Independent Auditor's Report

To the Plan Administrator and Participants
Giorgio Health and Welfare Plan
Blandon, Pennsylvania

Opinion

We have audited the financial statements of Giorgio Health and Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits and benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and; therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2024 and 2023

Note 1 - Description of Plan

The following description of the Giorgio Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

General

The Plan provides health benefits covering all full-time employees of Giorgio Foods, Inc., Giorgi Mushroom Co., Giorgi Global Holdings Inc., The Giorgi Companies Inc., MG Alimentos Inc., Canpack US LLC, Can Corporation of America, Inc., Ontelaunee Farms, Inc., Giorgio Fresh Co., Canpack Group LLC, Maiden creek Plaza Co., CF Logistics LLC,, Gaspari Farm Products, Inc., Gaspari Farms, Inc., Valentia, LTD, F&P Holding, Giorgio Foods Xpress, LLC, and Dew Fresh, Inc. (the Company) after completion of 30 days of employment, and former employees electing coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provisions. Medical benefits are also provided to dependents of these individuals who elect coverage on their behalf. Plan assets are held in a voluntary employees' beneficiary association trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Company shall contribute such amounts to the Plan as necessary for timely payment of all claims and administrative expenses of the Plan. The Company provides for stop loss insurance over a specified amount as per agreement with the reinsurance carrier, with the premiums being paid by funds deposited in the Plan. Employee contributions are determined on a fixed fee basis. The amount varies depending on the selection of individual or eligible dependent coverage.

Benefits

The Plan provides health benefits (hospital, surgical, and major medical), dental, vision, long-term disability, accidental death and dismemberment, life insurance, and prescription drugs to substantially all employees of the Company who meet the age and service requirements of the Plan and to their covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through COBRA, as defined in the plan document.

All medical and prescription benefits are self-insured. All other plan benefits are fully insured. Current health claims are processed by Highmark Blue Shield.

The Company provides most health insurance benefits and pays the administrative fees incurred. The employees pay a portion of their medical coverage based upon the coverage chosen, and also may elect disability, dental, life, and vision insurance through payroll deductions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, claims incurred, but not reported, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by the trust are recorded as insurance premiums in the accompanying statement of changes in net assets available for benefits when paid.

Claim payments are recorded when paid by the third-party claims processor.

Stop Loss Insurance

The Plan has a stop loss insurance arrangement, whereby the stop loss insurance will cover the Plan's obligations for any plan participant's claims in excess of a fixed dollar amount (self-insured retention). The self-insured retention for the Company was \$325,000 per covered person for both years ended December 31, 2024 and 2023. In addition, the Plan has an aggregate stop loss insurance arrangement, whereby the aggregate stop loss insurance will cover the Plan's obligations if all claims exceed a fixed dollar amount. Premiums for stop loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits. For the years ended December 31, 2024 and 2023, stop loss refunds of \$3,429,918 and \$581,257, respectively, have been netted with claims paid in the accompanying statement of changes in net assets available for benefits.

Plan Benefit Obligations

Plan obligations at December 31, 2024 and 2023 for health claims incurred by active participants, but not reported at that date, are estimated by the Plan's management. Such estimated amounts are reported in the accompanying statement of benefit obligations. Due to the short-term nature of the reserve liability, time value of money was not used to discount future payments. As of December 31, 2024 and 2023, benefit obligations for claims that had been incurred, but not paid, totaled \$1,453,138 and \$1,049,442, respectively. Each of these amounts was paid in the plan year immediately following the respective period end dates noted above. It is the Plan's policy that deductions for claims are recorded when paid.

Giorgio Health and Welfare Plan

Notes to Financial Statements

December 31, 2024 and 2023

Note 3 - Plan Administration

The Plan has entered into a service agreement with Highmark Blue Shield to provide consulting and administrative services. Highmark Blue Shield is responsible for determining eligibility of the claiming person, evaluating the validity of the claim, calculating the amount of the claim payable, if any, and issuing a check payable to the provider of services or to the employee in accordance with the terms of the Plan. Highmark Blue Shield charges a fee based on the number of employees participating in the Plan. Substantially all administrative expenses of the Plan, including, but not limited to, costs related to claims processing are paid from plan assets. Certain other administrative expenses of the Plan, including certain recordkeeping services and professional fees, are also paid from plan assets.

Note 4 - Tax Status

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code and; accordingly, the trust's net investment income, if any, is exempt from income taxes. The Company believes that the Plan, as amended, continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the U.S. Federal, state, or local tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, active employees, discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for, or on account of, the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 6 - Risks and Uncertainties

The Plan maintained cash in a bank deposit account, which may, at times, exceed federally insured limits. The Plan has not experienced any losses in such account. The Plan believes it is not exposed to any significant credit risk on cash.

The Plan's estimated benefit obligations are reported based on certain assumptions, including level of past claims, which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
