## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Cohen & Company Cash Balance Plan

### *Scope and Nature of the ERISA 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of Cohen & Company Cash Balance Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits in liquidation and of accumulated plan benefits in liquidation as of December 31, 2024 and December 31, 2023, and the related statements of changes in net assets available for benefits in liquidation and changes in accumulated plan benefits in liquidation for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cohen & Company Cash Balance Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cohen & Company Cash Balance Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis-of-Matter – Basis of Accounting***

As discussed in Note 2 to the financial statements, the governing body of Cohen & Company Cash Balance Plan issued notice of intent to terminate the Plan on October 2, 2023, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis to the liquidation basis. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cohen & Company Cash Balance Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule of assets (held at end of year) at December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# COHEN & COMPANY CASH BALANCE PLAN

## Notes to Financial Statements

---

### NOTE 1 – DESCRIPTION OF PLAN

The following description of the Cohen & Company Cash Balance Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

#### *General*

The Plan is a defined benefit plan covering certain categories of employees of Coehn & Company Enterprises, Ltd. (formerly, Cohen Sequoia Enterprises, Ltd.), (the Plan Sponsor) and affiliated employers including Cohen & Company, Ltd., and Cohen & Company Marketing Associates, Ltd. (collectively, the Company). Category I thru VI and VIII thru XI employees are immediately eligible for participation; Category VII employees are eligible to participate in the Plan after completing two months of service. All other employees are currently not eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Trustee of the plan is also the Plan Administrator and he has overall responsibility for the operation and administration of the Plan. The Retirement Committee is responsible for oversight of the Plan, and also determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the trustee.

#### *Amendment*

On December 30, 2023, the Plan Sponsor officially adopted the amendment to terminate the Plan effective December 31, 2023. After the effective date, no additional employees are eligible, all participants fully vest and assets were to be distributed to pay benefits. Remaining assets, if any, revert to the Plan Sponsor.

#### *Participant Accounts*

Under the Plan provisions, amounts were credited by the Company to the participants' hypothetical accounts. The accounts were allocated a unit cash balance benefit (which is determined based on the category of employee). The applicable unit cash balance benefit ranged from \$250 to the maximum allowable by law and is based on the participants' category.

Participants' hypothetical accounts also received interest credits each year. Though 2023, interest credits were allocated to participants' accounts on the last day of the Plan year. The amount of the interest credit was based on the average annual interest rate on thirty year Treasury Securities. Interest continued to be accrued through the date accounts were distributed. For 2024, the crediting interest rate was 4.92%.

**NOTE 1 - DESCRIPTION OF PLAN – (Continued)**

***Pension Benefits***

Benefits were determined based on the participant's hypothetical account balance. Plan participants are eligible for their plan benefit after retirement, attainment of retirement age, or termination of employment with vested rights. Participants became vested in their account balance upon completion of 3 or more years of service, as defined, or attainment of the normal retirement age (62). Effective at termination on December 31, 2023, all active participants became fully vested.

Upon termination of employment, participants had the option of receiving their vested benefit in the form of a single lump sum payment or a monthly annuity payable for their (or spousal joint) lifetime, as defined. Since the Plan terminated, all benefits are expected to be paid in lump sums.

***Death and Disability Benefits***

If an active employee died or became disabled, a death benefit equal to the value of the employee's vested cash balance benefit was paid to the employee's beneficiary.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

***Basis of Accounting***

The financial statements of the Plan are prepared using the accrual method of accounting.

During 2023, Plan management evaluated the practicality of maintaining the Plan and decided to terminate the Plan. On October 2, 2023, in accordance with regulations, notice of intent to terminate the Plan as of December 31, 2023 was filed. At that point, termination was considered imminent and, as required by ASC 205-30-25-2, the plan adopted the liquidation basis of accounting. Under the liquidation basis, all active participants become fully-vested and the plan recorded the cumulative effect of the change from ongoing accrual basis. The cumulative effect included estimated employer contributions, anticipated earnings and accrued expenses expected to be incurred through the liquidation period. (See Note 10 for detail.) During 2024 the Plan obtained participants directives and distributed benefits to them. Substantially all distributions were complete by December 31, 2024.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES – (Continued)**

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value as reported by Schwab, the trustee of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and custodian. See Note 4 for discussion of fair value measurements.

