## INDEPENDENT AUDITORS' REPORT

To the Administrator and Participants  
Action Enterprise 401(k) Plan  
Birmingham, Alabama

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Action Enterprise 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ending December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all

Members:

- The American Institute of Certified Public Accountants
- The Alabama Society of Certified Public Accountants
- PCPS - The AICPA Alliance for CPA Firms
- National CPA Health Care Advisors Association

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Action Enterprise 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Action Enterprise 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Action Enterprise 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about of Action Enterprise 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental

schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ACTION ENTERPRISE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

---

**Note A - Description of Plan**

The following description of the Action Enterprise (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more detailed description of the Plan’s provisions.

*General* - The Plan is a defined contribution plan funded by employee and employer contributions and administered by Action Enterprise Holdings, LLC. Participation in the Plan is available to all eligible employees of Action Enterprise and its affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

*Eligibility* - The Plan covers employees of the Company and its affiliates, as defined by the Plan document, who are at least 18 years of age. Once eligibility requirements have been met, an employee may enter the Plan on the first day of the next calendar month. Additionally, an employee must satisfy a six month service period to be eligible for nonelective employer contributions.

*Contributions* – Eligible employees may elect to contribute up to 100% of compensation, on both a pre-tax and Roth basis, to the Plan, subject to limits set forth by the Internal Revenue Service. An individual who has reached age 50 may defer an additional “catch-up” contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan provides for a discretionary regular match and a discretionary non-elective profit-sharing contribution. For 2024 the Plan adopted the safe harbor method of Actual Deferral Percentage compliance. The safe harbor match is 100% of the first 3% of deferrals and 50% of the next 2%, for a potential 4% total contribution. The Company made a safe harbor match contribution of \$779,477 for 2024. There was no profit sharing or regular match contribution for 2024. The Plan document provides for allocation provisions and the disposition of forfeitures. The Company remits contributions to the Plan’s custodian, Empower Retirement. The custodian holds the Plan assets and executes investment transactions as directed.

*Participant Accounts* - An account is maintained for each participant in the Plan. The accounts are credited with the participants' elective and rollover contributions, their allocated portion of the Company matching and prior profit-sharing contributions, and investment earnings. Distributions, withdrawals, and allocated expenses are subtracted from the account balances. The custodian maintains the records of participant data and activity. Participants direct the investment of their account through a choice of mutual funds and a fixed annuity offered by the custodian.

*Notes Receivable from Participants* - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loans are treated as receivables in the Plan’s financial statements. The loans are secured by the balance in the participant’s account and bear interest of Prime plus 1%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator.

Principal and interest are paid ratably by payroll deduction.

*Payment of Benefits* - A participant's account becomes fully vested upon the participant's death, permanent and total disability, or attaining normal retirement age. Upon the participant's termination, death, total disability, or retirement, the vested benefits allocated to the participant's account will be paid in a lump sum payment. The Plan allows hardship withdrawals to be taken from both a participant's pre-tax elective deferral and Roth elective deferral accounts. Participants may also take in-service withdrawals from all of their accounts upon attainment of age 59 ½, and at any time from their rollover contribution account.

*Vesting* - Vesting is based on years of vested service, as defined by the Plan. Employee deferrals, rollovers, and employer safe harbor matching contributions are always fully vested. Additionally, all employees hired prior to January 1, 2017 are fully vested in employer matching contributions. For employees hired thereafter, employer contributions do not vest until the completion of two years of service, at which time the account is 20% vested. The account vests an additional 20% per year for service years two through six. Amounts not vested at the time a covered employee ceases to participate in the Plan are forfeited and may be used to reduce the employer's deposit for matching contributions or to pay Plan expenses. The balance in the forfeitures account available was \$18,487 and \$64,272 at December 31, 2024 and 2023, respectively. Forfeitures of \$102,284 were used to offset the employer matching contributions for the 2024 plan year.

## **Note B - Summary of Significant Accounting Policies**

### Basis of Accounting

The financial statements of Action Enterprise 401(k) Plan have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

### Financial Statement Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of Plan investments is discussed in Note D. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Contributions

Employer and employee contributions are reported in the year services are rendered to the Company by Plan participants.

### Payment of Benefits

Benefit payments are reported in the year paid.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans of current participants are deemed distributed in the year of default. In years prior to 2024 these deemed distributed loans were not included in net assets. Beginning in 2024, the deemed loans are included in net assets according to current standards. An adjustment of \$73,006 is included in the Statement of Changes in Net Assets to add the deemed loans. No allowance for doubtful accounts is considered necessary.

