(1) Name: MITCHELL & TITUS

(2) EIN: 13-2781641

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		25000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

Plan Administrator of the
United Airlines Technicians Health Reimbursement Account Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the United Airlines Technicians Health Reimbursement Account Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from The Northern Trust Company (Trustee of the Plan and a qualified institution as of December 31, 2024, and from the period August 1, 2024 to December 31, 2024) and Matrix Trust Company, a Broadridge company (Trustee of the Plan and a qualified institution from the period January 1, 2024 to July 31, 2024, and as of December 31, 2023), stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**UNITED AIRLINES TECHNICIANS HEALTH REIMBURSEMENT ACCOUNT PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2024**

1. Description of Plan

The following description of the United Airlines Technicians Health Reimbursement Account Plan (the Plan) is for general information purposes only. Participants should refer to the Plan Document for more complete information. The capitalized words and phrases used in the following subsections of this note shall have the meanings as set forth in the Plan Agreement.

General. According to the terms of the Joint Collective Bargaining Agreement (JCBA) entered on December 5, 2016 between United Airlines, Inc. (the Company), Airline Technicians and Related Employees and Flight Simulator Technicians And Related Employees in the Service of United Airlines as represented by the International Brotherhood of Teamsters (IBT). The Company established the Plan effective April 1, 2017 for purposes of providing reimbursement of Eligible Medical Expenses incurred by a Participant, Spouse, Dependent, and/or Beneficiary in accordance with the terms of the Plan. The Plan is intended to qualify as a medical expense reimbursement plan under Internal Revenue Code (IRC) Section 105. A Trust was established by agreement between the Company and the IBT to accept contributions and provide benefits under the Plan. The Plan, together with the Trust, are intended to be a Voluntary Employee Beneficiary Association (VEBA), tax exempt under Section 501(c)(9) of the IRC, as amended, and regulations thereunder. Assets in the VEBA Trust cannot be accessed by the Company or its creditors under any circumstances. The Plan is maintained pursuant to, and shall be interpreted consistent with, the collective bargaining agreement from time to time in effect between the Company and the IBT.

Trustee and Plan Administration. Matrix Trust Company served as trustee for the Plan until Northern Trust Company replaced Matrix Trust Company as trustee of the plan effective August 2024. Alight Solutions is the Recordkeeper. The Company's Managing Director – Health & Wellness is the Plan Administrator.

Eligibility. Plan participants are eligible employees specified under the JCBA for whom contributions to the VEBA Trust are made, and who has not ceased to be eligible to receive benefits.

Active Health Reimbursement Account (Active HRA). Individual bookkeeping records are maintained which reflect the Company's contributions, as adjusted for investment gains or losses.

Contributions. The Plan is funded by contributions made by the Company on behalf of each Participant. For each eligible employee enrolled in a Company-sponsored active medical plan described in Section 16.B of the CBA, \$1.20 per hour will be contributed by the Company for all compensable hours to each such employee's Active HRA as a mandatory contribution. Such Company contributions will be made for each such employee up to an annual limit of 2,080 hours per calendar year (as such limit may be

pro-rated per calendar year based on such employee's weeks in active employment status). No employee contributions to the VEBA Trust shall be permitted.

Transfer Contributions. In no event shall any funds in the Participant's retiree health account under the United Airlines Technicians Retiree Health Account Plan (the RHA Plan) be transferred back to an Active HRA under this Plan (e.g., in the event of the Participant's rehire by the Company), except in the event that a Participant is terminated as an employee of the Company, funds are transferred to the Participant's retiree health account under the RHA Plan, and then the employee is reinstated to employment with the Company as a result of grievance, litigation, or settlement thereof.

Use of Active HRA Plan. Each employee who is enrolled in active medical coverage under Section 16.B of the JCBA will become a Participant of the Plan. A Participant may thereafter use the funds in his or her Active HRA only to pay for Eligible Medical Expenses as permitted under this Plan.

Suspension of Participant's Active HRA. A Participant may not utilize the funds in his or her Active HRA for Eligible Medical Expenses incurred on any date in which the Participant was not enrolled in active medical coverage under Section 16.B of the CBA. If the Participant again enrolls in active medical coverage under Section 16.B of the JCBA, the Participant may utilize any funds in his or her Active HRA for Eligible Medical Expenses incurred on any date in which the Participant is enrolled in active medical coverage under Section 16.B of the JCBA.

Benefits. Each Participant shall become eligible to receive benefits under the Plan on or after the date in which the employee is enrolled in active medical coverage under Section 16.B of the JCBA, and before the earlier of (a) the Participant's death, retirement, or other termination of employment with the Company, or (b) the exhaustion of the Participant's Active HRA balance.

Vesting. A Participant shall be fully vested at all times in any and all amounts allocated to his or her Active HRA.

Cessation of Participation. If an active Participant dies, retires, or otherwise terminates his or her employment with the Company, such Participant shall cease active participation in this Plan. Any remaining funds in such Participant's Active HRA as of such termination date shall be transferred to a separate retiree health account set up under the VEBA Trust for the benefit of the Participant or beneficiary under the RHA Plan. The timing and manner of any such transfer to the RHA Plan will be subject to the legal and administrative requirements as determined by the Company in its sole discretion; including, at the Plan Administrator's discretion, a run-out period for claims under this Plan. The deceased Participant's Beneficiary under the RHA Plan, or, if none, the deceased Participant's authorized representative, shall be permitted to submit any such run-out claims. Notwithstanding the foregoing, if the Participant dies with no beneficiary under the RHA Plan, the remaining portion of the Participant's Active HRA and account under the RHA Plan shall be forfeited and re-allocated per capita among the remaining Participants in the VEBA Trust (so long as each such remaining Participant is participating in either the Plan or RHA Plan).