*Contributions Receivable* – The Plan sponsor remitted contributions to meet funding requirements. At December 31, 2023, in accordance with the liquidation basis of accounting, a receivable reflected the entire amount anticipated as necessary to pay out benefits through the liquidation process. Receivables were stated at actual computed amounts, and no credit loss allowance was needed as amounts had been or were anticipated to be paid in the amounts stated. Plan management evaluated current economic conditions that may impact receipt as well as historical experience

*Actuarial Present Value of Accumulated Plan Benefits*

Accumulated plan benefits are those future periodic payments, including lump sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the plan are accumulated at amounts specified by the Plan based on employees' category during each year of credited service. The accumulated plan benefits for active employees will equal the accumulation, with interest, of the annual benefit accruals as of the benefit information date. Benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES – (Continued)**

*Actuarial Present Value of Accumulated Plan Benefits – (Continued)*

At December 31, 2023, the plan terminated. All active participants were fully vested in their accumulated cash balance plus earnings. The balance at December 31, 2023 essentially represented the amounts in the hypothetical accounts at that date. During 2024 hypothetical account balances were paid out including interest which continued to accrue through the date of distribution. Two participants' distributions as calculated by the actuary were limited in accordance with IRC Section 415.

*Payment of Benefits*

Benefits payments to participants are recorded when paid.

*Expenses*

Certain expenses of the Plan were paid directly by the Company and are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan were recorded as deductions in the statement of changes in net assets available for benefits at December 31, 2023.

*Date of Management's Review*

Subsequent events were evaluated through October 6, 2025, which is the date the financial statements were available to be issued.

*Recently Adopted Accounting Guidance - Allowance for Credit Losses*

In June 2016, the FASB issued guidance (FASB ASC 326) which significantly changed how entities measure credit losses for most financial assets and certain other instruments that are not measured at fair value. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statement with useful information analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Plan that are subject to the guidance in FASB ASC 326 are the receivables.

The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new/enhanced disclosures only.

**NOTE 3 - INVESTMENTS**

The December 31, 2024 and December 31, 2023 Statements of Net Assets Available for Benefits, the investment activities included in the remeasurement on the Statement of Changes in Net Assets Available for Benefits for the year then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Charles Schwab Trust Bank, the Trustee, in accordance with 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$571 at December 31, 2024 and \$6,893,278 at December 31, 2023 and related cash-basis investment income of \$266,931 for the year ended December 31, 2024.

At December 31, 2023, the Plan's investments were all highly liquid in anticipation of termination and distributions to participants therefore no gain or loss was incurred. All income arose from interest and dividends on these investments.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

The fair value accounting literature establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- ◆ Quoted prices for similar assets or liabilities in active markets;
- ◆ Quoted prices for identical or similar assets or liabilities in inactive markets;
- ◆ Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**COHEN & COMPANY**  
**CASH BALANCE PLAN**

**Notes to Financial Statements**

---

**NOTE 4 – FAIR VALUE MEASUREMENTS – (Continued)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and December 31, 2023.

The money market mutual fund is valued at quoted daily closing price as reported by the fund.

Schwab bank deposit accounts are valued based on cost as these investments are short-term, and return principal and interest based on the amount and time invested.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and December 31, 2023:

		<b>Fair Value Measurements at The End of the Reporting Period Using:</b>	
	<b>Fair Value</b>	<b>Quoted Prices in Active Markets for Identical Assets (Level 1)</b>	<b>Significant Other Observable Inputs (Level 2)</b>

**NOTE 5 - PLAN TERMINATION**

Since the Plan terminated effective December 31, 2023, the net assets of the Plan were allocated, as prescribed in the Plan document by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

1. Benefits attributable to employee contributions, taking into account those paid out before termination.
2. Annuity benefits that former employees or their beneficiaries had been receiving for at least three years, or that employees eligible to retire for that three-year period would be been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount was limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the investment benefit that would be payable under Plan provisions in effect at any time during the five years preceding Plan termination.
3. Other vested benefits insured by the Pension Benefit Guaranty Corporation (PBGC) (a U.S. government agency) up to the applicable limitations.
4. All other vested benefits (that is, vested benefits not insured by the PBGC).
5. All nonvested benefits.

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination.

Whether all participants receive their benefits depends on the sufficiency of the Plan's net assets to provide for accumulated benefit obligations and may also depend on the financial condition of the plan sponsor and the level of benefits guaranteed by the PBGC. The sponsor contribution receivable included amounts required to payout distributions due at termination.

**NOTE 6 – FUNDING POLICY**

The Plan's funding policy was for the Company to contribute an amount which would meet or exceed the annual ERISA minimum funding requirement. Effective December 31, 2023, the Company exercised its right under the plan to discontinue its contributions and to terminate the plan subject to the provisions set forth in ERISA. The sponsor has contributed funds necessary to payout benefits.

**COHEN & COMPANY**  
**CASH BALANCE PLAN**

**Notes to Financial Statements**

---

**NOTE 7 – RISKS AND UNCERTAINTIES**

Plan contributions were made, and the actuarial present value of accumulated plan benefits were reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible these estimates may change.

