## INDEPENDENT AUDITOR'S REPORT

To the Trustees of the  
Chicago Dryer Company Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Chicago Dryer Company Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Chicago Dryer Company Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chicago Dryer Company Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chicago Dryer Company Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chicago Dryer Company Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chicago Dryer Company Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## CHICAGO DRYER COMPANY RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### 1. Description of the Plan:

The following description of the Chicago Dryer Company Retirement Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description and Plan Document agreement for a more complete description of the Plan's provisions.

##### General

The Plan is a defined contribution plan covering all full-time employees of Chicago Dryer Company (Plan Sponsor) who have completed 250 hours of service within three (3) consecutive months from the initial date of employment and have attained the age eighteen (18). An eligible employee shall become a participant effective as of the earlier of the first day of the Plan year or the first day of the seventh month of such Plan year following the date such employee meets the eligibility requirements provided the employee was still employed as of such date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for the oversight of the Plan. They determine the appropriateness of the Plan's investment offerings and monitor investment performance.

##### Contributions

Each year participants may contribute up to 100% of their eligible annual compensation, as defined by the Plan, subject to the Internal Revenue Service (IRS) annual limits to either a traditional 401(k), Roth 401(k) or both. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions subject to the IRS limits. The 2024 limit was \$23,000, with catch-up contribution limit of \$7,500, for participants 50 years or older who make the maximum allowable deferrals to the Plan. Participants may also contribute distributions (excluding any after-tax employee contributions) from other tax qualified plans (within 60 days of receiving a payout from the other plan). Participants direct the investments of their contributions into various investment options offered by the Plan.

The Plan Sponsor made a safe harbor contribution of 3.0% of participant's compensation to the Plan and a profit-sharing amount of .5%. This profit-sharing contribution is at the Company's discretion which will be allocated among all eligible employees, whether or not they make contributions. The employer profit-sharing contribution benefits only those eligible employees who are actively employed on the last day of the year and worked 1000 hours. These conditions are waived for a participant who separates from service due to normal retirement (defined under the plan as age 65), death or disability.

The annual compensation limit was \$345,000 for 2024 with an annual defined contribution limit of \$69,000. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans.

##### Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the a) Plan Sponsor's contribution, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## CHICAGO DRYER COMPANY RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### 1. Description of the Plan: (continued)

##### Vesting

Participants shall be fully vested upon entry into the Plan.

##### Investment Options

Participants may direct the investment of all deferrals and any employer contribution to any investment funds offered by the Plan through Matrix Trust Company. Earnings in these funds and/or market gains or losses are reflected in their changing unit value or returns.

##### Notes Receivable from Participants

The Plan Sponsor may make plan loans to participants or beneficiaries under the following circumstances: (1) loans shall be made available to participants and beneficiaries on a reasonably equivalent basis; (2) loans shall not be made available to highly compensated employees in an amount greater than the amount that is made available to other participants and beneficiaries; (3) loans shall bear a reasonable rate of interest; (4) loans shall be adequately secured; and (5) loans shall provide for periodic repayment up to five to fifteen years depending on the loan type. Furthermore, no Plan loan shall exceed 50% of account balance of a participant's vested interest in the Plan or \$50,000.

##### Excess Contributions Payable

Amounts payable to participants for contributions in excess of maximum amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable as of December 31, 2024.

##### Payment of Benefits

On termination of service due to death, disability or retirement, a participant (or their beneficiary) may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in certain monthly, quarterly, semi-annual or annual installments, or elect to rollover the funds into an IRA or other retirement account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals from a participant's deferral contribution accounts are permitted when applicable criteria are met.

##### Forfeited Accounts

On December 31, 2024, there are no forfeited participant accounts. If accounts under \$1,000 are forfeited during any calendar year, the funds may be used to pay plan expenses.

## CHICAGO DRYER COMPANY RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### 2. Summary of Significant Accounting Policies:

##### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the plan.

##### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

##### Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the plan year.

Unrealized appreciation or depreciation is calculated as the change in fair value between the beginning and the end of the year for assets held throughout the year and is recorded as net appreciation (depreciation) in fair value of investments. For those assets purchased during the year, unrealized appreciation or depreciation is calculated as the change in fair value between the purchase date and the end of the year.

##### Investments Valuation in a Common/Collective Trust Fund

Morley Stable Value Fund Cl 50-1 invests in fully benefit-responsive investment contracts. This fund is recorded at contract value; however, since these contracts are fully benefit-responsive, an adjustment is reflected in the Statements of Net Assets Available for Benefits to present these investments at contract value. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value represents contributions plus earnings, less participant withdrawals, and administrative expenses.

## CHICAGO DRYER COMPANY RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### 2. Summary of significant accounting policies: (continued)

##### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest on the note's receivable recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. The loans are secured by the balance in the participant's account and bear interest at 3.25%. Principal and interest are paid ratably through payroll deductions. No allowance for credit losses have been recorded as of December 31, 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

##### Payment of Benefits

Benefits are recorded when paid.

