Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: GROSS, MENDELSON & ASSOCIATES

(2) EIN: 52-0982413

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

To the Plan Administrators
Thomas, Bennett & Hunter, Inc.
Employee Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (Continued)

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THOMAS, BENNETT & HUNTER, INC. EMPLOYEE PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2024 and 2023

Note 1: Description of Plan

The following description of Thomas, Bennett & Hunter, Inc. Employee Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a noncontributory profit-sharing plan established by Thomas, Bennett & Hunter, Inc. (the Company) and currently operating under a Non-Standardized Pre-Approved Profit-Sharing/Money Purchase/CODA Plan sponsored by Empower Annuity Insurance Company of America (Empower). The Plan covers generally all employees of the Company who have completed one year of service. The Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions: The Plan generally does not permit participant contributions; however, participants are allowed to rollover their account balances from other qualified retirement plans.

Employer Contributions: The Company may make discretionary contributions to the Plan in such amounts as the board of directors of the Company, in its sole discretion, shall determine. Discretionary contributions are allocable to those participants who have completed at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. Employer contributions for the years ended December 31, 2024 and 2023 represent discretionary contributions made by the Company.

Participant Accounts: Each participant's account is credited with allocations of the Company's contributions and Plan earnings and losses and administrative expenses. Company contributions are allocated based on the compensation of the eligible participants as defined by the Plan. Plan earnings and losses are allocated based on the account balances of the participants at the beginning of the year and time weighted contributions posted during the Plan year. Administrative expenses are allocated based on participant account balances or specific participant transactions. The benefit to which a participant is entitled is that benefit which can be provided from the participant's vested account.

Vesting: Vesting in the Company's contributions plus earnings thereon is based on years of continuous service. A participant becomes fully vested in their account after six years of service or upon retirement, death, or disability.

Notes Receivable from Participants: Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of their vested account balance. The loans, which must be for at least \$1,000, and secured by the balance of the participant's account, bear interest at prevailing rates for similar loans, as determined by the Plan administrator, and are carried at their outstanding principal balance. Repayments are generally made through payroll deductions.

Payment of Benefits: Upon termination of employment, a participant may elect to have Plan benefits to which they are entitled distributed as a lump-sum payment, installment payments, or an annuity distribution which allows the participant to elect to have a Plan administrator use the participant's vested balance to purchase an annuity. Participants are generally required to take minimum distributions upon reaching age 73. An in-service participant can receive Plan benefits if the participant experiences a hardship as recognized by the Internal Revenue Service (IRS) or is at least age 60 with seven years of service.

Notes to Financial Statements
December 31, 2024 and 2023

Note 1: Description of Plan (Continued)

Forfeitures: The non-vested portion of a participant's account balance is forfeited upon termination of employment. Forfeitures can be used to pay administrative expenses or reduce future employer contributions. No forfeitures were used to pay administrative expenses for the year ended December 31, 2024. During the year ended December 31, 2023, \$600 in forfeitures were used to pay administrative expenses. During the years ended December 31, 2024 and 2023, no forfeitures were used to reduce employer contributions. As of December 31, 2024 and 2023, forfeited accounts totaled \$85,581 and \$73,259, respectively. Subsequent to year-end, the forfeiture balance was fully used to reduce the employer contributions.

Note 2: Summary of Significant Accounting Policies

Following is a description of significant accounting and reporting policies of the Plan:

Basis of Presentation: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan trustees are responsible for oversight of the Plan, determine the appropriateness of the Plan's investment offerings and monitor investment performance. Investments are reported at fair value and contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may have one loan outstanding at any given time. Delinquent participant loans remain classified as loans until treated as distributions based on the terms of the Plan document.

Employer Contributions: Employer discretionary contributions are recorded in the period as determined under the terms of the Plan and approved by the Company's management and when collectability is reasonable assured.

The Plan has not established an allowance for credit losses at December 31, 2024 and 2023. Expected collection losses are determined from a review of historical collection experience, existing economic conditions and reasonable and supportable forecasts of future events affecting the Plan Sponsor. The Plan's fiduciaries believe the employer contributions receivable will be fully collected based on the ability of the Plan Sponsor to pay amounts when due.

THOMAS, BENNETT & HUNTER, INC. EMPLOYEE PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2024 and 2023

Note 2: Summary of Significant Accounting Policies (Continued)

Payment of Benefits: Benefits are recorded when paid to participants.

Subsequent Events: In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 10, 2025, the date the financial statements were available to be issued. During the period from January 1, 2025 through October 10, 2025, the Plan did not have any material recognizable subsequent events except as noted in Note 1 regarding the utilization of forfeitures.

