INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
United Airlines Consolidated Welfare Benefit Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the United Airlines Consolidated Welfare Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from The Northern Trust Company and CIGNA, collectively, the trustees of the Plan and qualified institutions, as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 and schedule of reportable transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

UNITED AIRLINES CONSOLIDATED WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

1. DESCRIPTION OF THE PLAN

This description is for general information purposes only for the year ended December 31, 2024. Participants should refer to the plan document for the United Airlines Consolidated Welfare Benefit Plan (as Amended and Restated Effective January 1, 2012) (the "Plan") for a more complete description of the Plan's provisions. The Plan is sponsored by United Airlines, Inc. ("United" or the "Plan Sponsor", or the "Company"), a wholly owned subsidiary of United Airlines Holdings, Inc. ("UAH").

General — The Plan consolidates a broad range of welfare benefit programs, some of which are provided through insurance policies with independent Insurance Companies, and a cafeteria program within the meaning of Section 125 of the IRS Code. The Plan offers eligible employees and retirees and their eligible dependents an opportunity to obtain certain benefits; provides employees an option to pay for certain benefits on a pre-tax basis; and provides employees an opportunity to fund certain unreimbursed Health Care Expenses and certain qualifying Dependent Care Expenses. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Benefits — Benefits are provided to a participant through one or more benefit programs sponsored or maintained by the Company, although benefit programs may differ by employee or retiree group. Such benefit programs may be funded or unfunded, insured or uninsured, or a combination thereof, and may provide varying benefits to different groups of current and former employees and their dependents.

The Plan provides medical, dental and prescription drug benefits to active employees and Pre- and Post-65 retirees of United and their eligible dependents. The benefits are provided through four provider options: Exclusive Provider Organization ("EPO"), Preferred Provider Organization ("PPO"), Point-of-Service Plan ("POS") or a Health Maintenance Organization ("HMO"). Aetna and Blue Cross Blue Shield act as the primary claims administrators for most medical payments, with the exception of certain EPOs and HMOs. Connecticut General Life Insurance Company ("CIGNA") acts as the primary claims administrator for most PPO & HMO dental claims.

All medical and dental claims activity was provided directly from United general funds, along with employee and retiree contributions.

Effective February 1, 2016, the United Airlines Employee Sick Leave Plan was established by the Company. This Plan is designed to provide funded sick leave benefits to the employees of the Company and any other affiliate of the Company that has adopted this Plan with the consent of the Company in the event of an employee's sickness. Sick leave benefits represent compensation paid to employees who are absent from work for medical reasons.

In 1994, United established the United Air Lines Inc. Pilot Disability Income VEBA Trust (the "Pilot Trust") to separately fund disability payments for United Air Lines, Inc. pilots who became disabled on or after May 1, 1994 and before December 30, 2012. MetLife acts as the claims administrator for these payments, but the responsibility for payments to participants and providers is retained by the Plan. Effective December 30, 2012, all future disabled pilots are paid under the United Airlines Pilot Long Term Disability Plan and its associated trust, which are not part of this Plan and are reported separately.

The Plan provides group life insurance and accidental death and dismemberment benefits to active employees. Each of these benefits is insured by MetLife, Minnesota Life Insurance Company or American International Group ("AIG"). The Plan also provides life insurance to certain retirees, which is funded through a deposit administration fund held by CIGNA.

The Plan includes a flexible spending program, which provides certain active employees with the opportunity of selecting among certain taxable and nontaxable welfare and other benefits including, but not limited to, the reimbursement of certain health care and dependent care expenses incurred.

Contributions — The benefit programs are funded by both employer and employee contributions. The employee portion of the cost of coverage is generally made through payroll deductions. All Retiree contributions are sent to Alight and Alight transmits the funds to the Company.

Sick leave benefits for employees are funded through the United Airlines VEBA Trust. The sick leave benefits are funded to a VEBA trust generally on or near the fifth day of a month and were actuarially determined based upon the Plan's accruing sick leave pay liability.

No contributions were made to the deposit administration fund for retiree life insurance in 2024 because the existing funding was actuarially sufficient to pay future benefits.

For 2024, contribution requirements for retirees varied by employee group as well as retirement date; as well as for pre- and post-Medicare. Depending on the retiree, contributions were either monthly payments depending on the number of dependents or based on a percentage of the cost of that retiree's benefits.

Trustee — Newport Trust Company, N.A. serves as trustee for the United Airlines VEBA Trust.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting — The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates — The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and obligations and changes therein, claims incurred but not reported, claims payable and disclosure of contingent assets and obligations at the date of the financial statements, and the reported amounts of contributions and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition — Cash and cash equivalents are invested primarily in the Northern Trust Company Common Short-Term Investment Fund. This fund is comprised of cash and short-term, interest-bearing investments with initial maturities of three months or less. Such amounts are recorded at cost plus accrued interest, which approximates fair value. The investments held in the deposit administration fund are recorded at cost. The Plan Sponsor has determined that fair value approximates cost based on the interest rates earned on the deposit administration fund. The fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Rebates Receivable — Rebates due from the Plan's pharmacy benefit managers are recorded when earned. The amounts due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling \$134,268,872 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

Medical-Dental Claims Payable — Medical-dental claims payable includes claims incurred but not reported and reported but not yet paid. Claims incurred but not reported are estimated based on the historical relationship of run out claims to claims paid by the Company in the prior periods.

Premiums Payable — Premiums payable represents the Plan's liability for premiums payable, relating to insured medical benefits, life insurance, accidental death and dismemberment, disability, and pilots' loss of license.

Severance Payable — Severance payable represents the Plan's liability for severance payments related to the United Airlines, Inc. Severance Plan.

Postretirement Benefit Obligation — The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employee service rendered to December 31, reduced by the actuarial present value of contributions expected to be received in the future from current plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) certain currently retired employees and their beneficiaries and dependents and (2) certain active employees and their beneficiaries and dependents after retirement from service.

The postretirement obligation represents the amount that is to be funded by contributions from the Company and from existing Plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

On December 8, 2003, the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (The Act) was signed into law. The Act introduces a prescription drug benefit under Medicare (Medicare Part D), as well as a federal subsidy to sponsors of retiree health care benefit plans that provide a benefit that is at least actuarially equivalent to Medicare Part D. The Company and its actuarial advisors

determined that benefits provided to certain participants are expected to be at least actuarially equivalent to Medicare Part D, and accordingly, the Company expects to be entitled to a federal subsidy under the Act. The Plan's postretirement benefit obligation in the statement of plan's benefit obligations as of December 31, 2024, and the changes in the postretirement benefit obligation in the statement of changes in plan's benefit obligations for the year ended December 31, 2024, do not reflect any amount associated with the Medicare subsidy because the Plan is not directly entitled to the Medicare subsidy.

The postretirement benefit obligation reported in the Plan's financial statements for 2024 differs from that disclosed in the Company's financial statements because the Company amounts are reported net of the Medicare subsidy in accordance with accounting principles generally accepted in the United States of America for the preparation of such financial statements.

In March 2010, the President signed into law comprehensive health care reform legislation under the Patient Protection and Affordable Care Act (PPACA) and the Health Care Education and Affordability Reconciliation Act (The Acts). Under the new legislation, Medicare Part D Retiree Drug Subsidy, which reimburses plan sponsors for a portion of the cost associated with prescription drug coverage provided to retirees, will no longer be received tax free beginning in 2013. The PPACA also includes a provision that imposes an excise tax on certain high-cost plans beginning in 2018. Plan costs in excess of a prescribed threshold will be subject to a 40% non-deductible excise tax. The thresholds may be adjusted for inflation based on the Consumer Price Index (CPI). The Company reflected its best estimate of the expected impact of these provisions in its actuarial valuation.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment, and to reflect the portion of those costs expected to be borne by Medicare, the retired participants, and other providers.

