## Independent Auditors' Report

### The Plan Administrator of Hubbell Caribe Employees' Retirement Plan

#### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of Hubbell Caribe Employees' Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The Plan Administrator of  
Hubbell Caribe Employees' Retirement Plan**

Page 2

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

The supplemental schedules: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to, or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Hubbell Caribe Employees' Retirement Plan

Notes to Financial Statements  
December 31, 2024

### 1. Description of the Plan

The following is a brief description of the Hubbell Caribe Employees' Retirement Plan (the "Plan") and is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan available to the employees of Hubbell Caribe, Ltd. located in Puerto Rico, which is a wholly owned subsidiary of Hubbell Incorporated (the "Company"). The Plan covers the employees of the Hubbell Electrical Systems located in Vega Baja, Puerto Rico. Banco Popular de Puerto Rico (the "Trustee") is the trustee and custodian for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective October 8, 2024, the Plan changed their recordkeeper from T. Rowe Price Trust Company to Bank of America, N.A.

#### **Participation**

The Plan was established on January 1, 1990 to enable employees to defer a portion of their compensation, thereby deferring federal income tax and providing savings to supplement retirement income. Employees become eligible to participate in Plan on the first day of the month following 30 days of service.

#### **Contributions**

Participants in the Plan may periodically elect to have a specific portion of their compensation (as defined in the Plan agreement) allocated to their accounts. This amount may not be less than 1 percent nor more than 50 percent of their eligible compensation. In addition, eligible participants over the age of 50 may contribute additional "catch-up" contribution. Participants are at all times 100% vested in their own contributions and related earnings.

All employees automatically enrolled in the Plan with a 2% deferral percentage, unless the employee elects a different percentage, including 0%.

The Company will make a matching contribution equal to 100% of the first 2% of eligible compensation contributions by the participants.

Eligible employees receive an annual discretionary profit sharing contribution in an amount to be determined by the Board of Directors. Employees must be employed on the last day of the Plan year to be eligible for the contribution. The Company's contributions are allocated to each participating employee's account based upon a formula that takes into account the participant's annual compensation and years of service with the Company.

## Hubbell Caribe Employees' Retirement Plan

Notes to Financial Statements  
December 31, 2024

### 1. Description of the Plan *(continued)*

#### ***Contributions (continued)***

Contributions from employees and related employer matching contributions are recorded at the time the related payroll deduction is made. Profit sharing contributions are recorded once declared by the Company.

#### ***Administration***

A committee, which serves without compensation, is appointed by the Company and is responsible for the general administration of the Plan and makes the final determination on all questions arising in connection with the interpretation, application and administration of the Plan.

#### ***Participants' Accounts***

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution, and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

#### ***Vesting***

Each participant's interest in their account from employer matching contributions becomes 50% vested after one year of service and 100% after two years of service. Each participant's interest in their account from employer profit sharing contributions becomes 20% vested after two years of service and increases by 20% for each subsequent year of service to 100% after six years of service. A participant becomes fully vested upon retirement (if the participant is at least 65 years of age), death or disability.

#### ***Notes Receivable from Participants***

Loans to participants are permitted pursuant to the terms and conditions of the Plan agreement. The minimum amount for any loan is \$1,000. The maximum a participant may borrow, including the outstanding balance of existing Plan loans, is 50% of the participant's vested account balance not including their profit sharing account balance, not to exceed \$50,000. The loans are secured by the balance in the participant's account.

A participant may have a maximum of two loans outstanding at any given time. A loan to a participant shall be made solely from the assets of the participant's account. Loan repayments are withheld from payroll and remitted bi-weekly, and the loan repayment period shall not exceed five years, except for loans used to acquire a principal residence for which the loan repayment period shall not exceed ten years. Loans to participants bear an interest rate equal to the Trustee's prime rate plus 1%.

### 1. Description of the Plan *(continued)*

#### ***Distributions/Payments of Benefits***

Upon the earliest of retirement, death, disability or termination of employment, participants become eligible for a lump-sum distribution of their accounts. At the participant's option, an account balance in excess of \$1,000 may remain in the Plan.

At age 72 there is a required distribution of a portion of the account balance, based on the life expectancy of the individual. However, if a participant is still employed at the age of 72, they can defer receipt of their required minimum distributions until after termination of employment. Participants, who demonstrate that a hardship (as defined under Internal Revenue Service ("IRS") regulations) exists, may withdraw funds from their accounts.

#### ***Forfeited Accounts***

Forfeited non-vested amounts will be used to offset future plan expenses. All remaining forfeitures will be treated as an employer contribution and shall be used to reduce matching and discretionary profit sharing contributions or reinstate returning participants account balances. During 2024 and 2023, \$29,033 and \$5,000 in forfeitures were used to pay Plan expenses, respectively and none was used to reduce employer contributions during 2024 and 2023. As of December 31, 2024 and 2023, forfeited non-vested accounts approximated \$184,800 and \$73,900, respectively.

### 2. Summary of Significant Accounting Policies

#### ***Basis of Accounting and Use of Estimates***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

U.S. GAAP guidance provides for the use of Net Asset Value ("NAV") as a "Practical Expedient" for estimating fair value of alternative investments. Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using NAV are not categorized within the fair value hierarchy.

## Hubbell Caribe Employees' Retirement Plan

Notes to Financial Statements  
December 31, 2024

### 2. Summary of Significant Accounting Policies (*continued*)

#### ***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. The mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price and are deemed actively traded. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded upon the occurrence of a distributable event.

#### ***Payment of Benefits***

Benefit payments are recorded when paid.

#### ***Plan Expenses***

Plan expenses are paid from participant forfeitures and any remaining amounts are paid by the Plan, unless paid by the Company.

#### ***Reclassification***

Certain prior year balances have been reclassified to conform with current year presentation. These reclassifications have no effect on the previously reported changes in net assets available for benefits.

#### ***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 13, 2025.

### 3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held and notes receivable from participants at December 31, 2024 and 2023 and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee, a qualified institution.

### 4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2024		
	Level 1	Other Investments Measured at NAV*	Total
Mutual Funds	\$14,899,332	\$ -	\$ 14,899,332
Common/collective trust	-	8,948,954	8,948,954
<b>Total</b>	<b>\$14,899,332</b>	<b>\$8,948,954</b>	<b>\$23,848,286</b>
	2023		
	Level 1	Other Investments Measured at NAV*	Total
Mutual Funds	\$11,896,299	\$ -	\$ 11,896,299
Common/collective trust	-	9,165,515	9,165,515
<b>Total</b>	<b>\$11,896,299</b>	<b>\$9,165,515</b>	<b>\$21,061,814</b>

\* As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

## Hubbell Caribe Employees' Retirement Plan

Notes to Financial Statements  
December 31, 2024

### 5. Common/Collective Trust

The T. Rowe Price Stable Value Fund – E ("Fund") is a common/collective trust operated by T. Rowe Price Trust Company ("the Fund Trustee"). The Fund consists of a commingled pool of synthetic investment contracts ("SICs") that invests in (i) investment contracts issued by insurance companies and other financial institutions, (ii) fixed income securities, and (iii) money market funds. It is the policy of the Fund to use its best efforts to maintain a stable NAV of \$1.00 per unit, although there is no guarantee that the Fund will be able to maintain this value.

All investment contracts held by the Fund are entered into directly between the Fund and the issuer of the contract and are nontransferable. Fund units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the Fund. Retirement plans invested in the Fund are required to provide either 12 or 30 months' advance written notice to the Fund Trustee prior to redemption of Fund units; the notice period may be shortened or waived by the Fund Trustee in its sole discretion. The Fund has no unfunded commitments at December 31, 2024 and 2023.

The investment objectives of the Fund are to maximize current income consistent with the maintenance of principal and to provide for benefit-responsive participant withdrawals at contract value for certain events without penalty or adjustment. The Fund will attempt to achieve these objectives by investing and reinvesting amounts transferred to the trust in investment contracts selected by the Fund Trustee.

Income from investment contracts is recorded at the contract rate, which is referred to as the crediting rate. Crediting rates are determined in accordance with contract terms and are net of investment-related costs permitted by the contract, generally issuer fees and custody charges for underlying assets.

### 6. Tax Status

The Plan is subject to Section 1165(a) and (e) of the Puerto Rico Internal Revenue Code of 2011 (the "PR Code"). The Plan has been restated in order to incorporate technical amendments required by the Puerto Rico Treasury Department and received an opinion letter for the Puerto Rico Department of Treasury dated July 9, 2013. The plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the 2011 PR Code and, therefore, believes that the Plan is qualified. Accordingly, no provision for federal income taxes is included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

## Hubbell Caribe Employees' Retirement Plan

Notes to Financial Statements  
December 31, 2024

### 7. Plan Termination

The Company may, by resolution of its Board of Directors, amend or terminate the Plan at any time subject to provisions of ERISA. In the event the Plan is discontinued, the Plan provides that the net assets of the trust, as allocated to the participants, are nonforfeitable, and after the net assets have been reduced to cash, the amounts shall be distributed to the participants in relation to their pro rata share of net assets.

### 8. Party-in-Interest Transactions

Certain Plan investments are funds managed by the prior recordkeeper of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

### 9. Risks and Uncertainties

Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### 10. Prohibited Transactions

During the 2016, 2015 and 2014 plan years, the Company failed to remit to the Plan certain participants' contributions within the period prescribed by Department of Labor ("DOL") regulations. In 2016, \$25,408 of participants' contributions were not remitted timely. In 2015, \$4,705 of participants' contributions were not remitted timely. In 2014, \$39,082 of participants' contributions were not remitted timely.

### 11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:
