Independent Auditor's Report

Board of Directors
ATW Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ATW Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Merger

As discussed in Note 1 to the financial statements, effective June 1, 2024, the ATW Retirement Savings Plan merged in approximately \$680,000 of investments from the Magnum Custom Trailers 401(k) plan. All plan assets were transferred to the control of ATW Retirement Savings Plan on June 1, 2024. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ATW Retirement Savings Plan

Notes To Financial Statements

Note 1. Plan Description

The following description of the ATW Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General and plan transfer in: The Plan was established on January 1, 2018, and is a defined contribution plan covering substantially all employees of American Trailer World Corp d/b/a ATW (the Company) and its subsidiaries. To be eligible to participate in the Plan, an employee must have met one month of service as defined by the Plan agreement and have reached the age of 21 or older. Employees are eligible to receive matching and nonelective employer contributions after six months of service, as defined in the Plan agreement. Employees who are excluded from participating are those who are covered by a collective bargaining agreement, are leased employees, nonresident aliens and all employees of operations in Canada and Mexico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 1, 2024, the Magnum Custom Trailers 401(k) Plan (Magnum Plan) was merged into the Plan. Investments and notes receivables totaling approximately \$680,000 were transferred into the plan.

Contributions: Each year, participants may contribute a percentage of pre-tax and post-tax annual compensation, as defined in the Plan agreement. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investments of their contributions into various investment options offered by the Plan.

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

For the year ended December 31, 2024, the Company made a safe-harbor matching contribution equal to a calculation based on the employee's deferral percent up to 4% of eligible compensation, as defined in the Plan agreement. Additional amounts may be contributed at the discretion of the Company. No discretionary contribution was made for the year ended December 31, 2024. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Notes receivable terms generally range from one to five years, unless the note qualifies as a home purchase, as defined by the Plan agreement. The notes are collateralized by the balance in the participant's account and will bear interest at a reasonable rate. Principal and interest are paid ratably through payroll deductions.

ATW Retirement Savings Plan

Notes To Financial Statements

Note 1. Plan Description (Continued)

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are also immediately vested in the Company's safe-harbor matching contributions. Vesting in any additional Company discretionary matching contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of benefits: Upon termination of service, attainment of age 65, death, disability, or retirement, a participant may elect to receive either a lump-sum or rollover distribution amount equal to the vested interest in his or her account. In-service withdrawals are permitted for hardship, early retirement age of 59½, normal retirement age of 65, rollover, or qualified military service. Benefits are recorded when paid.

Forfeitures: At December 31, 2024 and 2023, there were no material amounts of forfeitures available for use. These accounts, if any, would first be used to pay administrative expenses and any remaining would be used to reduce future Company contributions under the Plan. During the year ended December 31, 2024, no material amounts of forfeited accounts were used to pay administrative expenses or reduce employer contributions.

Administration of plan assets: Certain administrative functions are performed by officers or employees at the Company. No such officer or employee receives compensation from the Plan.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee. See below for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

ATW Retirement Savings Plan

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Fair value measurements: The framework for measuring fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2024 and 2023.

Shares of registered investment companies and common stock: Valued at the quoted market price of the fund as reported on public exchanges.

Shares of common collective trusts: Valued based on the net asset value (NAV) of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Stable value fund: Valued based on the NAV of units of the guaranteed income fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

ATW Retirement Savings Plan

Notes To Financial Statements

Note 2. Significant Accounting Policies (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Subsequent events: The Plan has evaluated subsequent events for potential recognition and/or disclosure through October 6, 2025, the date the financial statements were available to be issued.

Note 3. Information Certified by Fidelity Management Trust Company (Fidelity) and Empower Annuity and Empower Trust Company, LLC (Empower)

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Fidelity and Empower, the trustees of the Plan, as complete and accurate:

	2024	2023
Investments, at fair value:		
Registered investment companies	\$ 12,863,533	\$ 11,373,473
Common stocks	151,802	89,512
Common collective trusts	33,567,856	30,257,735
Stable value fund	683,239	848,895
	<u>\$ 47,266,430</u>	<u>\$ 42,569,615</u>

As of December 31, 2024 and 2023, Fidelity certified investments of \$47,266,430 and \$42,512,904, respectively. As of December 31, 2023 Empower certified a stable value investment of \$56,711.

Fidelity certified notes receivable from participants totaling \$1,267,485 and \$904,938 at December 31, 2024 and 2023, respectively.

Fidelity also certified to the completeness and accuracy of \$6,785,319 of net appreciation in fair value of investments, \$334,719 of interest and dividends related to the aforementioned investments and \$89,303 of interest income on notes receivable from participants for the year ended December 31, 2024.

Note 4. Fair Value Measurements

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	For the Year Ended December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 12,863,533	\$ -	\$ -	\$ 12,863,533
Common stocks	151,802	-	-	151,802
	<u>\$ 13,015,335</u>	<u>\$ -</u>	<u>\$ -</u>	<u>13,015,335</u>
Investments measured at NAV				34,251,095
				<u>\$ 47,266,430</u>

	For the Year Ended December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 11,373,473	\$ -	\$ -	\$ 11,373,473
Common stocks	89,512	-	-	89,512
	<u>\$ 11,462,985</u>	<u>\$ -</u>	<u>\$ -</u>	<u>11,462,985</u>
Investments measured at NAV				31,106,630
				<u>\$ 42,569,615</u>

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2024 and 2023.

Investment Category	2024 Fair Value	2023 Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Period Notice
Common collective trusts	\$ 33,567,856	\$ 30,257,735	\$ -	Daily	None
Stable value fund	683,239	848,895	-	Daily	90 days

Changes in fair value levels: To assess the appropriate classifications of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2024, there were no transfers in or out of Level 3.

Note 5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan were approximately \$171,000 for the year ended December 31, 2024.

ATW Retirement Savings Plan

Notes To Financial Statements

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 7. Income Tax Status

The Plan is an adopter of a standardized prototype plan sponsored by Fidelity. The prototype plan document has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan's administrator has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2021.