The weighted-average discount rate for the Plan's major participant groups as of December 31, 2024 was 5.70%. For measurement purposes, the healthcare cost trend rates were assumed to be 6.75% for 2025, gradually decreasing to 4.5% in the year 2035.

Additional actuarial assumptions used in the calculation of the postretirement benefit obligation as of December 31, 2024 for the cohort groups are as follows:

Cohort group	Life expectancy of participants*	Retirement age
Pilots	Custom table with projection scale, white collar adjustment	50-65
M&A & Other	Custom table with projection scale, white collar adjustment	50-75
Mechanics	Custom table with projection scale, blue collar adjustment	50-75
Gate Agents	Custom table with projection scale, white collar adjustment	50-75
Flight Attendants	Custom table with projection scale, no collar adjustment	50-75
IAM & Ramps	Custom table with projection scale, blue collar adjustment	50-75

*Mortality is based on rates underlying the Pri-2012 headcount weighted table projected generally from 2012 using the Scale MP-2021.

The assumption changes within the statement of changes in plans benefit obligations result from changes to the assumed per-capita claims costs, health care cost trend rates, mortality tables, and discount rates, which vary across participant classifications.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

Postemployment Benefit Obligation — Postemployment benefits primarily consist of Company paid continuation of group life insurance and medical and dental coverage for certain employees after employment but before retirement and salary continuation benefits for certain permanently grounded pilots who became disabled after May 1, 1994 and before December 30, 2012. Effective as of that date, all future disabled pilots are paid under the United Airlines Pilot Long Term Disability Plan and its associated trust, which are not part of this Plan and are reported separately.

The obligation at December 31, 2024 is estimated by an actuary in accordance with accepted actuarial principles. Such estimated amounts are reported at present value, based on a discount rate of 4.59% at December 31, 2024. The actuarially assumed life expectancy of permanently grounded pilots and all other participants is based on the PRI-2012 Disabled Mortality Table. All other assumptions were the same as those used for the postretirement benefit obligation.

Flexible Spending Program — The Flexible Spending Program ("FSA") offers the participants the opportunity to contribute a portion of their salary on pre-tax basis to pay for health care expenses that are not covered under the Plan (medical, dental or vision), and to pay for dependent care expenses. Participants may enroll in either the general-purpose FSA or limited-purpose FSA, but not both. General-purpose FSA can be used to reimburse eligible health care expenses, such as medical, dental, and vision expenses. Limited-purpose FSA can only be used to reimburse eligible health care expenses for certain unreimbursed dental, and vision expenses. Dependent care FSA can be used to reimburse expenses for qualifying child care and other dependent care expenses. Only the expenses incurred during the coverage period are eligible for reimbursement. Forfeited account balances at the Plan year end are used to cover the

administrative costs of the program. The forfeited amount for the year ended December 31, 2024 was \$462,295.

Administrative Expenses — Administrative expenses represent trustee fees for operating the trusts and the third-party administrator fees for processing enrollment and benefit payments, as well as operating the deposit administration fund. Substantially all administrative expenses are paid by the Plan. The Company performs certain supervisory and reporting functions for the Plan without charge.

Payment of Benefits — Premiums paid by either the United or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claims payments are recorded when paid.

Claims Incurred but not Reported — Plan obligations at December 31st for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

3. BENEFIT OBLIGATIONS

The Plan's deficiency of net assets over benefit obligations at December 31, 2024 relates primarily to the postretirement benefit obligation, and it is expected that the deficiency will be funded through future increases in the Company's contribution and the participants' contribution rates.

