Board of Directors

Gateway Rehabilitation Center 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Gateway Rehabilitation Center 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under

ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

1. Plan Description

Gateway Rehabilitation Center (Company) is a not-for-profit corporation organized for the purpose of providing a system of comprehensive drug, alcohol, and behavioral health rehabilitation programs through both inpatient and outpatient care facilities concentrated primarily in western Pennsylvania and eastern Ohio. On January 1, 1999, the Gateway Rehabilitation Center 401(k) Profit Sharing Plan (Plan), a contributory defined contribution pension plan, was established for the purpose of providing retirement benefits to the employees of the Company.

The following description of the Plan provides only general information. Participants should refer to the Plan document, including any amendments, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company subject to eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Employee Contributions

Employees become eligible to participate in the Plan once they have attained age 21 and have completed 30 days of service, as defined by the Plan. Participants may contribute, pre-tax, a portion of their compensation from one percent up to a maximum allowable by the Plan document and in accordance with other limiting provisions of the Internal Revenue Code (Code) and other applicable legal limits. All eligible participants are automatically enrolled in the Plan in the amount of 3% of eligible compensation. Such amounts shall be deducted from the participant's compensation each payroll period. Employees have the right to opt out of the automatic deferral or elect a different deferral amount by notifying the Company.

Employer Contributions

The Plan allows employees to become eligible for employer qualified non-elective contributions and employer matching contributions after completing one year of service, as defined by the Plan.

GATEWAY REHABILITATION CENTER 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

The Company makes discretionary, qualified non-elective contributions on behalf of participants representing 2% of the participants' compensation subject to certain contribution limitations prescribed by the Code. In addition, the Company makes discretionary matching contributions to each participant based on the participant's elective contribution in a percentage set by the Company prior to the end of each plan year. The matching contribution percentage was 25% of the first 6% of base compensation that each participant contributes to the Plan in 2024 and 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and qualified non-elective contributions and, (b) the participant's share of Plan earnings or losses thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan, and direct charges for distributions or participant loans. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and qualified non-elective portion of their accounts plus actual earnings thereon is based on years of credited service, as defined. Participants are 100% vested in all contributions made by the Company after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Borrowings are considered to be collectable, as they are secured by the balance in the participant's account. Interest is charged at a reasonable rate as defined in the Plan document. Interest rates range from 4.25% to 9.50% for the years ended December 31, 2024 and 2023. Principal and interest are paid ratably through payroll deductions. The term of the loan cannot exceed five years except in the case of a loan for the purpose of acquiring a primary residence. Notes receivable are stated at their unpaid principal balance plus accrued unpaid interest.

GATEWAY REHABILITATION CENTER 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum payout equal to the value of the participant's vested interest in his or her account or may purchase a life annuity from another third party.

Upon termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

Forfeitures represent participant account balances that are not vested upon termination. Forfeitures may be used in order for the following items: the restoration of the account balances for former terminated participants, payment of plan expenses, and the reduction of employer contributions. The balance of the forfeiture account at December 31, 2024 and 2023 were \$6,067 and \$2,863, respectively. During 2024, plan expenses and employer contributions were reduced by \$0 and \$108,603, respectively, from forfeited non-vested accounts. During 2023, plan expenses and employer contributions were reduced by \$3,466 and \$35,696, respectively, from forfeited non-vested accounts. See further discussion regarding forfeiture activity in Notes 2 and 8.

Investment Options

Upon enrollment in the Plan, a participant may direct all participant and employer contributions into the various investment options of the Plan. These are determined by the Plan sponsor, and participants may change their investment options daily. All participant and employer contributions are allocated to the respective participant's individual investment account.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

GATEWAY REHABILITATION CENTER 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis of accounting. Related fees are charged directly to the borrowing participant's account and are recorded as administrative expenses when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

GATEWAY REHABILITATION CENTER 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan had no excess contributions payable to participants for the plan years ended December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of December 31, 2024 or 2023, respectively.

