Vinylmax, LLC Profit Sharing 401(k) Plan

**Financial Statements
With Supplementary Information
Years Ended December 31, 2024 and 2023
With Independent Auditors' Report**

Independent Auditors' Report

To the Plan Administrator of the
Vinylmax, LLC Profit Sharing 401(k) Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Vinylmax, LLC Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vinylmax, LLC Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Independent Auditors' Report
(Continued)**

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vinylmax, LLC Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vinylmax, LLC Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vinylmax, LLC Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of Vinylmax, LLC Profit Sharing 401(k) Plan (the "Plan") have been prepared on the accrual basis using accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

For reporting purposes, participant loans are classified as notes receivable from participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Related-Party Transactions

Matrix Trust Company is the custodian as defined by the Plan and, therefore, some transactions qualify as party-in-interest.

Several employees of Vinylmax, LLC and Window Solutions, Inc. (collectively, the "Company") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

Certain Plan expenses are paid by the Company, and accordingly, are not reflected in the Plan's financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Company has evaluated subsequent events through October 13, 2025, which is the date these financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to their Vinylmax, LLC Profit Sharing 401(k) Plan handbook for a more complete description of the Plan's provisions.

General

The original effective date of the Plan was January 1, 1990. The Plan is a defined contribution plan. All employees of the Company, except union employees whose employment is governed by a collective bargaining agreement, who are 18 years of age are eligible to participate after 6 months of service. Effective January 1, 2024, participants are automatically enrolled into the Plan on the entry dates when eligibility requirements are met. Entry dates are the first day of each month after eligibility requirements are met. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

Single Employer Plan

The Plan is classified as a single employer plan covering related employers. The related employers covered by the Plan are Vinylmax, LLC and Window Solutions, Inc.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Each year, participants may contribute up to 100% of eligible compensation. However, employee contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$23,000 at December 31, 2024). For 2024, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of \$7,500. Participants are eligible to make pre-tax and Roth contributions to the Plan.

The Plan allows for the Company to make employer matching contributions throughout the Plan year and a discretionary profit-sharing contribution at the end of each Plan year. The profit-sharing contribution is allocated to participants based on the participant's compensation as a percentage of the total compensation of all participants eligible for the profit-sharing contribution. No profit-sharing contribution was made during 2024. The Company makes a safe harbor matching employer contribution to those employees who elect deferral contributions. The Company contributed 100% of the participant's elective deferral not to exceed 3% of their base compensation plus 50% of salary deferrals between 3% and 5% for 2024.

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

Participants designate the percentage of their deferral and match contributions to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts at any time during the year. A participant may change the amount of his or her elective deferral contributions on the first day of the month but may revoke elective deferral contributions at any time.

Rollover Contributions

Participants may rollover their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

Vesting

Participants become immediately vested at the time of participation in the Plan in their contributions plus actual earnings thereon. The Plan adopted safe harbor employer match provisions. As a result, participants are immediately vested in employer match contributions. Participants become partially vested in profit sharing contributions after two years of service with 100% vesting after six years of credited service. Forfeited balances of terminated participants' non-vested accounts are applied to reduce employer contributions or to pay administrative expenses. As of December 31, 2024 and 2023, the balance of unallocated forfeitures was \$50 and \$48, respectively. During 2024, the Company used \$-0- to reduce employer contributions, and \$-0- was used to pay administrative expenses.

Notes Receivable from Participants

Participant loans are available on amounts in the participant's account. The minimum loan amount is \$1,000 and the maximum loan amount is the lesser of one-half of the participant's vested account balance or \$50,000. The vested participant account balance will be used as collateral for any loan. All loans shall bear a reasonable rate of interest as determined by the Plan administrator. All loans must be repaid within five years except in the case of a loan for the purpose of purchasing a principal residence. Participants may only have two loans outstanding at any given time.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company or termination of the Plan, the participant's account is distributed by a lump sum distribution.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits in a lump sum payment.

In conditions of "financial hardship" a participant may apply to the Plan administrator for approval to withdraw that portion of their employee deferral account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Notes to Financial Statements (Continued)

NOTE 3 TAX STATUS

The Plan Sponsor has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated June 30, 2020, which states the provider's prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the Internal Revenue Code. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at fair value of the collective trust's underlying investments based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,977,289	\$ -	\$ -	\$ 10,977,289
Common collective trust	-	178,465	-	178,465
Total assets at fair value	\$ 10,977,289	\$ 178,465	\$ -	\$ 11,155,754

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,388,924	\$ -	\$ -	\$ 9,388,924
Common collective trust	-	419,573	-	419,573
Total assets at fair value	\$ 9,388,924	\$ 419,573	\$ -	\$ 9,808,497

NOTE 5 INFORMATION CERTIFIED BY CUSTODIAN

The following information provided by Matrix Trust Company was certified to be complete and accurate with respect to the following:

- (a) The investments held by Matrix Trust Company as of December 31, 2024 and 2023, as well as the transactions involving these investments for the year ended December 31, 2024.
- (b) The amount of investment income for the year ended December 31, 2024.
- (c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2024.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all amounts credited to their accounts.