4. FAIR VALUE MEASUREMENTS

U.S. GAAP includes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 Unadjusted quoted prices in active markets for assets or liabilities identical to those to be reported at fair value.
- Level 2 Other inputs that are observable directly or indirectly, such as quoted prices for similar assets or liabilities or market-corroborated inputs.
- Level 3 Unobservable inputs for which there is little or no market data and which require us to develop our own assumptions about how market participants would price the assets or liabilities.

The following table presents the Plan's investment assets at fair value categorized in the different levels, as of December 31, 2024 and 2023. As required by Financial Accounting Standards Board Accounting Standards Codification Topic 820, Fair Value Measurements and Disclosures, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. There have been no changes in valuation methodologies at December 31, 2024 and 2023.

- (a) The Northern Trust-Mutual Funds- Primarily consist of investments in cash and securities issued or guaranteed by the U.S Government or its agencies. There are no withdrawal restrictions for normal transactions contemplated within the fund. Such amounts are recorded at cost plus accrued interest, which approximates fair value.
- (b) The CIGNA deposit administration fund is a deposit held to fund retiree life insurance premiums. The fund seeks to earn a stable return in order to fund retiree premiums in the future with limited or no future deposits. There are no withdrawal restrictions for these funds for normal transactions contemplated within the fund. At the beginning of each year, CIGNA determines stated interest rates to apply to the beginning balance of the Fund and any transactions during the year. The balance of the Fund is not adjusted as a result of market fluctuations affecting the underlying assets. Assets comprising the Fund are commingled with CIGNA's total portfolio of assets and are not allocated to a specific investment. The Fund is recorded at cost. The Company has determined that fair value approximates cost based on the interest rates earned by the Fund.

Level 3 Gains and Losses

The changes in the fair value of the Plan's Level 3 investment asset for the year ended December 31, 2024 are as follows (in thousands):

	Level 3 Investment Assets	
	<u>Deposit Administration Fund</u>	
Fair value, beginning of period	\$	46,385
Interest income reinvested		906
Life insurance premiums paid		(2,186)

5. INFORMATION CERTIFIED BY THE TRUSTEES

The Plan Administrator has elected the method of reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from The Northern Trust Company and CIGNA, collectively, the trustees, that the following data included in the accompanying financial statements and schedules is complete and accurate:

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2024 and 2023.
- Investment income as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2024.
- The schedule of assets (held at end of year) as of December 31, 2024.
- The schedule of reportable transactions for the year ended December 31, 2024.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and schedules.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan has an investment in the Northern Trust Company Common Short-Term Investment Fund. The Northern Trust Company is a trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees for the investment management services provided by the Northern Trust Company were paid by the Plan Sponsor for the year ended December 31, 2024.

The Plan's investment in the deposit administration fund is held by CIGNA. CIGNA provides life insurance benefits to certain retirees and these benefits are funded through withdrawals from the Fund.

7. TAX STATUS

The United Airlines VEBA Trust and the Pilot Trust were granted exemptions from federal income tax under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). Each trust has obtained a favorable tax-exemption letter from the Internal Revenue Service. However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes. No federal or state income taxes have been recorded for 2024 and 2023 for unrelated business taxable income.

In addition, the Plan and the Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities. During 2024, the Plan was under audit by the Department of Labor for the period from January 1, 2021 through March 31, 2022. On September 6, 2024, the Department of Labor informed United that this review has been closed and no further action is needed.

8. PLAN TERMINATION

Although it has not expressed any such intent, the Company has the right under the Plan to modify the benefits provided to Plan participants, to discontinue its contributions at any time, and to terminate the Plan, subject to the provisions set forth in ERISA and any applicable collective bargaining agreement. Upon termination, the assets remaining shall be subject to the applicable provisions of the Plan in effect and shall be used until exhausted to pay benefits to employees in the order of their entitlement.

9. RECONCILIATION TO FORM 5500

The following is a reconciliation of benefit obligations (benefit claims payable) as of December 31, 2024 per the financial statements to the Form 5500 (in thousands):

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term. The changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 9, 2025, the date the financial statements were issued and no material events were noted.