Return of Forfeited Funds Liability

As of December 31, 2024, the Plan has a recorded liability of \$89,721 for amounts payable to certain participants related to the correction of erroneously taken forfeitures. Plan management evaluated the lost earnings associated with erroneously taken forfeitures and determined that the amounts were immaterial to the financial statements. Accordingly, no adjustment has been recorded for these lost earnings. These amounts were not yet allocated to individual participant accounts as of December 31, 2024. The liability is recorded in the accompanying Statement of Net Assets Available for Benefits, with a corresponding amount included in employer contributions receivable, and will be allocated and paid to the affected participants upon receipt of the related contributions from the Company.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

3. Fair Value Measurements

Fair values of assets measured on a recurring basis as of December 31, 2024, and 2023 are as follows:

Description	12/31/2024	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	\$ 15,991,367	\$ 15,991,367	\$ -	\$ -
Investments at fair value	<u>\$ 15,991,367</u>	<u>\$ 15,991,367</u>	<u>\$ -</u>	<u>\$ -</u>

Description	12/31/2023	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	\$ 15,450,528	\$ 15,450,528	\$ -	\$ -
Investments at fair value	<u>\$ 15,450,528</u>	<u>\$ 15,450,528</u>	<u>\$ -</u>	<u>\$ -</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair values for Level 1 investments are determined by reference to unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access. Fair values for Level 2 investments are determined by reference to quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

GATEWAY REHABILITATION CENTER 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds – Valued at the daily closing price reported on the active market on which the securities are traded. When calculating a fund’s value, portfolio securities for which market quotations are readily available are generally valued at their market value, which typically is the last quoted sales price at the time of valuation.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Interest in Investment Contract

In July 2022, the Plan entered into a traditional fully-benefit responsive guaranteed investment contract, the Transamerica Stable Value Contract (the Contract). The Contract, which is comprised of the Stable Value Core Option investment, is administered by Transamerica Life Insurance Company (Transamerica). Transamerica maintains the contributions in a general account. The general account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment objectives of the Contract are to maximize current income while maintaining principal, and to provide for withdrawals for certain participant-initiated transactions under the Plan without penalty or adjustment. Transamerica is contractually obligated to repay the principal and a specified interest rate guaranteed by the Plan.

Because the Contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Contract. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

GATEWAY REHABILITATION CENTER 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2024 and 2023 was \$972,699 and \$964,721, respectively. As a result, the crediting rate will generally reflect, over time, movements in prevailing interest rates and the performance of the underlying investments. There is no stated minimum or maximum interest rate for the Stable Value Core Option. The effective guaranteed credited interest rate is set on a semi-annual basis and announced at least 45 days in advance of the date the new rate becomes effective. The guaranteed rate of interest shall not change during the six-month period for which it is effective. The effective annual yield of the Contract was 1.50% from January 1, 2024 through June 30, 2024, and 1.65% from July 1, 2024 through December 31, 2024. The effective annual yield of the Contract was 1.10% from January 1, 2023 through June 30, 2023, and 1.25% from July 1, 2023 through December 31, 2023.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (3) a significant decline in the creditworthiness of Transamerica or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

GATEWAY REHABILITATION CENTER 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

6. Tax Status

The IRS has determined and informed the company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. In addition, the Plan annually files a Form 5500.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress for the Plan.

7. Information Certified by the Plan's Custodians

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation (depreciation) of fair value investments and dividends and interest for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by qualified institutions, Transamerica Life Insurance Company (custodian for the Contract), Reliance Trust Company (custodian for all remaining investments, from January 1, 2023 through June 30, 2024), Transamerica Trust Company (custodian for all remaining investments from July 1, 2024).

GATEWAY REHABILITATION CENTER

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

8. Related-Party and Party-In-Interest Transactions

Recordkeeping and administrative services for the Plan are performed by Transamerica. Custodial services are performed by the aforementioned custodians. As transaction fees and other fees are paid to these entities, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment. Administrative expenses paid by the Plan for the years ended December 31, 2024 and 2023 were \$61,212 and \$50,259, respectively.

For the Plan years ended December 31, 2024 and 2023, there were delinquent contributions of \$260,278 and \$0, respectively. The 2024 delinquent contributions are disclosed in the supplemental schedule, Schedule of Delinquent Participant Contributions as of December 31, 2024, and on the 2024 Form 5500 Schedule H, Line 4a. Plan management is working to correct these contributions.

As discussed in Note 2, there is an aggregate total of \$89,721 of erroneously taken forfeitures the Plan Sponsor will be returning to former plan participants. The Sponsor had in good faith used the forfeitures to reduce their contribution but now is in the process of correcting the misapplication of funds.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Annual compliance testing failures were not timely corrected as required by the IRS for the years ended December 31, 2023 and 2022. IRS regulations require plans to perform annual compliance testing and correct any failures within 12 months after the end of the plan year being tested. If the Plan fails to comply with IRS regulations, its tax-exempt status could be in jeopardy. No modifications have been made to these financial statements as a result of this potential outcome.
