INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants and Beneficiaries
Healthcare Therapy Services, Inc. Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Healthcare Therapy Services, Inc. Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Principal Life Insurance Company, as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT - Continued

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT - Continued

Auditor's Responsibilities for the Audit of the Financial Statements - continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT - Continued

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at End of Year and Reporting Requirements Under Department of Labor's Rules for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE 1 PLAN DESCRIPTION

The following description of Healthcare Therapy Services, Inc. Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was organized effective October 1, 1990, as a defined contribution retirement savings plan covering all eligible employees of the participating companies, (collectively, the "Company") who have at least one year of service and are age 21 or older with Plan entrance dates of January 1, April 1, July 1 and October 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Trustees are responsible for oversight of the Plan, determine the appropriateness of the Plan's investment offerings, and monitor investment performance.

As of December 31, 2024, following are the participating companies in the Plan:

Healthcare Therapy Services, LLC and subsidiaries
Proactive Medical Review & Consultants
Care Plus HomeHealth Care, LLC

Contributions

Participants may contribute to the Plan pre and post (Roth) tax salary deferrals subject to limits imposed by Federal tax law. The maximum deferral amount under the Plan is one hundred percent (100%) of a participant's compensation. Participants 50 or older are also eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans. The Company matches the employee's contributions equal to 56% of their elective contributions up to 5% of their compensation. In addition, the Company, at its discretion, may make a profit sharing contribution. Profit sharing contributions are subject to certain conditions, though none were made in 2024 or 2023.

Eligibility

Employees covered under the Plan are eligible to participate in the Plan when they are twenty-one or older and have worked 1,000 service hours within one year of their hire date or within the Plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, allocations of investment earnings and allocations of the administrative expenses. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All Plan investments in participant accounts are participant directed.

NOTE 1 PLAN DESCRIPTION - continued

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their account is based on years of service. A participant becomes 20% vested after two years of service, increasing by 20% per additional year, with full vesting after six years of credited service.

Payment of Benefits

Upon the occurrence of a distributable event due to separation from service by termination, death, disability, or retirement, as defined by the Plan Agreement, a participant may elect to receive a lump-sum cash distribution equal to the value of the participant's vested interest in his or her account, or life annuity with installment options, as per the Plan Agreement. Hardship and in-service withdrawals, as defined in the Plan Agreement, are also permitted from a participant's account.

Forfeitures

Forfeitures are first used to reduce administrative expenses and then to reduce employer contributions. The amount of forfeited nonvested accounts of terminated participants totaled \$435 and \$643 at December 31, 2024 and 2023, respectively. The amount of forfeitures used to reduce Employer contributions for 2024 and 2023 were \$42,386 and \$19,182, respectively.

Participant Loans (Notes Receivable from Participants)

Participant loans are permitted under the Plan. The minimum amount of a loan is \$1,000. Loans cannot exceed the lesser of \$50,000 or 50% of a participant's vested balance. Repayment of loans shall not exceed five years unless the loan proceeds are used to acquire the participant's principal residence. The loans are secured by the balance in the participant's account and bear interest based on market rates. Loans are repaid ratably through payroll deductions. Loans outstanding at December 31, 2024 and 2023 were \$142,995 and \$90,292, respectively.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

HEALTHCARE THERAPY SERVICES, INC.
SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES - continued

C. Concentration of Credit Risk

The Plan invests primarily in mutual funds and pooled separate accounts and consist of equity, fixed income, and cash equivalent investments and are not insured. Valuations of these investments with equity and fixed income securities are affected by market fluctuations in the underlying stocks and bonds in which the fund managers have invested.

D. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except fully benefit-responsive investment contracts are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Notes 7 and 8 for further information regarding valuation of the Plan's investments.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) include the Plan's gains and losses on investments bought and sold as well as held during the year.

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

F. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed under the IRC are recorded as a liability with a corresponding reduction in participant contributions. The amount of excess contributions payable at December 31, 2024 and 2023 totaled \$14,807 and \$12,767, respectively.

G. Payment of Benefits

Benefits are recorded when paid.

H. Administrative Expenses

The Plan's administrative expenses for maintaining the Plan are paid by either the Plan or the Company, as provided by the Plan document. Certain administration expenses are charged directly to the participant's account and are included in administrative expenses.

I. Reclassifications

Certain prior year balances have been reclassified to conform with current year classifications and presentations.

J. Evaluation of Subsequent Events

The Plan has evaluated subsequent events through August 19, 2025, which is the date the financial statements were available to be issued.

NOTE 3 PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right, by action of its Directors, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, amounts credited to participants' accounts will become fully vested and nonforfeitable.

NOTE 4 PARTIES IN INTEREST

There were no known prohibited transactions with known parties in interest as defined in ERISA Section 3(14) and regulations thereunder, including those transactions set forth in ERISA Sections 406 and 407(a) and Internal Revenue Code Section 4975(c).

The Plan invests in certain investments managed by Principal Life Insurance Company, the insurer of the Plan and as such, these investments qualify as exempt party in interest transactions under ERISA. The insurer and/or affiliates also receive indirect fees from investments which are deducted from investment returns. Direct fees paid by the Plan to the Insurer and/or its affiliates and the Plan's investment advisor totaled \$63,504 and \$56,682, respectively, in 2024 and 2023.

The Company provides certain accounting, administrative, and investment management services to the Plan for which it receives no compensation.

Notes receivable from participants are permitted party-in-interest transactions.

NOTE 5 INCOME TAX STATUS

The Plan has adopted a prototype plan document whose sponsor has received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the prototype plan document was designed in accordance with the applicable sections of the IRC. The Plan has been amended and restated since receiving the determination letter. The Plan Administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust is tax-exempt.

In accordance with the Financial Accounting Standards Board's guidance on accounting for uncertainty in income taxes, management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE 6 INFORMATION PREPARED AND CERTIFIED BY INSURER AND CUSTODIAN

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the Plan's insurer and custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the insurer and custodian that information provided to the Plan Administrator by the insurer and custodian related to the following assets is complete and accurate.

| | <u>2024</u> | <u>2023</u> |

NOTE 7 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Mutual funds and money market funds: Valued at the net asset value ("NAV") of the shares held by the Plan at year end.

Pooled separate accounts: Valued at fair value reported by the sponsoring insurance company. Underlying investments owned can include money market funds, registered investment companies, common stocks, corporate bonds, U.S. Government securities, other pooled separate accounts, or guaranteed insurance contracts priced by the sponsoring insurance company using applicable interest rates and contract provisions.

NOTE 7 FAIR VALUE MEASUREMENTS - continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, with the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |

NOTE 8 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract Value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

NOTE 8 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - continued

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC
2. Premature termination of the contract
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer
