Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: BENNETT THRASHER

(2) EIN: 58-1673613

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

Independent Auditor's Report

To the Participants and Administrator of the
RFC Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of financial statements of RFC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024, and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of the Plan, as listed in the accompanying index, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RFC Retirement Plan

Notes to Financial Statements December 31, 2024 and 2023

Note 1: Description of Plan

The following description of RFC Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan, effective May 1, 2004, and restated on January 1, 2021, covering substantially all employees, except employees subject to collective bargaining agreements, leased employees and nonresident aliens of Romanoff Floor Coverings, Inc. (the Plan Sponsor or the Company). In order to participate in the elective deferral portion of the Plan, employees must be at least 18 years of age and have completed 30 days of consecutive service with the Company. Employees are permitted to enter the Plan on the first day of the following month concurrent or after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is a Safe Harbor Plan.

Contributions

The Plan includes a provision under Internal Revenue Code (IRC) Section 401(k) whereby participants may deposit the maximum amount of pre-tax contributions allowed under the IRC. In addition, participants may also contribute post-tax, or Roth contributions. Additionally, employees who have attained age 50 are eligible to deposit catch-up contributions in accordance with and subject to limitations under the IRC.

The Plan Sponsor may match, subject to limitations under the IRC, a portion of the participant's contributions. The Company makes Safe Harbor matching contributions equal to 100% of each participant's elective deferrals not exceeding 3% of the participant's compensation, plus 50% of each participant's elective deferrals in excess of 3% but not to exceed 5% of participant's compensation.

In addition to any matching contribution, the Plan Sponsor may deposit discretionary profit sharing and qualified non-elective contributions to all eligible participants and qualifying discretionary matching contributions to non-highly compensated employees, subject to certain conditions as defined. The Company did not make any additional discretionary contributions in 2024. In order to share in the profit sharing contribution for a plan year, a participant must satisfy the following conditions:

- If a participant is employed on the last day of the plan year, they will share regardless of the amount of service completed during the plan year.
- If a participant in the Plan terminates employment (not employed on the last day of the plan year), they will only share if they are credited with more than 500 hours of service during the plan year.
- A participant will share in the profit sharing contribution for the year regardless of the amount of service they completed during the plan year in the year of their death, disability, or termination of employment after the normal retirement age of 65.

Employees may deposit rollover contributions from another qualified plan and rollover contributions may be made even though an employee is not eligible to participate in the Plan. Rollover contributions are placed in a separate account and are subject to the rules for investment established by the Plan Sponsor.

Administration

The Company serves as the plan administrator. The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions which may affect eligibility for benefits. The Plan Sponsor has engaged Future Plan by Ascensus LLC and Transamerica Retirement Solutions, LLC (Transamerica) to assist in the administration of the Plan (Note 7). One of the officers of the Company serves as the Trustee of the Plan.

Transamerica Financial Life Insurance Company Inc. (Custodian) serves as the designated custodian of the Plan. The Custodian receives all contributions made under the Plan, holds Plan assets, pays benefits to participants and executes other transactions as directed by the plan administrator (Note 3).

Participant Accounts

Each participant account is credited with pre-tax and post-tax contributions made by the participant and the participant's portion of the Plan Sponsor's matching and discretionary contributions and plan earnings. Earnings, expenses, and gains and losses on investments are allocated based on participant account balances, as defined in the plan document.

Vesting

Participants are always 100% vested in their contributions, rollover contributions, employer Safe Harbor matching contributions, qualified nonelective employer contributions, Plan Sponsor discretionary matching contributions, and Plan Sponsor discretionary profit sharing contributions, plus actual investment earnings thereon.

Participants are immediately vested upon termination of the Plan, death, total disability or upon reaching normal retirement age of 65.

Investment Options

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options, including certain options for which the custodian or its affiliates serve as investment advisors, selected by the plan administrator (see Note 7).

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are limited to two outstanding notes at a time. The outstanding notes are secured by the participant's account balance and payable in level periodic payroll deductions over a period not to exceed five years unless the note is used for financing the purchase of a participant's principal residence. The interest rate on notes receivable from participants is determined by the plan administrator based on prevailing rates at the time of the note. Pursuant to the plan document, borrowers will be charged an interest rate equal to the prime rate (7.50% as of December 31, 2024) plus 2%, or 9.50%. Principal and interest are paid ratably through weekly and biweekly payroll deductions.

Payment of Benefits and Withdrawals

The Plan provides for benefit distributions to participants or beneficiaries of their vested account balance upon termination of employment, reaching age 65, disability, or death in the form of a lump sum or partial withdrawal. Participants may receive an in-service distribution of their vested account balance after attaining the age 59 ½. The value of the vested balance will be automatically distributed as soon as administratively feasible following the cause for distribution. If the value of the vested account is not greater than \$5,000 when employment is terminated, the benefit will automatically be distributed to the participant in a lump-sum payment as soon as administratively practicable following their termination of employment. Any vested account balances greater than \$5,000 require consent from the participant or beneficiaries as to the method of distribution. However, the participant may elect whether to receive the distribution or to roll over the distribution to another retirement plan such as an individual retirement account (IRA). If the participant does not elect either to receive or to roll over the distribution, the Plan will distribute the participant's account without their consent. If the amount of the distribution does not exceed \$5,000, then the participant's distribution will be directly rolled over to an IRA.

In general, a participant may withdraw up to 100% of the participant's elective deferral contributions in the event of a participant's immediate and heavy financial hardship, as defined in the plan document. If a participant receives a hardship withdrawal, the right to make contributions will be suspended for six months.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified plan or IRA.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, including interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

Payment of Benefits

Benefit payments to participants or their beneficiaries are recorded upon distribution.

Administrative Expenses

Administrative expenses of the Plan are liabilities of the Plan but may be paid by the Plan Sponsor. These expenses include, but are not limited to, legal, accounting and recordkeeping fees, and investment fees. For administrative expenses not paid by the Plan Sponsor, a proportionate share of the fees and expenses paid by the Plan is charged to each participant's account.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investments contracts which are recorded at contract value (Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Note 3: Information Certified by Custodian (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the amounts for investment assets and transactions in those assets included in the accompanying financial statements and supplemental information and as outlined below as of December 31, 2024 and 2023, and for the year ended December 31, 2024, was derived from information certified as complete and accurate by the Custodian in accordance with DOL regulations. As permitted under such election, the Plan's independent auditors did not perform any auditing procedures with respect to the following information certified by the Custodian, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental information:

	2024	2023
Statements of net assets available for benefits:		
Investments:		
Investments, at fair value	\$ 9,516,393	\$ 8,479,253
Investment, at contract value	51,678	47,223
Statement of changes in net assets available for benefits:		
Investment income:		
Net appreciation in fair value of investments	\$ 1,124,732	
Interest income on notes receivable from participants	19,405	

Note 4: Fair Value Measurements

Accounting standards for fair value measurement establish a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Mutual funds are valued at quoted market prices as provided by the Custodian. Net appreciation in the fair value of the mutual funds represents the change in fair value during the year, including realized and unrealized gains and losses. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in methodologies used at December 31, 2024 and 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value:

Assets at Fair Value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 9,516,393	\$ -	\$ -	\$ 9,516,393
Total assets at fair value	<u>\$ 9,516,393</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,516,393</u>

Assets at Fair Value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 8,479,253	\$ -	\$ -	\$ 8,479,253
Total assets at fair value	<u>\$ 8,479,253</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,479,253</u>

Note 5: Fully Benefit-Responsive Investment Contract

The Plan has entered into a traditional investment contract through a group annuity contract with the Custodian. The traditional investment contract held by the Plan is a guaranteed investment contract which meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus interest, less participant withdrawals and administrative expenses. The Custodian maintains the contributions in a general account secured by the general assets of the Custodian. Guaranteed interest rates and maturity dates are revised semiannually by the Custodian subject to contractual limitation in the contract. Certain events such as plan termination or a plan merger initiated by the Plan Sponsor may limit the ability of the Plan to transact at contract value. The Plan Sponsor does not believe that any events that may limit the ability of the Plan to transact at contract value are probable of occurring. The contract value of guaranteed investment contracts totaled \$51,678 and \$47,223 as of December 31, 2024 and 2023, respectively, and is reported as investment at contract value on the accompanying statements of net assets available for benefits.

Note 6: Income Tax Status

The Plan Sponsor has entered into a defined contribution volume submitter profit sharing plan with CODA (the Volume Submitter Plan). The Volume Submitter Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the IRC.

The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes the Plan is designed and currently operating in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax exempt as of December 31, 2024.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2021.

Note 7: Party-in-Interest Transactions

Transamerica performs services for, sells products to, and manages and maintains certain investments of the Plan for which fees are charged to the Plan. While the Plan Sponsor pays most of the fees, an insignificant portion is paid by the Plan (see Note 2).

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 9: Subsequent Events

The Plan Sponsor has evaluated for subsequent events between the date of the statement of net assets available for benefits as of December 31, 2024 and the report date, which is the date these financial statements were available for issuance. Management has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