**NOTE 8 - TAX STATUS**

The Plan obtained a determination letter dated March 30, 2018 in which the Internal Revenue Service states that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan files Form 5500, Annual Return/Report of Employee Benefit Plan, in compliance with DOL and IRS regulations. The returns for the years ending December 31, 2021 and subsequent are subject to examination by the IRS, generally three years after filing. For DOL purposes, the returns are subject to review for six years after filing.

**NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain administrative functions are performed by officers or employees of the Company or its affiliates. No such officer or employee receives compensation from the Plan. The plan sponsor also paid various expenses incurred in liquidation originally anticipated to be paid directly by the Plan.

Schwab Retirement Plan Services is the recordkeeper and provided actuarial services to the Plan. Charles Schwab Trust Bank is a trustee with respect to plan assets. Charles Schwab Trust Bank and related affiliates may have received indirect compensation from Plan investments.

**NOTE 10 – RECONCILIATION OF BEGINNING OF PERIOD BALANCES AND  
REMEASUREMENT IN LIQUIDATION**

*Changes in net assets available for benefits*

Upon adoption of the liquid basis of accounting, the plan recorded a cumulative adjustment to net assets available for benefits. The following table reflects the amount remaining at the end of 2023, the 2024 activity and resulting in remeasurement at December 31, 2024:

	Cumulative Adjustment remaining at <u>December 31, 2023</u>	2024 Activity	December 31, 2024 Remeasurement
Employer contributions receivable/received	\$ 210,400	\$ 160,849	\$ (49,551)
Interest and dividend income expected to be earned in liquidation	278,509	266,931	(11,578)
Accrued expenses expected or incurred in liquidation	<u>(53,103)</u>	<u>(987)</u>	<u>52,116</u>
Total	\$ <u>435,806</u>	\$ <u>426,793</u>	\$ <u>(9,013)</u>

Accrued expenses expected to be incurred in liquidation mainly consisted of administrative fees and included the PBGC premium to be paid by the Plan in 2024 which was paid directly by the plan sponsor.

At the date the plan decided to terminate the plan, the liquidation basis of accounting was adopted. Plan management made best estimates of amount anticipated as receivable and payable. Differences that occurred in liquidation are reported as remeasurement in the statement of change in net assets available for benefits.

**NOTE 11 - RECONCILIATION OF SCHEDULE H OF THE FINANCIAL STATEMENT  
TO FORM 5500**

At December 31, 2024 and 2023 and for the year ended December 31, 2024, these financial statements are presented on the liquidation basis of accounting in accordance with generally accepted accounting standards. The trustee has prepared Form 5500 on an accrual basis, which does not include anticipated employer contributions, income or expense to be incurred in liquidation.

The following is a reconciliation of net assets available for benefits per the financial statement to Schedule H of Form 5500 at December 31, 2024 and 2023:

	<u>December 31, 2024</u>	<u>December 31, 2023</u>
Net assets available for benefits per the financial statements	\$ 572	\$ 7,909,184
Less: Receivables not included on Form 5500		
Employer contribution receivable required for liquidation	-	(210,400)
Interest and dividend income expected to be earned in liquidation after December 31, 2023	(1)	(278,508)
Plus: Accrued expense expected to be incurred in liquidation	<u>-</u>	<u>53,103</u>
Total adjustment	<u>(1)</u>	<u>(435,805)</u>
Net assets available for benefits per Schedule H to the 5500	<u>\$ 571</u>	<u>\$ 7,473,379</u>

**COHEN & COMPANY  
CASH BALANCE PLAN**

**Notes to Financial Statements**

---

**NOTE 11 - RECONCILIATION OF SCHEDULE H OF THE FINANCIAL STATEMENT TO  
FORM 5500 – (Continued)**

The net decrease in net assets on the face of these statements is presented on the liquidation basis. As stated above, at December 31, 2023 all anticipated income, expense and contributions had been recorded; therefore, for 2024, the net decrease in net assets only includes the benefits paid and remeasurement.

Net decrease in net assets per the financial statement for 2024:	\$ (7,908,612)
Plus: Amounts included as accrued or paid at December 31, 2023	426,793
Remeasurement at December 31, 2024	<u>9,013</u>
Total net decrease per Form 5500	<u>\$ (7,472,808)</u>

The actuarial value of accumulated plan benefits reflects final payments outstanding at December 31, 2024 which were paid in 2025 with additional interest.

**NOTE 12 – SUBSEQUENT EVENTS**

As of December 31, 2024, essentially all benefits had been paid to participants, except for two payments and one correction which were completed in the first quarter 2025. The account remained open for any other distributions that may need to be reissued.