### Administrative Fees

Administrative fees may include plan administration fees, plan service fees, investment management fees, and/or transaction-based fees. Plan administration fees are generally paid by the Company and are not charged to the Plan. Certain transaction-based and contract fees of \$74,688 were paid by participants in 2024, and are reflected in the statement of changes in net assets available for benefits. Investment management fees on mutual funds are typically reflected as a reduction in the respective fund's net asset value and are paid by the participants.

### Date of Management's Review

The Plan sponsor has evaluated subsequent events through September 30, 2025, which is the date the financial statements were available to be issued, and noted no events occurring during such periods that would require recognition or disclosure in the financial statements.

### **Note C - Information Prepared and Certified by the Custodian**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate with respect to investments as of December 31, 2024 and 2023, and for the year ended December 31, 2024:

- Investments
- Net appreciation (depreciation) in fair value of investments
- Dividend and interest income
- Notes receivable from participants, and related interest
- Schedule of Assets (Held at End of Year)

## Note D - Fair Value Measurements

FASB ASC Section 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds:* Valued at the quoted net asset value of the shares as reported by the fund. The mutual funds held are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

*Fixed Annuities:* Valued daily using inputs observable through review of existing contracts and readily available financial information on the websites of the issuing financial institutions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis at December 31, 2024 and 2023:

December 31, 2024	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
Mutual funds	\$14,262,216	\$14,262,216	\$ -	\$ -
Variable annuities	523,777	-	523,777	-
Fixed account	599,170	-	599,170	-
	<u>\$15,385,163</u>	<u>\$14,262,216</u>	<u>\$ 1,122,947</u>	<u>\$ -</u>

  

December 31, 2023	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$11,926,579	\$11,926,579	\$ -	\$ -
Fixed annuities	1,182,554	-	1,182,554	-
	<u>\$13,109,133</u>	<u>\$11,926,579</u>	<u>\$ 1,182,554</u>	<u>\$ -</u>

**Note E - Related Party and Party-In-Interest Transactions**

Certain Plan investments are mutual funds, variable annuities and a fixed account managed by Empower. These transactions qualify as party-in-interest transactions.

**Note F - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

**Note G - Plan Tax Status**

The Plan uses a prototype document provided by The Retirement Advantage, Inc. The prototype document was approved by the Internal Revenue Service as being designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan follows accounting standards relating to uncertainty of income tax positions. The Plan administrator has assessed whether there were any uncertain tax positions that may give rise to income tax liabilities and determined that there were no such matters requiring recognition in the accompanying financial statements. The Plan files information returns under U.S. federal jurisdiction. With few exceptions, the Plan is no longer subject to U.S. federal tax examinations for years before 2021.

## Note H - Risk and Uncertainties

The Plan provides for various investment options in any combination of mutual funds and other investment securities. Generally, all investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participants' account balances, the amounts reported in the statements of net assets available for benefits, and the amounts reported in the statement of changes in net assets available for benefits.

## Note I - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits and changes in net assets available for benefits per the financial statements to Form 5500 at December 31, 2024 and 2023:

	2024	2023
Net assets available for benefits per Form 5500	\$ 15,809,608	\$ 13,420,575
Employer contributions receivable	-	677,673
Actual deferral percentage test corrective distributions	-	(58,854)
Deemed distributed participant loans	<u>73,007</u>	<u>-</u>
Net assets available for benefits per financial statements	<u>\$ 15,882,615</u>	<u>\$ 14,039,394</u>
Change in net assets available for benefits per Form 5500	\$ 2,389,033	
Change in accrued employer contributions	(677,673)	
Change in accrued corrective distributions	58,854	
Deemed loan adjustment	<u>73,007</u>	
Change in net assets available for benefits per financial statements	<u>\$ 1,843,221</u>	

## Note J - Corrective Distribution

The Company failed the ADP and ACP nondiscrimination tests for the 2023 plan year. Refunds in the amounts of \$61,158 were necessary to bring the Plan into compliance for 2023. The Company adopted the safe harbor method of ADP compliance for 2024, so no corrections were required for 2024.

## Note K – Prohibited Transactions

In 2023, employee deferrals of \$670,610 were withheld from certain payrolls and not remitted on a timely basis (as defined by the Department of Labor “DOL”) by the Plan Sponsor. The Plan Sponsor has remitted all such deferrals and has made the appropriate corrective contributions. The Sponsor has taken steps necessary to make timely future deposits.
