INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Adenza, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Adenza, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Adenza, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Adenza, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Adenza, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Adenza, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Adenza, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ADENZA, INC. 401(K) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

Note 1 - Plan Description

The following brief description of the Adenza, Inc. 401(k) Retirement Savings Plan (the "Plan") is for general information only. Participants should refer to the plan document for a complete description of the Plan's provisions.

The Plan is a qualified retirement savings plan established on January 1, 1998, which has been amended and restated effective February 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code.

Effective February 1, 2023, the plan name was changed from Calypso Technology, Inc. 401(k) Retirement Savings Plan to Adenza, Inc. 401(K) Retirement Savings Plan.

Plan Merger:

Effective January 1, 2025, the Plan merged into the NASDAQ, Inc. 401(k) Savings Plan (the "Successor Plan"). In connection with the merger, on December 31, 2024, the Plan transferred all of its investments, totaling approximately \$59,220,112, to the Successor Plan. On January 17, 2025, the participant and employer receivables were remitted to the Successor Plan.

As a result of the transfer, the Plan had no remaining net assets available for benefits as of December 31, 2024. Following the transfer, the Plan ceased operations and no longer provides for participant contributions, employer contributions, or benefit payments. All participant account balances, outstanding receivables, and related obligations were assumed by the Successor Plan.

Eligibility:

All employees were eligible to participate in the elective deferral of the Plan, on the first day of each month.

Employees were eligible to participate in the Plan and receive employer matching contributions upon the first day of each month.

Contributions:

The Plan provided each participant with an opportunity to make elective pre-tax (regular) and after-tax (Roth) contributions to the Plan, up to 100% of W2 wages, and subject to the limitations of the Internal Revenue Code ("IRC"). Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions.

The Adenza, Inc. (the "Company") had the option to make a discretionary matching and profit-sharing contributions. In 2024, the Company made a discretionary employer match equal to the lesser of 100% of the participant deferral or 1.75% of each participants eligible compensation, up to \$5,775. For the year ended December 31, 2024 and 2023, the Company made discretionary matching contributions of \$708,369 and \$722,957, respectively.

Vesting:

A participant is always 100% vested in his or her salary deferral contributions plus actual earnings thereon. A participant's vesting in the Company's discretionary contribution (match and profit sharing) portion of accounts plus actual earnings thereon were according to the following schedule:

<u>Year of Service</u>	<u>Percentage</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures:

Forfeitures, plus earnings thereon, can be used to reduce plan administrative expenses or future employer contributions. As of December 31, 2024 and 2023, there were no forfeitures available to pay future plan expenses.

Participants Accounts:

Each participant's account was credited with their contributions and allocations of Plan earnings and was charged with an allocation of administrative expenses. Allocations were based on participants' earnings or account balances, as defined.

Notes Receivable from Participants:

Participants were permitted to borrow from their accounts a minimum of \$1,000 and up to the lesser of 50% of their vested account balance or \$50,000. The loans were secured by the balance of the participant's account and bear interest at rates similar to those charged by commercial lenders under similar terms. The maximum term of the loan was five years unless the loan was used to purchase a principal residence. Loans were repaid through payroll deductions according to due dates specified in the individual promissory note. Loans were measured at their unpaid principal balance plus any accrued, but unpaid interest. As of December 31, 2024, there were no outstanding notes receivable from participants.

Benefits:

In the event of death, disability, retirement or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or as partial withdrawals, as specified by the Plan. Vested account balances less than \$5,000 upon termination may be distributed without the participant's consent in a lump-sum.

Rollover:

An employee may rollover distributions from a former employer's qualified plan to the Plan, regardless of eligibility if it has been determined by the plan administrator to be an "eligible rollover distribution" as defined by the IRC.

Administrative Expenses:

All transaction fees were paid from participants' accounts. Substantially all other administrative expenses of the Plan are paid by the Company.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States (GAAP).

**ADENZA, INC. 401(K) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Subsequent Events:

Management evaluated subsequent events for the Plan through October 13, 2025, the date the financial statements were available to be issued. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

Note 3 - Investment and Notes Receivable from Participants Information Certified by the Plans Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule(s) is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits before it was transferred to the Successor Plan as of December 31, 2024 and 2023,
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2024,
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4 – Fair Value Measurements

The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Unadjusted quoted prices in active markets for identical investments.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Significant unobservable inputs, including the Plan’s own assumptions in determining the fair value of investments.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

- Mutual funds and money market funds: Values are based on quoted prices in an active market for each share held by the funds.
- Stable value funds: Value at the net asset value (“NAV”) of units of a bank collective trust fund held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. Participant transactions (purchase and sales) may occur daily.

There were no assets at fair value as of December 31, 2024. Investments at fair value as of December 31, 2023 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 51,198,638	\$ -	\$ -	\$ 51,198,638
Money market funds	3,539,793	-	-	3,539,793
Stable value fund at net asset value (a)	-	-	-	1,892,133
Total investments in the fair value hierarchy	\$ 54,738,431	\$ -	\$ -	\$ 56,630,564

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5 – Parties-in-Interest Transactions

During the year ended December 31, 2024, Fidelity Management Trust Company was the trustee as defined by the Plan. Administrative expenses paid by the Plan to the custodian qualify as a party-in-interest transaction. The Company also utilizes Alliant Retirement Services and Strategic Advisors, Inc. as Advisors to the Plan, which are qualified parties-in-interest under ERISA. Total administrative expenses paid by the Plan to the parties-in-interest amounted to approximately \$110,496 for the year ended December 31, 2024.

At December 31, 2024, the Plan had no party in interest loans outstanding.

Note 6 – Plan Termination

Although it has not expressed any intention to do so, the Company had the right to terminate the Plan in whole or in part at any time subject to the provisions set forth in the Employer Retirement Income Security Act of 1974 (“ERISA”). Upon termination, partial termination or complete discontinuance of contributions under the Plan, all participants become fully vested in their individual accounts. Effective January 1, 2025 the Plan is terminated. See Note 1.

Note 7 – Tax Status

Although the Plan has not requested determination from the Internal Revenue Service (“IRS”) as to the Plan’s tax-exempt status, the master prototype plan from which the Plan was drafted has received a favorable opinion letter from the IRS dated July 29, 2020. The Plan administrator believes that the Sponsor has operated the Plan in a manner that did not jeopardize this tax status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of both December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Note 8 – Risk and Uncertainties

The Plan’s investments were concentrated in funds that invest in marketable securities. Such securities were subject to various risks that determine the value of the funds. Due to the level of risk associated with certain securities and level of uncertainty related to changes in the value of these securities, it was at least reasonably possible that changes in market conditions in the near term could materially affect participants’ account balances and the value of investments reported in the financial statements.

Note 9 – Reconciliation of the Financial Statements to Form 5500

The Form 5500 was prepared on the cash basis for the Plan years ended December 31, 2024 and 2023, and the financial statements were prepared on the accrual basis. For the Plan years ended December 31, 2024 and 2023, the common collective trust is recorded at net asset value per the financial statements and at fair value in the Schedule H of the Form 5500.

The following is a reconciliation between the statement of net assets available for benefits per the accompanying financial statements and the Form 5500 at December 31,:

	<u>2024</u>	<u>2023</u>
Net asset available for benefits per the financial statements	\$ 278,353	\$ 56,866,974
