Independent Auditor's Report

To the Participants and Administrator of
Davidson Hotels and Resorts Employee Benefits Plan

Opinion

We have audited the accompanying financial statements of Davidson Hotels and Resorts Employee Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit plan obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and benefit plan obligations for the year ended December 31, 2024, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statements of net assets available for benefits and benefit obligations of the Davidson Hotels and Resorts Employee Benefits Plan as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

A Limited Liability Partnership of Certified Public Accountants & Consultants

btcpa.net

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule of assets (held at end of year), we evaluated whether the supplemental schedule of assets (held at end of year), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the supplemental schedule of assets (held at end of year) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Davidson Hotels and Resorts Employee Benefits Plan

Notes to Financial Statements December 31, 2024 and 2023

Note 1: Description of the Plan

The following description of the Davidson Hotel and Resorts Employee Benefits Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General

The Plan was established on October 1, 1983. The Plan was last amended and restated on January 1, 2020. The Plan provides health benefits (medical, prescription drugs, vision, and dental), life insurance, disability benefits, accidental death and dismemberment (AD&D) insurance, business travel accident insurance and an employee assistance program for eligible employees of Davidson Hotel Company (the Company) and their qualifying dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health benefits (medical, prescription drugs, vision, and dental), life insurance, disability benefits, AD&D insurance, business travel accident insurance and an employee assistance program.

The Plan fully insures various medical plans offered through Hawaii Medical Services Association Blue Cross Blue Shield of Hawaii, Kaiser Permanente, United Healthcare, Sistemas Medicos Nacionales, S.A, and Blue Cross Blue Shield of Michigan. The Company purchases annual insurance contracts for these insured benefits.

All other Plan benefits are self-insured. The claims for the self-insured benefits are processed by the Plan's third-party claims processors. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan. The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits. Under the provisions of the contract, the annual individual stop-loss is \$200,000 in 2024 and 2023, with a maximum aggregate reimbursement of \$2,000,000.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Eligibility

Full-time employees and part-time employees who have averaged at least 30 hours per week for a complete Measurement Period (as defined) are eligible to participate in the Plan. Coverage begins the first of the month following 30 days of continuous employment, except for Hawaii, which begins after 28 days of continuous employment. The dependents of the covered employees, which meet certain requirements, are eligible to participate in the Plan on the first day the employee is eligible for employee coverage.

Contributions

The Company makes contributions to the VEBA trust in an amount greater than or equal to the employees' contributions based on amounts determined by the Company's consultants for all programs with the exception of various other non-medical benefit options, which are 100% paid by the employee. The Company can make additional contributions at the discretion of the plan administrator. The employee's contributions to the VEBA trust are based on their share of scheduled premiums for policies and coverages selected.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, incurred but not reported claims payable, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentration of Credit Risk

The VEBA trust maintains cash balances in various financial institutions which typically exceeds federally insured limits. The Plan monitors the financial condition of the bank and has experienced no losses associated with such accounts.

Claims Paid

Claims are recorded when paid.

Claims Incurred but not Reported

The Plan's liability for incurred but unreported claims is estimated using actuarial methods that use historical trend information.

Benefit Obligations

Benefit obligations of the Plan for health and disability claims incurred by active participants, but not reported at that date, are estimated by the Plan's actuary in accordance with accepted actuarial principles. Such estimated amounts are reported in the accompanying statements of benefit obligations.

Participants pay the estimated full cost of health benefits under COBRA. Therefore, the Plan does not report a post-employment benefit obligation.

Stop-Loss

Premiums for stop-loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of December 31, 2024 and 2023 totaled \$41,926 and \$713,080, respectively, and have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling \$355,067 have been netted with claims paid in the accompanying statement of changes in net assets for the year ended December 31, 2024.

Expenses

Certain administrative expenses, including legal, professional, and accounting fees, have been paid by the Plan. Administrative expenses per the statement of changes in net assets available for benefits are net of reimbursed fees.

Note 3: Tax Status

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC). Accordingly, the trust's net interest income is exempt from income taxes. On July 2, 1992, the plan administrator obtained a favorable tax determination letter from the Internal Revenue Service (IRS) which stated that the Plan met the requirements of the IRC. The Plan has been amended since receiving the determination letter and has not received an updated determination letter. However, the plan administrator believes that the Plan is designed and currently operating in compliance with the requirements of the IRC and that the Plan was qualified and tax-exempt as of December 31, 2024.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Note 4: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, includes certain plan benefit obligations that are not required to be included in the accompanying financial statements. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements follows:

	2024	2023
Net Assets Available for Benefits		
Net assets, as reported on Form 5500	\$ (3,759,622)	\$ (2,464,591)
Benefit obligations included in Form 5500	<u>6,739,195</u>	<u>7,824,359</u>
Net assets, as reported in the accompanying financial statements	<u>\$ 2,979,573</u>	<u>\$ 5,359,768</u>
Changes in Net Assets Available for Benefits		
Decrease in net assets, as reported on Form 5500	\$ (1,295,031)	
Adjustment to reverse accrued benefit obligations	<u>(1,085,164)</u>	
Decrease in net assets, as reported in the accompanying financial statements	<u>\$ (2,380,195)</u>	

Note 5: Risks and Uncertainties

The actuarial present value of the trust's benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 6: Exempt Party-In-Interest Transactions

As described within Note 1, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

Note 7: Subsequent Events

The Plan Sponsor has evaluated for subsequent events between December 31, 2024 and the report date, the date the financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
