To the Trustees  
GMRG 401(k) Plan

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of GMRG 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GMRG 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe

that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GMRG 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GMRG 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GMRG 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are

in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **GMRG 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **1. PLAN DESCRIPTION AND BASIS OF PRESENTATION**

The following description of the GMRG 401(k) Profit Sharing Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

##### **General**

The plan is a defined contribution plan covering the employees of Grand Mere Restaurant Group ("the Company") who have attained 21 years of age and have worked at least 500 hours over the course of a one year period beginning on the employee's date of hire, unless employed under specific administrative or director job classifications who are required to have attained 21 years of age and have completed one month of service. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

##### **Contributions**

Participants may contribute from 1% to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Effective January 1, 2023, this Plan is referred to as a safe harbor 401(k) plan. In order to maintain "safe harbor" status, the Plan Sponsor will make a safe harbor matching contribution equal to 100% of deferrals that do not exceed 4% of compensation. During the years ended December 31, 2024 and 2023, total matching contributions made by the Company were \$155,000 and \$128,617, respectively. Contributions are subject to certain limitations as determined by Federal tax law.

##### **Participant accounts**

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings. Allocations of Company contributions are based on a participant's total compensation as compared to all participants' total compensation for the year of contribution. Allocations of Plan earnings are based on the earnings of the fund(s) allocated to the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in employer safe harbor contributions. Prior to the safe harbor adoption employer contributions were vested over a three-year period.

##### **Forfeitures**

Forfeitures attributable to participants exiting before vesting will be used to reduce employer contributions. For the plan years ended December 31, 2024 and 2023, there were \$5,997 and \$30,491 of forfeitures used to reduce employer contributions, respectively. The forfeiture balance was \$4,648 and \$5,344 as of December 31, 2024 and 2023, respectively.

##### **Investment options**

The Plan's assets are held by Nationwide Trust Company, FSB (Nationwide). Upon enrollment in the Plan, participants direct contributions in any of thirty-six investment options. Participants may change their investment options at any time.

## **GMRG 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **Notes receivable from participants**

Participants may borrow from their vested account balances up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate based on rates available for similar loans from commercial lending institutions. Principal and interest are paid ratably through regular payroll deductions. There were \$96,469 and \$69,884 in loans outstanding as of December 31, 2024 and 2023, respectively.

#### **Payment of benefits**

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows for in-service withdrawals for "hardship" (as defined in the Plan) and after a participant attains age 59 ½. Benefits are recorded when paid.

#### **Corrective distributions**

In 2023 corrective distributions paid to participants totaling \$39,271 for contributions in excess of amounts allowed by the IRS are recorded as a deduction within the Statements of Changes in Net Assets Available for Benefits. No such corrective distributions were paid in 2024.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

#### **Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

#### **Investment valuation**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers. See note 7 for discussion of fair value measurements.

#### **Payment of benefits**

Benefits are recorded when paid.

#### **Administrative expenses**

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Legal, accounting and third-party administration fees may be paid directly by the Company or from the Plan.

## **3. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants will become 100% vested in their accounts. Unallocated assets, if any, will be allocated to participant accounts and distributed in such a manner as the Company may determine.

## **GMRG 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **4. TAX STATUS**

The Plan and related trust were designed under a prototype form, which was approved by the Internal Revenue Service. The IRS determined and informed Nationwide by a letter dated June 30, 2020, that the Plan was designed in accordance with the applicable regulations of the Internal Revenue Code (IRC) to be tax-exempt. The Plan has been amended since the determination letter was received, but the Plan's Trustees believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Trustees believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **5. PARTIES IN INTEREST AND RELATED PARTY TRANSACTIONS**

Certain Plan investments are managed by Nationwide. Nationwide is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

Nationwide provides certain administrative services to the Plan and certain amounts owed to Nationwide for its administrative services to the Plan reduce investment earnings.

Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Legal and accounting fees are paid directly by the Company.

#### **6. INFORMATION CERTIFIED BY THE TRUSTEE**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments and investment income for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Nationwide.

#### **7. FAIR VALUE MEASUREMENTS**

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, it consists of three levels:

- Level 1 – Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2 – Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 – Valuation is generated from model-based techniques that use significant assumptions not observable in the market.

## GMRG 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

Nationwide provided the following descriptions of the valuation methodologies used for assets measured at fair value during 2024 and 2023.

Pooled Separate Accounts: Variable funds that invest directly in designated mutual funds. The PSA owns and holds the underlying mutual fund shares which are valued daily at their net asset values (NAV). Plans and participants hold “units of participation” in the separate account. The “accumulation unit value” (AUV) is the value of each unit in the separate account and the separate account is valued daily as the number of accumulation units held multiplied by the AUV. The variable funds can be redeemed at the current AUV based on the fair value of the underlying assets. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2024.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, within the fair value hierarchy, the Plan’s assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:

<b>2024</b>				
Fair Value Measurements at Reporting Date Using:				
Description	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Investments	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV	-	-	-	3,594,904
<b>Total investments at fair value</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 3,594,904</b>

<b>2023</b>				
Fair Value Measurements at Reporting Date Using:				
Description	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Investments	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV	-	-	-	3,413,133
<b>Total investments at fair value</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 3,413,133</b>

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments.

**GMRG 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024	Fair Value	Unfunded commitments	Redemption Frequency (If Eligible)	Redemption Notice Period
Nationwide pooled separate accounts	\$ 3,594,904	NA	Daily	NA

December 31, 2023	Fair Value	Unfunded commitments	Redemption Frequency (If Eligible)	Redemption Notice Period

**8. FULLY BENEFIT- RESPONSIVE GUARANTEED INVESTMENT CONTRACT**

The Plan entered into a benefit-responsive guaranteed investment contract, referred to as a common trust, with Nationwide. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the Plan’s ability to transact at contract value with Principal. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan’s prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974.

The Plan administrator believes that any events that would limit the Plan’s ability to transact at contract value with Plan participants are probable of not occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**9. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances, and the amounts reported in the statement of net assets available for benefits.

## **GMRG 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **10. SECURE ACT 2.0**

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. The most significant changes impact existing plan provisions including updates to required minimum distributions, hardship distributions rules, expanded eligibility of part-time employees, and modifications to catchup contribution rules. SECURE Act 2.0 amendments must be adopted by December 31, 2026 for calendar year plans. The Plan Sponsor should work with their service provider to ensure the plan document is updated in accordance with the provisions of SECURE Act 2.0.

#### **11. CONTINGENCIES**

The company periodically pays bonuses to its employees. The Plan's definition of compensation does not exclude bonuses and therefore, they are subject to a participant's salary reduction agreement. The Sponsor and Plan have determined that in a prior year periodic bonus payments have not included deferrals according to participant salary reduction agreements in force. Additionally, employer matching contributions for deferrals related to prior year periodic bonus payments have not been calculated and included, if applicable. The dollar amount of deferrals, employer matching contributions, and other possible expenditures has not yet been determined and cannot be reasonably estimated at this time and therefore, no such amounts have been accrued in the accompanying financial statements. Plan management is currently investigating corrective action.

#### **12. PLAN AMENDMENTS**

Effective January 1, 2024, the Plan was amended to change service hours necessary for eligibility from 1,000 to 500.

#### **13. SUBSEQUENT EVENTS**
