## INDEPENDENT AUDITOR'S REPORT

To the Plan Committee  
Miltenyi Biotec North America Inc. 401(k) Profit Sharing Plan  
Auburn, California

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audits***

We have performed audits of the financial statements of Miltenyi Biotec North America Inc. 401(k) Profit Sharing Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held at end of year, as of and for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

**NOTE 1: DESCRIPTION OF PLAN**

The following description of the Miltenyi Biotec North America Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General**

The Plan was established April 1, 1998, to provide benefits for employees of Miltenyi Biotec North America Inc. (the “Plan Sponsor”) and the employees’ beneficiaries. The Plan is a defined contribution plan covering all employees of the Plan Sponsor. Employees are eligible to enter the Plan upon hire. In 2014 and 2020, the Plan was amended to include Owl Biomedical, Inc. and Lentigen Technology, Inc. and Miltenyi Biomedicine, Inc., respectively, as participating related employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended and is administered by a committee appointed by the Plan Sponsor. Principal Trust Company and Principal Life Insurance Company serve as trustees and custodians of the Plan assets.

**Plan Year**

The Plan year begins January 1<sup>st</sup> and ends December 31<sup>st</sup>.

**Contributions**

The Plan allows for the following types of contributions:

- **Employee Salary Deferral 401(k) Contributions**  
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the “Code”). Employees are automatically enrolled into the Plan upon eligibility at a rate of 6%; however, employees may voluntarily contribute from 1% to 100% of their eligible compensation, subject to various nondiscrimination tests and limitations prescribed by the Code. Employees contributing between 1% and 11% are automatically increased by 1% annually until such time that their elective deferral percentage reaches 12%. Participants may choose to opt out of the automatic enrollment and the automatic escalation.
- **Employee Roth Elective Salary Deferral Contributions**  
Participants may make Roth elective salary deferral contributions.
- **Discretionary Employer Matching Contributions**  
The Plan Sponsor may contribute a discretionary matching contribution. In order to be eligible for matching contributions, the employee must complete 1,000 hours of service and be employed on the last day of the plan year. The Plan Sponsor’s contributions are subject to various nondiscrimination tests and limitations prescribed by the Code. The Plan Sponsor matched 75% and 50% of participants’ elective deferrals in 2024 and 2023, respectively.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

**Contributions (Continued)**

- *Nonelective Employer Contributions*  
The Plan Sponsor may make an additional discretionary nonelective contribution. In order to be eligible for the nonelective employer contribution, the employee must complete 1,000 hours of service and be employed on the last day of the plan year. The Plan Sponsor contributions are subject to various nondiscrimination tests and limitations prescribed by the Code. The Plan Sponsor made no nonelective contributions in 2024 and 2023.
- *Employee Rollover Contributions*  
Participants may make rollover contributions from another qualified plan, excluding voluntary after-tax contributions.

**Participant Accounts and Allocations**

The Plan provides various investment fund options and allows participants to self-direct their investments. Investment earnings and losses are allocated based on the actual earnings and losses in participants' self-directed accounts. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

**Retirement**

Normal retirement under the Plan is age sixty-five (65).

**Vesting**

Participants are 100% vested in their salary deferral contributions as well as related gains/losses credited to their accounts. Participants vest in benefits from employer contributions in accordance with the following schedule:

<u>Years of Credited Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
After 1 year	20%
After 2 years	60%
After 3 years	100%

**Forfeitures**

Forfeitures are used first to pay Plan expenses with any remaining amounts used to reduce employer contributions to the Plan. Forfeited amounts of \$255,202 and \$404,455 were available to pay plan expenses or to reduce employer contributions as of December 31, 2024 and 2023, respectively. Forfeitures of \$243,484 and \$443,187 were used to reduce employer contributions for the years ended December 31, 2024 and 2023, respectively.

**NOTE 1: DESCRIPTION OF PLAN (Continued)**

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest is paid ratably through monthly payroll deductions and loan periods range from one to five years.

**Payment of Benefits**

Payment of benefits may be made at the following times under the Plan: 1) upon termination of employment, 2) death or disability, 3) demonstration of financial hardship, 4) in-service upon reaching age 59½, or 5) termination of the Plan. Benefit payments are made in a single lump sum, except for installment payments for in-service or required minimum distributions. Participants' vested accounts that do not exceed \$5,000 are distributed as of the earliest of their retirement date, death, or severance from employment. Effective January 1, 2024, participants' vested accounts that do not exceed \$7,000 are distributed upon severance of employment. Refunds of excess contributions generally represent the distribution of certain assets to employees in order for the Plan to comply with the nondiscrimination rules of the Code.

**Administrative Expenses**

Administrative expenses of the Plan are shared by the Plan and the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Investment Valuation and Income Recognition**

Investments in mutual funds and common collective trusts are stated at fair market value based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes capital gain distributions and the Plan's unrealized and realized gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Payment of Benefits**

Benefits are recorded when paid.

**Income Taxes**

The Plan has adopted a non-standardized pre-approved profit sharing plan which has obtained a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. The Plan has been amended since receiving the opinion letter, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

**Estimates and Assumptions**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE 3: INFORMATION CERTIFIED BY THE TRUSTEES**

The following amounts are included in the December 31, 2024 and 2023 financial statements and were taken directly from statements provided and certified as complete and accurate by Principal Trust Company and Principal Life Insurance Company.

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 30,522,497	\$ 24,769,523
Stable and common collective trust funds	\$ 81,451,990	\$ 66,117,262
Net appreciation in fair value of investments	\$ 13,949,057	\$ 12,960,941
Interest, dividends, and other income	\$ 487,595	\$ 517,761
Notes receivable from participants	\$ 1,362,439	\$ 1,017,959
Interest income, notes receivable from participants	\$ 122,936	\$ 64,015

**NOTE 4: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**NOTE 5: FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust funds:* Common collective trust funds invest mainly in mutual funds and stocks, both domestic and international. The majority of the underlying assets have Level 1 quoted pricing inputs and observable Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets.

*Stable value collective trust:* Valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The NAV is published daily by the trustee. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner.

**NOTE 5: FAIR VALUE MEASUREMENTS (Continued)**

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value at December 31, 2024			
	Level 1	Level 2	Level 3	Total

Stable value collective trust fund	\$ 3,709,876	n/a	Daily	12 Months

**NOTE 6: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 7: PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS**

Certain Plan investments are shares of mutual funds and common collective trusts that are managed by the trustees as defined by the Plan. Fees paid by the Plan for investment management services are recorded in administrative expenses. Fees for certain expenses related to the administration of the Plan were paid by the Plan or the Plan Sponsor. Notes receivable from participants are considered party-in-interest transactions. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transactions rules of ERISA.

**NOTE 8: SUBSEQUENT EVENTS**

Plan management has evaluated events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Management has evaluated subsequent events through October 9, 2025 the date the financial statements were available to be issued and has determined that no subsequent events have occurred that should be disclosed.