Administrative expenses. Except as otherwise agreed to by the Company and the IBT, the Company shall pay all administrative expenses arising from the Plan and such expenses shall not be paid, or reimbursed to the Company, from Plan assets. Administrative expenses include accounting, legal, clerical, and other services as may reasonably be required in the administration of the Plan.

Company's limitations. All benefits payable under the Plan will be paid or provided for solely from the assets held in the VEBA Trust attributable to Company Contributions under the Plan, and the Company will have no liability or responsibility other than to make Company Contributions as required under the terms of the Plan. The Company will have no right, title, or interest in the VEBA Trust, nor will any part of the VEBA Trust revert or be repaid to the Company directly or indirectly, unless a contribution is made by the Company by mistake of fact and such contribution is returned to the Company within one year after payment to the Trustee.

Plan termination. The Company intends to continue the Plan indefinitely. However, the Company reserves the right to terminate the Plan at any time and for any reason through action of its Board of Directors or the Executive Vice President – Human Resources and Labor Relations. In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by Section 501(c)(9) of the IRC and its related regulations.

2. Summary of Significant Accounting Policies

Basis of accounting. The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition. The Plan's investments consist of a money market fund, which is considered as cash equivalents. Cash equivalents are valued at cost which approximate market. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit payments. Benefit payments are recorded when paid.

Risks and uncertainties. The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. The changes could materially affect Participants' account balances and the amounts reported in the statement of net assets available for benefits.

Reclassification. Certain prior-year amounts have been reclassified for comparative purposes. These reclassifications did not affect the net assets available for benefits as of December 31, 2024.

Subsequent events. The Plan has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued, and no material events were noted.

3. Assets in Master Trust

Assets of the Plan are held with the assets of another participating United plan in the United Airlines Technicians and Related Employee Health Reimbursement Account/Retiree Health Account Master Trust (Master Trust). The other participating plan is the RHA Plan. Although assets of the plans are held in the Master Trust, the Trustee maintains separate records for each plan. Assets of the Master Trust at fair value were allocated to the following plans at December 31, 2024 and 2023, as follows:

	December 31, 2024		December 31, 2023	
	Amount	Percent	Amount	Percent
HRA Plan	\$ 31,934,049	62 %	\$ 22,748,833	55 %
RHA Plan	19,437,345	38 %	18,630,896	45 %
Clearing Account	—	— %	9	— %
	<u>\$ 51,371,394</u>	<u>100 %</u>	<u>\$ 41,379,738</u>	<u>100 %</u>

The Master Trust structure has three accounts, including a separate account for the HRA Plan and the RHA plan, and a clearing account used until the funds can be transferred into the respective HRA and RHA Plan accounts. Accordingly, at year end, there were funds left in the clearing account. These funds are allocated between the RHA and HRA accounts according to the following year plan allocations from the clearing account.

The Master Trust's investment income for the years ended December 31, 2024 and 2023, were as follows:

	December 31,	
	2024	2023
Dividend income	\$ 2,448,532	\$ 1,852,341

4. Certified Investments

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, The Northern Trust Company (Trustee from the period August 1, 2024 to 12/31/2024), and Matrix Trust Company, a Broadridge Company (Trustee from the period January 1, 2024 to July 31, 2024 and as of December 31, 2023) have certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended on December 31, 2024.
- The schedule of assets (held at end of year) at December 31, 2024.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and schedule.

5. Fair Value Measurements

U.S. GAAP includes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 - Unadjusted quoted prices in active markets for assets or liabilities identical to those to be reported at fair value.
- Level 2 - Other inputs that are observable directly or indirectly, such as quoted prices for similar assets or liabilities or market-corroborated inputs.
- Level 3 - Unobservable inputs for which there is little or no market data and which require us to develop our own assumptions about how market participants would price the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2024.

- *Money Market Fund*: Valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund is deemed to be actively traded.

The Master Trust’s assets measured at fair value on a recurring basis are as follows at December 31, 2024 and 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 51,371,394	—	—	\$ 51,371,394
Total assets at Fair Value	\$ 51,371,394	—	—	\$ 51,371,394

	2023			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 41,379,738	—	—	\$ 41,379,738
Total assets at Fair Value	\$ 41,379,738	—	—	\$ 41,379,738

6. Claims Administration

All claims under the Plan are treated as “post-service claims” (as defined in Department of Labor Reg. Section 2560.503-1, as amended). Claims are reviewed, approved and administered by the Plan Administrator or one or more Recordkeepers. The Trustee disburses claim payments on behalf of the Plan Administrator in accordance with the provisions of the Plan.

7. Income Tax Status

The Trust established under the Plan is designed and intended to operate in accordance with the requirements of Section 501(c)(9) of the IRC of 1986, as amended. The Plan received a determination letter from the Internal Revenue Service (IRS) on October 29, 2018, indicating the Plan is exempt from federal income tax. As a result of the Plan’s funding policy, from time to time, the Trust may be subject to income taxes. No federal or state income taxes have been recorded for 2024 for unrelated business taxable income.

In addition, the Plan and Trust are required to operate in conformity with the IRC to maintain a tax-exempt status of the Trust. The Administration Committee, Plan management and Company management believe the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believe the Trust and Plan are tax exempt.

U.S. GAAP requires the Plan’s management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

8. Party-in-Interest Transactions

The Plan's investments are managed by the Trustee; therefore, investment transactions with the Trustee qualify as party-in-interest transactions as defined by ERISA. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.