##### Transfers of Assets

As a result of changes in participant's status, assets may be transferred to or from the Plan. Transfers of assets to the Plan occur when a new participant transfers assets from another plan. Transfers of assets from the Plan occur when the assets of a former participant of the plan are transferred to another plan.

##### New Accounting Pronouncements

There are no new accounting pronouncements.

#### 3. Investments Certified by Custodian (Unaudited):

For the years ended December 31, 2024 and 2023, the Plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's asset custodian has certified for the years December 31, 2024 and December 31, 2023, that the following data included in the accompanying financial statements and schedule is complete and accurate.

Matrix Trust Company is the custodian of the Plan assets. Information included in the accompanying financial statements as to the investments, net appreciation (depreciation) in the fair value of investments, dividend and interest income, and all information in the supplemental schedule is presented in reliance solely upon those certifications.

**CHICAGO DRYER COMPANY RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

3. Investments Certified by Custodian (Unaudited): (continued)

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such related information certified by the custodian to information included in the financial statements and supplemental information schedule.

	<u>2024</u>	<u>2023</u>

\* Contract value

During the years 2024 and 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year), appreciated in value by \$950,739 and \$1,558,917, respectively.

4. Fair Value Measurements:

The Financial Accounting Standards Board (FASB) developed the Accounting Standards Codification (ASC) 820, "Fair Value Measurements" to establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the "Fair Value Measurements" guidance are described as follows:

Level 1 – observable inputs that are based upon quoted markets prices for identical assets or liabilities within active markets.

Level 2 – observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

## CHICAGO DRYER COMPANY RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### 4. Fair Value Measurements: (continued)

Level 3 – inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2024 and 2023.

*Registered Investment Companies – Mutual Funds:* Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The Plan's assets at fair value as of December 31, 2024 and 2023:

	2024 Level 1	2023 Level 1
Registered Investment Companies - Mutual Funds	\$ 14,494,721	\$ 12,401,525
Total investments at fair value	\$ 14,494,721	\$ 12,401,525

The following summarizes investments at fair value based on NAV's per share at December 31, 2024 and 2023.

	Fund Value	Unfunded Commitments	Redemption Frequency	Redemption Note Period
2024 Registered Investment Companies - Mutual Funds	\$ 14,494,721	N/A	Daily	1 day
2023 Registered Investment Companies - Mutual Funds	\$ 12,401,525	N/A	Daily	1 day

Although the redemption period is daily, a participant can only have one transfer out of the above funds every thirty days.

## CHICAGO DRYER COMPANY RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### 5. Fully Benefit-Responsive Investment Contract:

The Plan maintains a fully benefit-responsive guaranteed investment contract with Morley Stable Value CL-50-I Fund. The account is credited with all contributions made by or on behalf of the participants, all interest credited to the fixed account on an annual effective basis pursuant to the guaranteed interest rate applicable, any amounts transferred or distributed from the account and applicable charges and fees. The contract is included in the financial statements at contract value as reported to the Plan by Matrix Trust Company. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract was \$925,890 and \$935,442 for the year ended December 31, 2024 and 2023, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from Plan coverage as a result of a temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan Sponsor's business. Such events also include: (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete Plan termination; or (3) Plan disqualification.

#### 6. Party-in-Interest:

A party-in-interest is defined by ERISA to include any plan fiduciary (administrator, officer, trustee or custodian), the employer or any affiliate, any employee of such employer, any service provider to the plan (attorney, auditor, etc.) whether paid by the plan or not. It should be noted that ERISA's definition of a party-in-interest is broader than a related party as that term is defined by U.S. generally accepted accounting principles (GAAP). Participant loans are considered party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transactions rule under ERISA. The Plan invests in certain funds offered by Matrix Trust Company. Such transactions as of December 31, 2024 are disclosed in the Supplemental Schedule of Assets Held at End of Year.

#### 7. Plan Termination:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances which will be distributed as prescribed by ERISA.

## CHICAGO DRYER COMPANY RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### 8. Administrative Expenses:

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

#### 9. Tax Status:

The Internal Revenue Service has determined and informed the Company by letter dated July, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2021.

#### 10. Risks and Uncertainties:

The Plan invests in various investments. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

#### 11. Reconciliation of Financial Statements to Schedule H of Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500.

Net assets available for plan benefits per the financial statements	<u>\$ 15,849,923</u>
Net assets available for benefits per Schedule H to the Form 5500	<u>\$ 15,849,923</u>

## CHICAGO DRYER COMPANY RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

#### 12. Non-Employee Participant Balances:

The Plan had participants who were no longer employed by Chicago Dryer Company with account balances which include the following:

Number of participants	17
Account balances	<u>\$ 60,492</u>

#### 13. Plan Amendments:

The Plan has implemented the provisions of the Pension Protection Act of 2006. The Plan has also been amended to comply with applicable provisions of the Pension Reform Act, The HEROES Act, the Worker, Retiree, and Employer Recovery Act, and the Emergency Economic Stabilization Act.

#### 14. Subsequent Events:

Subsequent events were evaluated through the date of the accompanying independent auditor's report, which is the date the financial statements were available to be issued. There were no other subsequent events that require adjustment to or disclosure in the financial statements other than as noted above.