Note 3: Fair Value Measurements

Fair Value Measurements: GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets that are to be reported at fair value. The table below presents the assets measured at fair value on a recurring basis by level within the hierarchy as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,537,408	\$ -0-	\$ -0-	\$ 9,537,408
Investments measured at net asset value as a practical expedient				2,565,812
Total Investments at Fair Value				\$ 12,103,220

As of December 31, 2023, the Plan did not own any investments that are required to be measured and disclosed under the fair value hierarchy table.

THOMAS, BENNETT & HUNTER, INC. EMPLOYEE PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2024 and 2023

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for Plan assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Fair value is based on the closing price at year end reported by the fund. Mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Investments in collective trust funds are valued at fair value based on account value. The funds invest in underlying mutual funds traded on an established market. These funds are measured at net asset value, and the net asset value is used as a practical expedient to estimate fair value. While the funds purchase shares of the underlying investments, neither the Plan nor participants own shares of the mutual funds or other investment contracts; instead, participants own "accumulation units" in the funds.

Pooled Separate Accounts: Investments in pooled separate accounts are valued at fair value based on account value. The separate accounts offered are proprietary to Empower under a group annuity contract, and many invest exclusively in one underlying mutual fund traded on an established market. Those separate accounts investing in mutual funds are measured at net asset value, and the net asset value is used as a practical expedient to estimate fair value. While the separate accounts purchase shares of the underlying investments, neither the Plan nor participants own shares of the mutual funds or other investment contracts; instead, participants own "accumulation units" in the separate accounts.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the Net Asset Value per Share Practical Expedient: The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective Trust Funds	\$ 2,565,812	n/a	Daily	None
December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 9,295,049	n/a	Daily	None

THOMAS, BENNETT & HUNTER, INC. EMPLOYEE PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2024 and 2023

Note 3: Fair Value Measurements (Continued)

Net Appreciation in Fair Value of Investments: Net appreciation in fair value of investments reflects the changes in the respective unit values of the collective trust funds and pooled separate accounts, and the value of the mutual funds, which includes unrealized gains and losses relating to investments held at year end and the realized gains and losses on investments sold during the year. In addition, the investment values are recorded to reflect charges, such as investment management and administrative charges, as set forth in the group annuity contract.

Note 4: Information Certified by the Plan Custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Empower, the custodian of the Plan, except to compare such information to information included in the Plan's financial statements and supplemental schedule.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments at fair value and at contract value and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was derived from information certified as complete and accurate by Empower.

Note 5: Fully Benefit-Responsive Contract

The Plan holds a traditional investment contract in a Guaranteed Interest Account (GIA) through an insurance contract that meets the fully benefit-responsive investment contract criteria required by GAAP and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The traditional investment contract held by the Plan is a GIA. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, including current market rates and the maturities of the underlying investments, and was approximately 3% for 2024 and 2023. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIA has no stated maturity dates and interest rates are reset every six months.

Upon full or partial contract or Plan termination and certain other sponsor-initiated events, distributions from the GIA may be subject to a liquidation value (market value) adjustment pursuant to a formula specified in the contract. The market value formula may produce a value that is more or less than the book value of the Plan's investment in the GIA. The Plan administrator does not believe that the occurrence of any such event is probable.

Notes to Financial Statements
December 31, 2024 and 2023

Note 6: Notes Receivable from Participants

As of December 31, 2024 and 2023, 44 and 46 participants were indebted to the Plan in the total amount of \$493,381 and \$468,762, respectively, as a result of loans made to them by the Plan. The loans are evidenced by promissory notes bearing interest in the range of 4.25% to 9.50% per annum, and are payable in installments, the latest of which is due in September 2038. The notes are fully secured by the participants' vested account balances.

Note 7: Plan Termination

The Company has the right under the Plan agreement to discontinue its contributions at any time and terminate the Plan, subject to applicable statutory provisions of ERISA. In the event of termination, all Plan participants will become fully vested. The Company has not indicated any intention to terminate the Plan.

Note 8: Income Tax Status

The Internal Revenue Service (IRS) has ruled in a letter dated November 14, 2022 that the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by Empower qualifies under applicable sections of the IRC. An employer who adopts this plan is generally considered to have a plan that is also qualified. The Plan's federal tax returns are subject to examination by the IRS generally for a period of three years after the returns are filed.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator does not believe that the Plan has any uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 9: Parties-in-Interest

The Plan offers participants various investment options, all of which are products of Empower, the custodian of the Plan. During the years ended December 31, 2024 and 2023, the Plan paid administrative fees of \$7,683 and \$1,741 to Empower, respectively. Certain officers and employees of the Plan sponsor are administrators of the Plan, acting as fiduciaries and as trustees, and are also participants in the Plan.

Note 10: Administrative Expenses

The Plan provides that the Company, at its discretion, may pay administrative expenses of the Plan. Any administrative expenses paid by the Company are excluded from these financial statements.

Note 12: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
