments in inactive markets;
  - Inputs other than quoted prices that are observable for the investment;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

### Notes To Financial Statements (*Continued*)

If the investment has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the investment.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value:

#### **Registered Investment Companies**

Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

#### **Collective Trust Funds**

Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### Notes To Financial Statements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at:

	December 31, 2024			Total
	(Dollars In Thousands)			
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 351,716	\$ —	\$ —	\$ 351,716
Investments measured at net asset value (a)				314,715
Total assets at fair value				\$ 666,431

	December 31, 2023			Total
	(Dollars In Thousands)			
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 317,597	\$ —	\$ —	\$ 317,597
Investment measured at net asset value (a)				292,462
Total Assets At Fair Value				\$ 610,059

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

### Fair Value Of Investments In Entities That Use NAV

The Plan's investment in the Vanguard Retirement Savings Trust, a collective trust fund, is measured at fair value based on NAV per share. There are no unfunded commitments relating to this investment or any significant restrictions on redemptions. Redemptions can be made on any business day and do not have a redemption notice period.

There have been no changes in valuation methodologies used at December 31, 2024 or 2023.

## **5. Tax Status Of Plan**

The Plan utilizes The Vanguard Group non-standardized pre-approved profit sharing plan, for which a favorable opinion letter was issued to The Vanguard Group by the IRS on June 30, 2020. The Plan itself has not received a determination letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal tax returns for tax years 2021 and later remain subject to examination by taxing authorities.

## **6. Party In Interest Transactions**

Plan investments include shares of registered investment companies and a collective trust fund managed by the Trustee. The Plan also pays the Trustee fees for certain administrative functions. For the years ended December 31, 2024 and 2023, fees paid to the Trustee amounted to \$578,810 and \$530,657, respectively. Certain participants have outstanding notes receivable as of December 31, 2024 and 2023. These transactions qualify as allowable party in interest transactions.

## **7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become 100% vested in their accounts.

**8. Risks And Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
